LYRIC SHEET

Welcome to my first verse
This is how it goes
I don't label it "first verse"
Cause everybody knows

Your prechorus – if you have one
Will be a separaste section
With a space before and after
If you follow my direction

This is my **LYRIC SHEET**
The chorus is indented
This is my **LYRIC SHEET** -- for my song
This is my **LYRIC SHEET**
See how it's presented
I'm gonna have a hit -- before too long

Here we go with verse two
It's typed and error free
I don't label it "second verse"
'Cause what else could it be

You can type "repeat pre-chorus"
If it's the same as your first one
Or you can type it out again
If that's your idea of fun

REPEAT CHORUS

If a bridge is included
You don't need to indent it
But you can if you want to
If that makes you contented

REPEAT CHORUS
