The Only Begotten Son Of God According To Scripture, A New Christology Lee Anthony, 2021-12-12 Over 1200 years have passed since the Christian church declared the doctrine of the Trinity as the orthodox view for Christianity Long before the issue was debated in council the early followers of Yeshua knew and understood their Messiah and the God of Israel The early followers of Yeshua recognized him as the Messiah the only begotten son of God The Bible tells us over and again that Yeshua is the Only begotten son of God Do you believe this is true This book deals with the subject head on allowing the Bible to be its own interpreter and discarding doctrines created in councils of men and allowing scripture to speak in their place Lee Anthony is a Minister Husband Father Author and follower of Yeshua as Messiah Lee teaches from a Hebrew faith perspective *The Love of God Revealed through Jesus, The Only Begotten Son (II)* Rev. Crowther, 2023-07-17 Carefully crafted precisely written and fully documented this doctrinal resource assembles an abundance of meaningful new scriptural patterns Have any questions about the nature of the Godhead Look no further The Godhead New Scriptural Insights on the Father the Son and the Holy Ghost will not only answer your questions but it will also intrigue you with insights you may not have pondered before Christian beliefs about God attributes and physical natures of Godhead members individual insights on God the Son God the Holy Ghost and God the Father and the ultimate objectives of divinity New doctrines No they've been in the scriptures for centuries But profound new insights By the hundreds The Godhead shows historically and scripturally how allegorical interpretation methodologies of trinity advocates altered the major doctrines of Christianity causing them to discount the many literal biblical statements concerning the nature of God Other major contributions of The Godhead include its numerous insights on premortal events its compilation of hundreds of scriptures showing the physical nature of God and its in depth scriptural demonstration that Jesus is Jehovah More key insights treat the essential attributes of Godhead members their spirit nature their threeness and oneness relationships the varied fatherhood roles of Jesus Christ the nature of glory Christ's roles among the Gods and how mankind can attain Godhood Author Duane S Crowther is widely known for his indepth doctrinal studies on many topics including his books Prophecy Key To the Future Life Everlasting and Prophets and Prophecies of the Old Testament **God the Son** Randy Rheaume, 2018-08-10 John's portrait of Jesus is breathtaking yet bewildering In the first verse he's called God At the climax of the book he's worshiped as Lord and God 20 28 On the other hand he says he can't do a thing without the okay of his Father 5 19 30 How are we to understand this profound yet puzzling figure Uniquely equipped as both a New Testament scholar and engaging pastoral communicator Randy Rheaume shows how the contrasts in John's portrait of Jesus especially his deity and his sonship fit together and are meaningful and helpful for the Christian life Is Jesus really God If so what difference does it make How can he be God and yet in submission to God Why didn't he ever say I am God Worship me How does the Son's role differ from the Father's If God is more than one person how do prayer and worship work How can I know God better What will make eternity with God so fun that we'll never get bored Is the Trinity truly biblical And where does the Holy Spirit come into the picture Rheaume's exploration probes John's Gospel and provides profound insight into these and related questions **The Gnostics, the New Versions and the Deity of Christ** Jay P. Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the

attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ s goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it

A. Ironside,2006-07-05 This classic commentary series from one of the most creative and articulate expositors of the twentieth century is being reissued for a new generation **The Ministry of the Word, Vol. 23, No. 02** Various Authors,2019-02-01 This issue of The Ministry of the Word contains the nine messages given during the international training for elders and responsible ones held in Addis Ababa Ethiopia on October 4 through 6 2018 The subject of this series of messages is Propagating the Resurrected Ascended and All inclusive Christ as the Development of the Kingdom of God We are propagating a person the resurrected ascended and all inclusive Christ who is emphatically revealed in the book of Acts To propagate Christ is not merely to spread the truth concerning Him it is actually to reproduce Him just as a husband and wife propagate by bringing forth children who are the same as they are in life and nature Today we are the reproductions the increase of the resurrected Christ as the firstborn Son of God The propagation of Christ can be carried out only by His witnesses by those who have seen Him In the book of Acts the Lord charged His disciples to be His witnesses In the New Testament the meaning of witness is primarily to bear a living testimony of Jesus Christ in His crucifixion resurrection and ascension We need to live by the divine life in our human life so that we would be witnesses those who bear a living testimony of the resurrected and ascended Christ in our human life Through death Christ entered into another realm the realm of resurrection The reality of resurrection is the all inclusive life giving Spirit Thus the realm of resurrection is the realm of the Spirit which is also the divine and mystical realm We all have been begotten regenerated in Christ s resurrection and we all have been ushered into the same realm Moreover the church is in this realm the church exists in the realm of resurrection Christ s resurrection was the focus of the apostles testimony The Lord s ascension was His initiation into His living and ministry in the heavens this initiation brought Him into a new realm that is into the heavens where He now has His living and is ministering there Whereas resurrection is a matter of life Christ s ascension is a matter of position and position is a matter of authority The resurrected Christ is in the heavens executing God s administration The resurrected Christ ascended to the heavens to be exalted by God and to be given the kingship the lordship and the headship over all things The ascended Christ has also obtained the throne the glory and all the authority in the universe The ascended Christ is God s Anointed to carry out God s commission to work out the spreading of the gospel and the building up of the church The Christ revealed in Acts is the all inclusive Christ He is the Author of life God s Servant the Leader and Savior the Son of Man God

the Lord of all the Judge and the object of the believers faith The resurrected ascended and all inclusive Christ whom we are propagating is the kingdom and we are propagating Him as the development of the kingdom The development of the kingdom of God that is the kingdom of the divine life is the spreading of Christ as life into His believers to form a realm in which God rules in His life The kingdom of God is the main subject of the apostles preaching in Acts this is indicated by the fact that the resurrected Christ in His appearing to the apostles through a period of forty days spoke to them concerning the kingdom of God The kingdom of God is the Savior as the seed of life sown into His believers God s chosen people and developing into a realm over which God can rule as His kingdom in His divine life The entrance into the kingdom of God is regeneration and the development of the kingdom is the believers growth in the divine life The kingdom of God is the church life today in which the faithful believers live and it will develop into the coming kingdom as a reward to be inherited by the overcoming saints in the millennium Eventually the kingdom of God will consummate in the New Jerusalem as the eternal kingdom of God an eternal realm of the eternal blessing of God s eternal life which all of God s redeemed will enjoy in the new heaven and new earth for eternity What kind of Christ can be reproduced through us depends on what He is to us in reality If we know Him as resurrection and the power of resurrection and if we know Him in His heavenly ministry with His supreme authority realizing that He is the center of God s governmental administration in the universe we will announce and propagate this kind of Christ If we realize know experience and enjoy the all inclusive Christ spontaneously this Christ will be reproduced through us The Reports and Announcements section at the end of this issue contains a report entitled The Ministry of the Word Literature Exhibition Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe [The 100 Most Asked Questions about God and the Bible](#) S.
