Marriage Breakdown and Divorce Law Reform in Contemporary Society S. Jaffer Hussain, 1990 Marriage Breakdown and Divorce Law Reform in Contemporary Society Syed Jaffer Hussain, 1983 The Transformation of Family Law Mary Ann Glendon, 1989 Mary Ann Glendon offers a comparative and historical analysis of rapid and profound changes in the legal system beginning in the 1960s in England France West Germany Sweden and the United States while bringing new and insightful interpretation and critical thought to bear on the explosion of legislation in the last decade Glendon is generally acknowledged to be the premier comparative law scholar in the area of family law This volume which offers an analytical survey of the changes in family law over the past twenty five years will burnish that reputation Essential reading for anyone interested in evaluating the major changes that occurred in the law of the family And of serious interest to those in the social sciences as well James B Boskey Law Books in Review Poses important questions and supplies rich detail Barbara Bennett Woodhouse Texas Law Review An impressive scholarly documentation of the legal changes that comprise the development of a conjugally centered family system Debra Friedman Contemporary Sociology She has painted a portrait of the family in which we recognize not only ourselves but also unremembered ideological forefathers It sends our thoughts out into unexpected adventures Inga Markovits Michigan Law Review *Family Law in the Twentieth Century* Stephen Michael Cretney, 2003 The law governing family relationships has changed dramatically in the course of the 20th century and this book drawing extensively on both published and archival material and on legal as well as other sources gives an account of the processes and problems of reform Marriage Breakdown And Divorce Law Reform In Contemporary Society : A Comparative Study Of Usa, Uk And India S. Jaffer Hussain, 1983 **FAMILY LAW NON-MUSLIM IN MALAYSIA: SECOND EDITION (IIUM PRESS)** Norlia Ibrahim, Najibah Mohd Zin, Nora Abdul Hak, Roslina Che Soh, Noraini Md. Hashim, Azizah Mohd, Normi Abd. Malek, Mohd Hisham Mohd Kamal, 2024-01-04 The second edition of Family Law Non Muslims in Malaysia is generally an improved version from the first edition which was published ten years ago and heavily referred to by law students as a textbook It discusses the substantive family laws related to the non Muslims in Malaysia which are based on the Law Reform Marriage and Divorce Act 1976 and several other supplementary statutes Besides updating the previous chapters on family law matters the book updates the global concern on the appropriate law when dealing with family related disputes in the 21st century The new topics on reconciliation and mediation are incorporated to emphasise the need for therapeutic intervention when dealing with personal relationships and encourage kindness even in the most difficult of circumstances which can have significant longer term consequences and lead to higher levels of considerate behaviour The philosophy of family love and kindness must be well embraced by family law lawyers judges and administrators of family law in the adjudication process The book is jointly authored by family law lecturers at the Ahmad Ibrahim Kulliyah of Laws International Islamic University Malaysia It will benefit not only students academics and

practitioners but also those in the legal fraternity and those who have interest in non Muslims family law in Malaysia Finally this book could not have been published without a great deal of help and encouragement from many sources Modern

Indian Family Law Werner Menski,2013-12-16 This text presents an overview of the major issues and topics in current developments in Indian family law Indian law has produced a number of very important innovations in the past two decades which are also highly instructive for law reform debates in western and other jurisdictions Topics discussed are marriage divorce polygamy maintenance property and the Uniform Civil Code *Women of India* Harshida Pandit,2017-04-07 The

status and position of Indian women have undergone many changes since the high status they enjoyed in the Vedic era yielded to forced suicide during the dark ages female infanticide purdah child marriages and the denial of property and political rights This book first published in 1985 provides a comprehensive annotated bibliography to those years and the years that followed of the relentless liberation struggle by women on the socio political and legal fronts **Family Law and**

Personal Life John Eekelaar,2006-11-30 How should our most intimate personal relationships be governed in a liberal society Should the state encourage a particular model of family life or support individuals in their pursuit of personal happiness To what extent do people have the right to shape the lives of their offspring This book examines the questions at the heart of family law rethinking the ideas that shape our understanding of the family as a social unit its purpose and the obligations and rights that belong to family members The book explores how the governance of personal relationships has depended on the exercise of power from the traditional assumptions of patriarchy where the male head of the family enjoyed full control over his dependents and descendants to the ideology of welfarism where state institutions protect the interests of the vulnerable at the expense of their close relations Emerging from these conflicting ideologies comes today's rights based culture where traditional expectations for behaviour within a family sit within a new emphasis on the ability of minorities and traditional dependents to determine the shape of their own lives Against this background of shifting power relations the book explores the interrelationship between the legal regulation of people's personal lives and the values of friendship truth respect and responsibility In doing this a variety of controversial issues are examined in the light of those values including the legal regulation of gay and unmarried heterosexual relationships freedom of procreation state supervision over the exercise of parenthood the role of fault in divorce law the way parenthood is allocated the rights and responsibilities of parents to control their children the place of religion in the family the rights of separated partners regarding property and of separated parents regarding their children Throughout the book offers a new picture of the intimacy at the centre of personal relationships and argues that only by understanding this intimacy and its role in human happiness can we arrive at a true framework for respecting and governing the personal lives of other people **Family Law and the Indissolubility of**

Parenthood Patrick Parkinson,2011-02-21 There are few areas of public policy in the Western world where there is as much turbulence as in family law Often the disputes are seen in terms of an endless war between the genders Reviewing

developments over the last 30 years in North America Europe and Australasia Patrick Parkinson argues that rather than just being about gender the conflicts in family law derive from the breakdown of the model on which divorce reform was predicated in the late 1960s and early 1970s Experience has shown that although marriage may be freely dissoluble parenthood is not Dealing with the most difficult issues in family law this book charts a path for law reform that recognizes that the family endures despite the separation of parents while allowing room for people to make a fresh start and prioritizing the safety of all concerned when making decisions about parenting after separation
