Christian van Gorder, Lewis T. Tait, 2025-03-31 Stock worn exhausted and generalized diatribes against racism litter the American horizon Instead of reiterating these arguments the authors of *Normalcy Never Again* share fresh constructive and proactive perspectives in hopes of reinvigorating our nation's ongoing conversation about racist oppression This book is at times personal and painfully honest but it is always passionate about telling the truth and forging pathways forward through specific challenges met with Afrocentric solutions Readers will gain not only a renewed challenge rooted in heuristic insights but also a greater degree of historical insight intercultural understanding and sturdy non artificial hope

The SAGE Encyclopedia of African Cultural Heritage in North America Mwalimu J. Shujaa, Kenya J. Shujaa, 2015-07-13 The *Encyclopedia of African Cultural Heritage in North America* provides an accessible ready reference on the retention and continuity of African culture within the United States Our conceptual framework holds first that culture is a form of self knowledge and knowledge about self in the world as transmitted from one person to another Second that African people continuously create their own cultural history as they move through time and space Third that African descended people living outside of Africa are also contributors to and participate in the creation of African cultural history Entries focus on illuminating Africanisms cultural retentions traceable to an African origin and cultural continuities ongoing practices and processes through which African culture continues to be created and formed Thus the focus is more culturally specific and less concerned with the broader transatlantic demographic political and geographic issues that are the focus of similar recent reference works We also focus less on biographies of individuals and political and economic ties and more on processes and manifestations of African cultural heritage and continuity FEATURES A two volume A to Z work available in a choice of print or electronic formats 350 signed entries each concluding with Cross references and Further Readings 150 figures and photos Front matter consisting of an Introduction and a Reader's Guide organizing entries thematically to more easily guide users to related entries Signed articles concluding with cross references *Sankofa*, 2002 **Routledge** **Handbook of African Media and Communication Studies** Winston Mano, Viola C. Milton, 2021-02-12 This handbook comprises fresh and incisive research focusing on African media culture and communication The chapters from a cross section of scholars dissect the forces shaping the field within a changing African context It adds critical corpora of African scholarship and theory that places the everyday world's needs and uses of Africans first The book goes beyond critiques of the marginality of African approaches in media and communication studies to offer scholars the theoretical and empirical toolkit needed to start building critical corpora of African scholarship and theory that places the everyday world's needs and uses of Africans first Decoloniality demands new epistemological interventions in African media culture and communication and this book is an important interlocutor in this space In a globally interconnected world changing patterns of authority and power

pose new challenges to the ways in which media institutions are constituted and managed as well as how communication and media policy is negotiated and the manner in which citizens engage with increasing media opportunities The handbook focuses on the interrelationships of the local and the global and the concomitant consequences for media practice education and citizen engagement in today's Africa Altogether the book foregrounds convivial epistemologies relevant for locating African media and communication in the pluriverse This handbook is an essential read for critical media communications cultural studies and journalism scholars
