student Frye's first impulse was always that of the cultural critic. The papers on Calvin Eliot Chaucer Wyndham Lewis and on the forms of prose fiction show Frye as precociously witty rigorous and incisive a gifted writer who clearly found his voice before his last undergraduate year. David Lodge wrote in the New Statesman: There are not many critics whose twenty year old book reviews one can read with pleasure and instruction but Frye is an exception to most rules. Northrop Frye's student essays provide pleasure and instruction through their comments on the Augustinian view of history on beauty truth and goodness on literary symbolism and tradition.
