

Listen to the angel's story of the Shifting, Whispering Sands

Yes they always whisper to me
Of the days of long ago
When the settler and the miner
Fought the crafty Navajo

How the cattle roamed the valley
Happy people worked the land
Now everything is covered
By The Shifting, Whispering Sands

A miner left his buck board
Went to work his claim that day
And the burrows broke their halters
When they thought he'd gone to stay

How they found that ancient miner
Lying dead upon the sands
And for months they could but wonder
Did he die by human hands?

So they dug his grave and laid him
On his back and crossed his hands
And his secret still is covered
By the Shifting, Whispering Sands

And his secret is still hidden
By the Shifting, Whispering Sands

This is what they always whisper to me
Out on the quiet desert air
Of the people and the cattle
And that miner lying there

So if you want to learn the secret
Wander through this quiet land
And I'm sure you'll hear the story
Of the Shifting, Whispering Sands

And I'm sure you'll hear the story
Of the Shifting, Whispering Sands

Also provided is a complete guide to recording availability and type and major composer, lyricists and musical conductor credits are given with an alphabetical list of cast members who sing on the recording. An exhaustive source for students and scholars of film history, film music and popular culture, this book will be a valuable addition to all university and public libraries. *Lines in the Sand* William E. Skuban, 2007. Skuban's study highlights the fabricated nature of national identity in what became one of the most contentious border disputes in South American history. **Crafting a Collection** Anna Shields, 2020-03-23. Compiled in 940 at the court of the kingdom of Shu, the *Huajian ji* is the earliest extant collection of song lyrics by literati poets. The collection has traditionally been studied as the precursor to the lyrics of the Song dynasty or in terms of what it contributed to the later development of the genre. But scholars have rarely examined the work as an anthology and have more often focused on the work of individual poets and their respective contributions to the genre. In this book, Anna Shields examines the influence of court culture on the creation of the anthology and the significance of imitation and convention in its lyrics. Shields suggests that by considering the *Huajian ji* only in terms of its contributions to a later model, we unnecessarily limit ourselves to a single literary form and risk overlooking the broader influence of Tang culture on the *Huajian ji*. By illuminating the historical and literary contexts of the anthology, the author aims to situate the *Huajian ji* within larger questions of Chinese literary history, particularly the influence of cultural forces on the emergence of genres and the development of romantic literature.
