Prayer And The Active Life:

Active Life and Contemplative Life Mary Elizabeth Mason, 1961 *The Art of Prayer* Martial Lekeux, 2008-07-17 The Art of Prayer **Contemplation and Freedom** Benedict R. Shoup, Mary Frohlich, 2025-04-22 How does prayer shape action How does sustained engagement in deep prayer shape our very freedom to act This volume explores the relationship between Christian contemplative prayer and the exercise of freedom Over the past half century the desire for a better integration of spirituality and theology has emerged as a significant theme in theological writing While the question of freedom has not been absent from this discourse this volume highlights it by bringing it to the very center of the conversation Eleven theologians explore the dialectical relationship between contemplation and freedom by engaging with a wide array of sources ranging from Maximus the Confessor to Edith Stein from Howard Thurman to Bernard Lonergan from the Tiberian martyrs to M Shawn Copeland This symphony of voices unveils the methodological fruitfulness of placing contemplative prayer at the center of life theory and practice *Albert & Thomas Simon Tugwell, 1988* Contains writings by two 13th century Dominicans both Doctors of the Church St Albert the Great 1200 1280 patron saint of natural scientists and the common doctor St Thomas Aquinas 1226 1274 both famous for their contributions to philosophy and theology *The Living Church*, 1951 *The Theology of Christian Perfection* Antonio Royo Marin, 2012-05-16 The best manual of spiritual theology which has appeared to date the most ordered and complete a true summa of spirituality This is a work of extraordinary informative value and yet possessing a notable doctrinal solidity This encomium of M M Philippon laudatory as it is does less than justice to this modern classic now at last appearing in English in a smooth readable translation and adaptation by Fr Aumann For in reality this is three books in one volume First of all this is a textbook a manual whose lucid and orderly presentation of the basic principles of the spiritual life of the supernatural organism and of its progressive development recommends it unreservedly for seminarians and other serious students of spiritual theology As Garrigou Lagrange points out the author's order has permitted him to treat all the important questions relative to perfection and to show clearly the basic unity of the Christian life Thorough and solid as it is however firmly based on the chief masters of the spiritual life St Thomas St John of the Cross and St Teresa of Avila this truly theological synthesis is set forth in clear and accessible form as its widespread popularity in Spain four editions in six years attests But *The Theology of Christian Perfection* is perhaps even more valuable as a work of spiritual formation It is an eminently practical manual of sound advice counsel and direction with respect to the increasingly fruitful use of the means negative and positive for advancing in perfection As such it will be immediately valuable for spiritual directors an indispensable aid for self formation and a work of precious merit for all souls desirous of spiritual advancement *Two Middle English Prayer Cycles* Ben Parsons, 2023-10-09 This book is the first critical edition of two fascinating but overlooked devotional texts Each shines its own light on medieval faith *The Holkham Prayers and Meditations* ca 1410 is a rare example of female authorship written by an unnamed woman to guide a religious sister Simon

Appulby s Fruyte of Redempcyon 1514 is more popular in aim composed by one of England s last anchorites to serve his urban community Both texts are accompanied by extensive notes and introductory essays to aid students and specialists alike
