Herrmann, Daniel L. Mattson, Christopher B. Brown, Günter Frank, Bruce Gordon, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Zsombor Tóth, Günther Wassilowsky, Siegrid Westphal, 2018-05-14 The book honours the Rev Dr Robert A Kolb retired Director of the Institute for Mission Studies and Missions Professor in systematic theology at Concordia Seminary St Louis and perhaps the leading authority on the development of Wittenberg Theology in the English speaking world At the same time his teaching and writing which continues without flagging has emphasized the importance of translating and retranslating the historic Lutheran faith in terms that address contemporary issues and contemporary people In this volume colleagues and co workers address and push forward Kolb insights into the history of the Reformation era and on the impact of those Reformation issues and

quarrels on the life of the church in the world today With contributions by Charles Arand L ubomir Batka Amy Nelson Burnett Irene Dingel Mary Jane Haemig Scott Hendrix Erik Herrmann Werner Kl n David Lumpp Mark Mattes Daniel Mattson Richard Muller Paul Robinson Robert Rosin and Timothy Wengert **Christian Understandings of Creation** Denis Edwards,2017-11-01 Throughout the two thousand year span of Christian history believers in Jesus have sought to articulate their faith and their understanding of how God works in the world How do we as we examine the vast and varied output of those who came before us understand the unity and the diversity of their thinking How do we make sense of our own thought in light of theirs **Restore Unity, Recover Identity, and Refine Orthopraxy** Peter L. H. Tie,2012-01-16 Doctrine divides Not a few Christians dread doctrine especially the doctrine of the church ecclesiology that allegedly causes much confusion conflict and controversy within the church Many choose to avoid it but James Leo Garrett Jr Distinguished Professor of Theology Emeritus at Southwestern Baptist Theological Seminary is convinced that the much avoided and neglected ecclesiology is the place where the churches must begin to rediscover genuine unity identity and orthopraxy Restore Unity Recover Identity Refine Orthopraxy examines Garrett s biblical notion of the universal priesthood The priesthood concept properly understood in a communal sense integrates the mission membership ministry and management of the church This book is filled with intentional and direct conversations with more than twelve theologians or ecclesiologists from various Christian traditions Reformed Pentecostal Roman Catholic Mennonite Baptist and other Free Church in order to shed light on Garrett s believers priesthood doctrine which eventually points toward a balanced biblical and baptist ecclesiology An ecclesiology rooted in the biblical priesthood does not divide and extinguish but does unite and distinguish [The Promise of Martin Luther's Political Theology](#) Michael Richard Laffin,2016-10-20 Michael Laffin demonstrates the promise of Martin Luther s thought for contemporary political theology by showing how Luther has been over determined in standard genealogies of modernity which frequently deafen us to his unique contribution Laffin argues that contemporary theologians have typically followed a narrative derived from the work of a previous generation of political historians and philosophers which tend to screen out or distort the Reformers contribution to political theory Common to these narratives are charges against Luther for his perceived univocal and nominal ontology resulting in a privatized and spiritualized Christianity thus falsely dividing the world into autonomous spheres Additionally the narratives claim that Luther follows in the wake of voluntarism leading to an insistence on human passivity that leaves no room for pagan virtue Thus politics is reduced to an authoritarian imposition of order In contrast to the dominant narratives of political modernity Laffin re examines these narratives by focusing on the political significance of areas in Luther s corpus often neglected in contemporary accounts of his political thought especially his commentaries on Scripture and writings on the sacraments Attention to these writings brings forth the crucial themes of the two ecclesiae and the three institutions Constructively these themes are deployed in critical engagement with contemporary political theology particularly as represented in Radical Orthodoxy and the new

Augustinianism A Scandalous Freedom Steve Brown, 2009-11-24 A reader's delight A Scandalous Freedom sometimes shocks with challenges to prevailing wisdom but it follows up with compelling validations of our need to celebrate real unstinted freedom in Christ Christians do not trust freedom As author Steve Brown explains in this brave new book they prefer the security of rules and self imposed boundaries which they tend to inflict on other Christians Brown asserts that real freedom means the freedom to be wrong as well as right Christianity often calls us to live beyond the boundaries bolstered by the assurance that we cannot fall beyond God's love Freedom is dangerous but the alternative is worse boxing ourselves up where we cannot celebrate our unique gifts and express our joy in Christ Each of the book's eleven chapters explores a common pharisaic freedom stifling tendency then opens the door to the fresh air of a remedial liberty **Martin Luther** Martin Tangel, 2003 Martin Luther only meant for his 95 Theses to spark debate and hopefully a few changes in the Catholic Church Instead they changed the face of world history sparking decades of violent religious conflict and war amongst the nations and peoples of Europe Luther was a Catholic cleric whose chief problem with the Church was the practice of selling indulgences Church leaders though would not sanction debate with him and excommunicated Luther His cause was then championed by varied European royals who saw the chance to break from the Catholic Church and take control of valuable land As the Protestants separated from the Catholic Church they also split from each other into denominations like Lutheran Anglican and Calvinist All of this was more than Luther sought or likely even wanted But the Reformation remains a seminal moment in Western indeed world history and Martin Luther is its father This book presents an overview of Martin Luther's life and his impact on Christianity and the face of the world Following that is a list of carefully selected citations of literature about Luther and the religious change he spawned Easy access is finally provided via author title and subject indexes

The Oxford Handbook of Martin Luther's Theology Robert Kolb, Irene Dingel, Lubomir Batka, 2014 A comprehensive look at the background and context the content and the impact of Martin Luther's Theology written by an international team of theologians and historians Martin Luther on Reading the Bible as Christian Scripture William M. Marsh, 2017-07-17 Above all else that the sixteenth century German Reformer was known for Martin Luther was a Doctor of the Holy Scriptures One of the most characteristic features of Luther's approach to Scripture was his resolved christological interpretation of the Bible Many of the Reformer's interpreters have looked back upon Luther's Christ centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization particularly in regards to Luther's approach of the Old Testament dismissing his relevance for today's faithful readers of God's Word This study revisits this assessment of Luther's christological interpretation of Scripture by way of critical analysis of the Reformer's prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular This work contends that Luther foremost believes Jesus Christ to be the *sensus literalis* of Scripture on the basis of the Bible's messianic promise not enforcing a dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them This study asserts that Luther's exegesis of

the Bible's letter i.e. his engagement with the biblical text is primarily responsible for his conviction that Christ is Holy Scripture's literal sense

Companion to the Old Testament Hywel Clifford, 2016-11-03 This book offers guidance and enrichment for first time and experienced readers of the Old Testament

Mission Shaped by Promise Jukka A. Kääriäinen, 2012-10-03 Utilizing resources from Martin Luther and the Lutheran tradition this study offers an understanding of the gospel as promise as key to addressing the challenge of relating the *missio Dei* to a generous constructive approach toward the religious other In its construction of a Lutheran missiology it retrieves and reappropriates four resources from the Lutheran tradition the gospel as promise the law gospel distinction a theology of grace as promise of mercy fulfilled and a theology of the cross utilizing the hiddenness of God The law of God as accusing yet webbing humanity to its Creator the gospel as the comforting promise of mercy and the hiddenness of God as mystifying form the overarching framework within which the Lutheran missiology presented here seeks to engage the religious other by dialectically relating gospel proclamation and dialogue Such a view of mission shaped by promise offers the paradox of God being both revealed and hidden in the cross as a distinctive contribution to an interreligious dialogue centered on the ambiguity and hiddenness of God

Thriving in Babylon David B. Capes, J. Daryl Charles, 2011-01-01 This delightfully multifaceted volume comprised of thoughtful essays by an esteemed array of cultural critics probes the intersection of Christian faith and culture to honor the memory of A J Chip

Conyers a remarkably ecumenical Christian scholar and cultural warrior whose premature death in 2004 cut short a remarkable career in teaching and writing As those who knew him can attest Conyers lived his life at the intersection of Christian theology and cultural concern with a singular blend of astuteness gracefulness and Christian conviction This festschrift as esteemed theologian and Conyers s mentor Jurgen Moltmann indicates in the foreword is intended to mirror Conyers s own commitment to incisive cultural criticism and theological faithfulness in the mold of the great tradition This is no small achievement even for so venerable a cast of scholars as the contributors to this volume as Conyers crossed interdisciplinary boundaries in a day of escalating hyper specialization with the greatest of ease He was comfortable discussing contemporary church life or the christological controversy of the patristic era Heideggerian hermeneutics or human dignity and the imago Dei faith and the Enlightenment or the fatherhood of God Catholic substance or Protestant reform Yet Conyers always did this through the lens of historic Christian orthodoxy Though he was a most incisive student of culture in a most refreshing way he steered clear of being co opted by the currents of culture Neither retreating into pious devotionism nor opting for the theologically unreflective activism that has become so chic in our post consensus climate he embodied a theological perspective that blends responsible cultural engagement with eschatological hope The reader is sure to encounter the same blend in this festschrift and to come away both challenged and edified toward fulfilling the message and hope of Conyers life and work to faithfully thrive in Babylon

Lutheran Tradition as Heritage and Tool Niclas Blåder,2015-09-23 All of the member churches of the Lutheran World Federation LWF are related to Lutheran theology in one way or another However that does not mean they act similarly or draw the same conclusions about any particular issue Rather Lutheran churches around the globe display great diversity This book has its background in a study of five Lutheran churches the ILCO in Costa Rica the IECLB in Brazil the ELCI in Iceland the FLM in Madagascar and the HKBP in Indonesia It addresses the questions of how the Lutheran heritage today is expressed in different churches and what is the role of Lutheran theology in how they handle their respective situations The churches in this study share with other churches the need to handle dilemmas such as the relations between community and pluralism openness and particularity power and servanthood and closeness to culture and being an alternative to culture In doing this they use their culture and history as well as their Lutheran heritage as tools

Luther@500 and Beyond ATF Press,2019-09-13 The Luther 500 anniversary may be behind us but Luther stands ahead of us in many ways The essays in this volume by an international group of scholars begin with a contextual discussion of Luther s definitive contribution to the Wittenberg Reformation and its significance for us today New light is shed on old issues across a range of topics But these essays do not stay in the past Many also engage critically with contemporary issues in Luther interpretation and a few boldly trace the trajectory of Luther s reformational theology into the future

The Work of Faith Justin Nickel,2020-08-31 Many scholars assume that Luther advocates for a Christian life in which human beings are always passive recipients of God s grace as it is delivered in preaching and mere

instruments through which God works to serve their neighbors The Work of Faith Divine Grace and Human Agency in Martin Luther s Preaching offers a different reading of Luther s views on human agency by drawing on a fresh source Luther s preaching Using Luther s sermons in the Church Postil as a primary source Justin Nickel argues that Martin Luther preached as though Christians have real if secondary agency in the lives they lead before God and neighbor As a result Nickel presents a Luther substantively concerned with how Christians lead their lives
