John F. Cowan, Judge of the Second Judicial District* North Dakota. Legislative Assembly. Senate, 1911 Confederate General R.S. Ewell Paul D. Casdorph, 2014-07-15 Richard Stoddert Ewell is best known as the Confederate General selected by Robert E Lee to replace Stonewall Jackson as chief of the Second Corps in the Army of Northern Virginia Ewell is also remembered as the general who failed to drive Federal troops from the high ground of Cemetery Hill and Culp's Hill during the Battle of Gettysburg Many historians believe that Ewell's inaction cost the Confederates a victory in this seminal battle and ultimately cost the Civil War During his long military career Ewell was never an aggressive warrior He graduated from West Point and served in the Indian wars in Oklahoma Kansas New Mexico and Arizona In 1861 he resigned his commission in the U S Army and rushed to the Confederate standard Ewell saw action at

First Manassas and took up divisional command under Jackson in the Shenandoah Valley Campaign and in the Seven Days Battles around Richmond. A crippling wound and a leg amputation soon compounded the persistent manic depressive disorder that had hindered his ability to make difficult decisions on the battlefield. When Lee reorganized the Army of Northern Virginia in May of 1863, Ewell was promoted to lieutenant general. At the same time he married a widowed first cousin who came to dominate his life, often to the disgust of his subordinate officers, and he became heavily influenced by the wave of religious fervor that was then sweeping through the Confederate Army.

In *Confederate General R. S. Ewell*, Paul D. Casdorph offers a fresh portrait of a major but deeply flawed figure in the Confederate war effort, examining the pattern of hesitancy and indecisiveness that characterized Ewell's entire military career. This definitive biography probes the crucial question of why Lee selected such an obviously inconsistent and unreliable commander to lead one third of his army on the eve of the Gettysburg Campaign. Casdorph describes Ewell's intriguing life and career with penetrating insights into his loyalty to the Confederate cause and the Virginia ties that kept him in Lee's favor for much of the war. Complete with riveting descriptions of key battles, Ewell's biography is essential reading for Civil War historians. *Halo: Silent Storm* Troy Denning, 2018-09-04

A Master Chief story and original full length novel set in the Halo universe based on the New York Times bestselling video game series. 2526 It has been a year since humanity engaged in its destructive first contact with a theocratic military alliance of alien races known as the Covenant. Now the hostilities have led to open war, and the United Nations Space Command understands virtually nothing about its new enemy. There are only two certainties: the Covenant is determined to eradicate humanity, and they have the superior technology to do just that. The UNSC's only hope lies with the Spartans: enhanced supersoldiers raised and trained from childhood via a clandestine black ops project to be living weapons. Their designated commander, Petty Officer John 117, has been assigned to lead the Spartans on a desperate counterattack designed to rock the Covenant back on its heels and to buy humanity the time it needs to gather intelligence and prepare its defenses. But not everyone wants the Spartans to succeed. A coalition of human insurrectionist leaders believes an alliance with the Covenant to be its best hope of finally winning independence from the Unified Earth Government. To further their plans, the insurrectionists have dispatched a sleeper agent to sabotage the UNSC counterattack and ensure that John 117 and the Spartans never return from battle. Elsewhere, California Dana Johnson, 2012-06-01

We first met Avery in two of the stories featured in Dana Johnson's award-winning collection *Break Any Woman Down*. As a young girl, she and her family escape the violent streets of Los Angeles to a more gentrified existence in suburban West Covina. This average life, filled with school trips to 7-Eleven to gawk at Tiger Beat magazine and family outings to Dodger Stadium, is soon interrupted by a past she cannot escape, personified in the guise of her violent cousin Keith. When Keith moves in with her family, he triggers a series of events that will follow Avery throughout her life: to her studies at USC, to her burgeoning career as a painter and artist, and into her relationship with a wealthy Italian who sequesters her in his glass-walled house in the Hollywood Hills. The

past will intrude upon Avery's first gallery show proving her mother's adage Every goodbye aint gone The dual narrative of Elsewhere California illustrates the complicated history of African Americans across the rolling basin of Los Angeles
