*Machik's Complete Explanation* Sarah Harding, 2013-05-14 Fear anger and negativity are states that each of us have to contend with. Machik's Complete Explanation, the most famous book of the teachings of Machik Lapdr n the great female saint and yogini of eleventh to twelfth century Tibet, addresses these issues in a practical direct way. Machik developed a system, the Mahamudra Ch d, that takes the Buddha's teachings as a basis and applies them to the immediate experiences of negative mind states and malignant forces. Her unique feminine approach is to invoke and nurture the very demons that we fear and hate, transforming those reactive emotions into love. It is the tantric version of developing compassion and fearlessness, a radical method of cutting through ego fixation. This expanded edition includes Machik Lapdr n's earliest known teaching, the original source text for the tradition, The Great Bundle of Precepts on Severance Ch d. This pithy set of instructions reveals that the teachings of the perfection of wisdom are the true inspiration for Ch d. It is beautifully clarified in a short commentary by Rangjung Dorje, the Third Karmapa. [Machik's Complete Explanation](#) Ma-gcig Lab-sgron, 2003

Cupchik, 2024-02-01 The Sound of Vultures' Wings offers the first in-depth exploration of the music of the Tibetan Ch d tradition, which is based on the liturgical song poems of the twelfth century Tibetan female ascetic Machik Labdr n 1055-1153. Ch d is a musical meditative Vajrayana method for cutting off the root of suffering, namely egoic identification with the body or the belief that the I is the locus of the self. Ch d is regarded by many Tibetan Lamas as one of the most effective Buddhist practices for spiritual and social transformation. Jeffrey W. Cupchik details the significance of the complex interwoven performative aspects of this meditative ritual and explains how its practice can bring about experiences of insight and inner transformation. In doing so, he undoes the notion of meditation as exclusively an experience of silence and stillness.

**Severance** Jamyang Gonpo, 2025-07-22 An ancient Buddhist guide to confronting difficult circumstances and letting go of clinging to the ego Severance or Cho is the Tibetan Buddhist practice of facing one's fears In three remarkable texts lucidly translated and introduced by Sarah Harding the thirteenth century Severance master Jamyang Gonpo shares advice that goes straight to the heart of both understanding and experiencing the practice For hundreds of years Severance has remained essentially an instruction on coping with stressful situations that provoke fear and beyond that a way to actively seek out such circumstances in order to test one's realization of perfect wisdom The single overall directive of the first two texts in this volume the Heart Essence of Profound Meaning root verses and their commentary The Big General Guide to Severance is to seek out and directly confront difficult circumstances Here these difficulties are often anxieties related to spirits in the dark of night in haunted places This practice acts as a means to recognize emptiness the lack of intrinsic existence of all phenomena as well as a testing ground of one's former realizations and studies of that emptiness from the Perfection of Wisdom The texts are notable for their lack of instruction on ritualized Severance involving body sacrifice which later works emphasize in these texts the heart of Severance is letting go of clinging to the self and reification of existence And as Jamyang Gonpo was just a generation removed from Machik Labdron the main progenitor of Severance his methods seem to be closest to her actual teachings The third translation in this volume The Seven Day Severance Retreat Experiential Guide is a very concise and precise instruction on putting the main intentions of the teachings into practice in the setting of a one week retreat The instructions are striking in that they contain no rituals visualizations deities instruments or liturgies Jamyang Gonpo shows us how to turn our attention to the very mind of this person who is experiencing fear and the object of that fear whether fear about demons or sickness or suffering to see them for what they are In doing so we find that joys and sorrows highs and lows powers of gods and demons and demonic obstacles are all mind made
