International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences, 2002 *Voices of the New Springtime* Fellowship of Catholic Scholars. Convention, 2004 What is the future of the Catholic Church in America This book provides a very informed answer to this question by collecting the various addresses delivered at the 25th annual convention of the Fellowship of Catholic Scholars on the subject of the new springtime of the Catholic faith so tirelessly preached by Pope John Paul II The conference was keynoted by Avery Cardinal Dulles S J who at this point in his life is surely the dean of contemporary American Catholic theologians His considered view of the Church's future the springtime is ably supplemented by contributions from such veteran scholars as Elizabeth Fox Genovese of Emory University and Robert P George of Princeton writing on the subject of women in the Church and religious liberty respectively Younger figures such as Pia De Solenni of the Family Research Council and National Review's Kathryn Jean Lopez add different perspectives on women again and on how the Church is impacted by the modern media Among other speakers is the president of the Catholic University of America dealing with Catholic higher education as it is encountered today The book thus features an up to date take on where the Catholic Church is headed today provided by very knowledgeable observers The Catholic Citizen Fellowship of Catholic Scholars.
