HE NEW BIOGRAPHY

Lytton Strachey The New Biography

Michael Holroyd

Lytton Strachey The New Biography:

Lytton Strachey Michael Holroyd,1995 When Michael Holroyd s life of Strachey appeared in 1967 it changed the course of modern biography setting a new standard for the recounting of literary lives and launching the enduring Bloomsbury revival In the 1960s however many of Strachey s friends and lovers were still alive much could not be said and access to letters and resources was restricted Since then almost all his circle has died and homosexuality in England has been decriminalized In telling Strachey s life anew Holroyd has drawn on a wealth of previously unavailable material bring fresh candor and accuracy to his account of Strachey s friendships with E M Forster Virginia and Leonard Woolf Duncan Grant and Vanessa Bell Ralph and Frances Patridge and his companion Dora Carrington among others In many of Bloomsbury s three cornered relationships Holroyd could lay claim to only two sides of the triangle Now he has all three with which to recount the story of this extraordinary man and his complex world At the center of the drama is the long lasting relationship between Strachey and Carrington and their Triangular Trinity of Happiness with Ralph Partridge In equally elegant and humorous prose Holroyd shows the parts that many men and women played in this comedy of manners as it developed into a tragedy

Lytton Strachey: The New Biography Michael Holroyd,2005-12-17 A triumphant success His prose is confident clear occasionally perfect Dennis Potter The Times London It is impossible to suppose that this Life will ever be superseded the best literary biography to appear for many years John Rothenstein New York Times Written with vivacity and scrupulousness Michael Holroyd has a great novelist s sense of the obstinate mystery of the human person George Steiner The New Yorker

Lytton Strachey Michael Holroyd, 2011 A triumphant success His prose is confident clear Lytton Strachev ,1974 occasionally perfect Dennis Potter The Times London Lytton Strachey Michael Holroyd, 1973 Lytton Strachey Michael Lytton Strachev Michael Holroyd, 1967 Lytton Strachev Michael Holroyd, 1968 Lytton Strachev Holrovd, 1967 by Himself Lytton Strachey, 1971 Lytton Strachev and the "new Biography" Michael E. Yoss, 1993 Unpublished Works of Lytton Strachey Todd Avery, 2017-09-29 A core member of the Bloomsbury Group Lytton Strachey 1880 1932 is recognized for his radical influence on the new school of psychological biography This volume collects for the first time Strachey's previously unpublished essays dialogues and stories **High and Low Moderns** Maria DiBattista, Lucy The Biographer and the Subject Rana Tekcan, 2010-03-01 A good biography is a McDiarmid,1996 Publisher description well staged illusion It creates on paper a vivid rounded and immediate sense of lived life In contrast to purely fictional forms biography writing does not allow total freedom to the biographer in the creative act Ideally a biography s backbone is formed by accurate historical facts But its soul lies elsewhere Since the concern is life something more is needed Nothing dry cold or dead but a vibrant impression of life that is left in the air after one turns over the last page But how does a biographer do it The way a biographer creates a subject is largely dictated by the historical distance between them There are three types of distance in biographical writing First where the biographer and the subject personally know one another second where the

biographer is a near contemporary of the subject and third where biographer and subject are distinctly separated in some cases by hundreds of years Tekcan explores how some of the most accomplished biographers manage to recreate life across time and space She closely examines Samuel Johnson's Life of Mr Richard Savage James Boswell's Life of Samuel Johnson Lytton Strachey s Eminent Victorians Michael Holroyd s Lytton Strachey Park Honan s Jane Austen and Andrew Motion s The Cambridge History of Twentieth-Century English Literature Laura Marcus, Peter Nicholls, 2004 Publisher **Biofiction and Writers' Afterlives** Bethany Layne, 2020-06-25 The twelve essays collected in this work Description explore the afterlives of nineteenth and twentieth century writers in biographical fiction or biofiction and its sister genre the biopic The essays situate these genres in relation to their generic cultural and ideological contexts and are organised into four groups The first locates the origins of biofiction in the historical novel and in Modernist experiments in life writing while the second consists of case studies of biofiction about writers from the long nineteenth century Charlotte Bront Henry James Constance Fenimore Woolson and Rupert Brooke A guest essay by novelist Maggie Gee opens the third group which analyses the fertile sub genre of biographical novels about Woolf while the fourth and final part of the book concerns the related genre of the biopic The volume is comprised entirely of original commissions whose authors include postgraduate students practitioners and specialists in biographical writing It will appeal to undergraduates and postgraduates on life writing and contemporary literature modules as well as fans of the featured biographical novelists and their subjects Michael Holroyd, 1964 Bloomsbury and France Mary Ann Caws, Sarah Bird Wright, 1999-12-02 Bloomsbury on the Mediterranean is how Vanessa Bell described France in a letter to her sister Virginia Woolf Remarking on the vivifying effect of Cassis Woolf herself said I will take my mind out of its iron cage and let it swim Complete heaven I think it Yet until now there has never been a book that focused on the profound influence of France on the Bloomsbury group In Bloomsbury and France Art and Friends Mary Ann Caws and Sarah Bird Wright reveal the crucial importance of the Bloomsbury group s frequent sojourns to France the artists and writers they met there and the liberating effect of the country itself Drawing upon many previously unpublished letters memoirs and photographs the book illuminates the artistic development of Virginia and Leonard Woolf Clive Bell David Garnett E M Forster Lytton Strachey Dora Carrington and others The authors cover all aspects of the Bloomsbury experience in France from the specific influence of French painting on the work of Roger Fry Duncan Grant and Vanessa Bell to the heady atmosphere of the medieval Cistercian Abbaye de Pontigny the celebrated meeting place of French intellectuals where Lytton Strachey Julian Bell and Charles Mauron mingled with writers and critics to the relationships between the Bloomsbury group and Henri Matisse Pablo Picasso Gertrude Stein Andre Gide Jean Marchand and many others Caws and Wright argue that Bloomsbury would have been very different without France that France was their anti England a culture in which their eccentricities and aesthetic experiments could flower This remarkable study offers a rich new perspective on perhaps the most creative group of artists and friends in the 20th century

Queering the Moderns NA NA,2016-04-30 In Queering the Moderns Anne Herrmann revisits the narrative of literary modernism and the historical uses of the term queer to explore the emergence of identities specific to modernism Queer in the modernist period 1910 1945 means strange odd out of sorts and although it begins to refer to those who are queer sexually it does not yet police a hetero homosexual divide It means crossing boundaries in unexpected directions across the Atlantic across the color line across literary conventions that dictate autobiographies can t be written by someone else Six memoirs that rely on cross gender and cross racial identifications are discussed within their specific cultural contexts so that female aviators Amelia Earhart and Beryl Markham lesbian auto biographers Virginia Woolf and Gertrude Stein and male auto ethnographers James Weldon Johnson and Earl Lind Ralph Werther begin to queer the traditional spaces of modernism

Posthumous Lives Bette London, 2022-04-15 Posthumous Lives explores the shifting significance of public and private efforts to commemorate British soldiers killed in World War I as well as the less well remembered casualties of the war including Voluntary Aid Detachments nurses conscientious objectors civilians and soldiers executed for desertion or cowardice and the compelling hold the First World War has had on the British imagination for more than a century By using the concept of the posthumous life the attempt to extend the presence of the dead into the lives of the living Bette London demonstrates how this idea came to shape Britain's First World War memory practices and rituals London draws on a diverse range of source materials from sentimental memorabilia books commissioned by bereaved families and canonical works of literature and art by Virginia Woolf Wilfred Owen and Sir Edwin Lutyens to centenary memorials and commemorative art installations to uncover the surprising connections between memorialization practices war writing and modernism Spanning the century from the middle of World War I to its centenary celebrations Posthumous Lives illuminates in a deeply moving narrative how the dead are remembered to meet the shifting needs of the living The Oxford English Literary History: <u>Volume 10: 1910-1940: The Modern Movement</u> Chris Baldick, 2005-11-10 This exciting new volume provides a freshly inclusive account of literature in England in the period before during and after the First World War Chris Baldick places the modernist achievements of Virginia Woolf T S Eliot and James Joyce within the rich context of non modernist writings across all major genres allowing high literary art to be read against the background of low entertainment Looking well beyond the modernist vanguard Baldick highlights the survival and renewal of realist traditions in these decades of post Victorian disillusionment Ranging widely across psychological novels war poems detective stories satires and children s books The Modern Movement provides a unique survey of the literature of this turbulent time
