Moon Shrine The Dark Fluke:

Moon James Herbert, 1992 **James Herbert - The Authorised True Story 1943-2013** Craig Cabell, 2013-08-05

James Herbert reigned supreme as Britain's undisputed master of horror before his death in March 2013. But his legacy lives on in this fully authorised work. Craig Cabell examines the story behind horror writing's most darkly brilliant mind. For almost 40 years Herbert was Britain's most popular horror author. With sales of over 50 million copies he carved a niche in quality bestselling fiction all of his own. Famous for his Rats trilogy and *The Fog* he broke away from the cut and thrust populist horror novels of the 1970s and 80s to more thought provoking works featuring the scientific reasoning behind the manifestations of the ghosts and spirits in which he truly believed. Books such as *Others*, *Once* and *The Secret of Crickley Hall* bear testament to his growth as a writer and his continuing desire to chill his readers. Craig Cabell's exploration into the dark sinister world of James Herbert is given incredible depth thanks to a series of over a dozen exclusive candid interviews. Drawing striking parallels between Herbert's career and the events of his life this work sheds light on the personal demons which drove the boy from London's East End to become the pre eminent horror writer of his generation. Cabell a friend and confidant of Herbert's until the very end shares personal correspondence and reminiscences including one of Herbert's previously unpublished pieces entitled *To Ye All* to complete a portrait of one of the most iconic authors of the 20th Century. Prepare to be gripped by the utterly absorbing last chapter in the life of the Master of Chills *Science Fiction, Fantasy, & Horror*, 1988. A comprehensive bibliography of books and short fiction published in the English language *Moon* James Herbert, 2011-05-11. The nightmare begins before you sleep. By the Master of Horror James Herbert's *Moon* follows Jonathan who fled from the terrors of his past finding refuge in the quietness of the island. And for a time he lived in peace. Until the sightings began visions of horror seeping into his mind like poisonous tendrils violent acts that were hideously macabre the thoughts becoming intense. He witnessed the grotesque acts of another thing a thing that glorified in murder and mutilation a monster that soon became aware of the observer within its own mind. And relished contact. A creature that would eventually come to the island to seek him out **Dark Dreamers** Stanley Wiater, 2018-08-26. Winner of the Bram Stoker Award for Superior Achievement in Non Fiction. *THE DREAMSPINNERS WHO WEAVE NIGHTMARES*. They lead us through wondrous doors to the dark side of imagination exposing our most carefully hidden fantasies and our deepest fears. Now twenty six of the world's premier Maestros of the Macabre share their secrets their goals their creative terrors and reveal the voices that called them into a shadowworld of demons and devils.
