National Urban Policy Problems And Prospects:

National Urban Policy Harold Wolman, Elizabeth J. Agius, 1996 This work examines urban problems issues and policy approaches in the United States It questions whether President Nixon s National Urban Policy Report of 1972 used by subsequent administrations as a policy viewpoint could be made into a more useful document for reflecting urban concerns

The National Urban Growth Policy Charles Warren Hanke, 1971 The Future of National Urban Policy Marshall Kaplan, Franklin J. James, 1990 The Future of National Urban Policy brings together scholars policymakers and journalists to explore the condition of America s cities The authors focus on policies of the previous five presidential administrations to examine the history of urban policy and offer suggestions for its future Individual chapters address a variety of topics including housing employment education the infrastructure of cities and public policy **Intergovernmental Relations in the 1980's** United States. Congress. Joint Economic Committee, 1983 The Social Divide Margaret Weir, 1998-02-01 A Brookings Institution Press and Russell Sage Foundation publication The extraordinary swings in the scope and content of the policy agenda during the first Clinton administration revealed a fundamental partisan divide over the social role of the federal government This book argues that the recent conflicts over social policy represent key elements in strategies that parties designed in an attempt to consolidate their hold over the federal government Long frustrated by divided government each party exceeded its electoral mandate in hopes of enacting major policy reforms aimed to shift politics in their direction for the foreseeable future The book traces the overreaching and limited legislative success that characterized the first Clinton administration s approach to three distinctive features of politics and policymaking the polarization of political elites the predominance of advertising campaigns and intense interest group politics as political parties have ceased to mobilize ordinary people and the unprecedented role that budgetary concerns now play in social policymaking Although neither party managed to enact its major transforming agenda Congress did pass new policies most notably welfare reform that together with a host of other changes in the states and the private sector altered the landscape for social policy The poor have been the biggest losers as Democrats and Republicans have fought to win the middle class over to their vision of the future The authors first analyze the institutions and tools of policymaking including Congress the political use of public opinion polling

and the politics of the deficit They then consider policies designed to win over the middle class including health care policy employer provided social benefits wages and jobs and crime policy Last they address policies targeted at the disadvantaged including welfare affirmative action and urban policy In addition to the editor the contributors include John Ferejohn Lawrence R Jacobs Robert Y Sha *National Urban Policies in the European Union* Leo Van Den Berg,Erik Braun,Jan Van Der Meer,2018-12-20 First published in 1998 this collection of essays compares the implementation of urban policies in 15 different countries across the European Union with most articles contributors hailing from their subject nation The contributors include experts in geography and spatial town transport and urban planning and their contributions reflect fundamental changes in the economy technology demography and politics of European towns and cities They ask four main questions what the urban development pattern is what administrative and financial relations between national authorities and cities exist which issues the national authorities consider to be prominent and how this impacts on the national urban planning policies Through the provision of national perspectives they ask what can be learned through the comparison of how each region has tailored its perspective and strategy Hearings United States.
