Marjorie Swann, 2010-11-24 A craze for collecting swept England during the sixteenth and seventeenth centuries. Aristocrats and middling sort men alike crammed their homes full of a bewildering variety of physical objects: antique coins, scientific instruments, minerals, mummified corpses, zoological specimens, plants, ethnographic objects from Asia and the Americas, statues, portraits. Why were these bizarre jumbles of artifacts so popular? In *Curiosities and Texts*, Marjorie Swann demonstrates that collections of physical objects were central to early modern English literature and culture. Swann examines the famous collection of rarities assembled by the Tradescant family, the development of English natural history narrative, catalogs of English landscape features that began to appear in the Tudor and Stuart periods, the writings of Ben Jonson and Robert Herrick, and the foundation of the British Museum. Through this wide-ranging series of case studies, Swann addresses two important questions: How was the collection, which was understood as a form of cultural capital, appropriated in early modern England to construct new social selves and modes of subjectivity? And how did literary texts, both as material objects and as vehicles of representation, participate in the process of negotiating the cultural significance of collectors and collecting? Crafting her unique argument with a balance of detail and insight, Swann sheds new light on material culture's relationship to literature, social authority, and personal identity.

Prayer and Power Michael C. Schoenfeldt, 1991-08-13

Michael C. Schoenfeldt here offers the first major exploration of the connections between George Herbert's devotional poetry and the social practices and political discourse of his day. Viewing *The Temple* and *The Country Parson* as part of the larger civilizing process of Western Europe, Schoenfeldt shows how Herbert discovers in the discourses of courtesy and theology a common vocabulary of authority, selfhood, petition, and discipline. Before entering the priesthood, Herbert nourished contacts in court, was elected University Orator at Cambridge, and served in Parliament. In turning to God, Schoenfeldt argues, Herbert did not simply turn away from the secular world but also turned its language, particularly the language of courtesy, into the medium for his lyric worship of God. The confluence of courtesy and spirituality in Herbert's poetry provides a fascinating insight into a society searching for an appropriate discourse of reverence in a time of baffling change. The first five chapters investigate the manifold ways in which Herbert's life and works exemplify the interdependence of social and religious behavior in the English Renaissance. The sixth and final chapter extends this investigation into the nervous eroticism of Herbert's poems. Considering *The Temple* as well as Herbert's letters, speeches, Latin poems, collections of foreign proverbs, translations, *The Country Parson*, and less familiar lyrics, Schoenfeldt offers a thorough and detailed reading of Herbert's rich and conflicted corpus. *Prayer and Power* is not only a bold redefinition of the accomplishment of one of the finest poets of the English Renaissance but also the first sustained study to advance a cultural poetics of the religious lyric.

Perspectives

Jalal Uddin Khan, 2015-02-05 *Perspectives: Romantic, Victorian, and Modern Literature* is an up-to-date explication of various popular and classic subjects and authors arranged chronologically. The book, composed of thirteen essays, examines Blake, Coleridge, Byron, Shelley, Keats, Victorian medievalism, the Victorian reaction to British India, Ben Jonsonian elements in Yeats,

Yeats and Maud Gonne the treatment of the Irish civil war and Irish nationalism in Yeats and the treatment of the Spanish civil war in the selected works of modern fiction and nonfiction Marked by an originality of approach and a freshness and simplicity the book takes note of contemporary theoretical interdisciplinary and cultural discourse drawn from literature history politics and religion as necessary However it is far from being unnecessarily outweighed by the loaded clichés of repeated jargon and overused euphemisms of modern literary or critical theory The result is regardless of its specialized treatment of otherwise commonplace or well known texts or topics that the overall discussion is as lucid introductory and expository as it is deep and scholarly making the book easily accessible and understandable to non specialist readers in addition to specialist researchers and academics

The Pulse of Praise Julia Carolyn Guernsey, 1999 Guernsey draws on D W Winnicott's object relations model which focuses on self development in a relational context to illuminate various senses of self and Other that Herbert's poems express discursively and formally The book will appeal not only to Herbert scholars and other Renaissance critics but also to audiences interested in psychoanalysis and how it relates to literature religion culture and poetics
