Black Authors and Illustrators of Books for Children and Young Adults Barbara Thrash Murphy, Deborah L.

Murphy, 2006-12-21 *Black Authors and Illustrators of Books for Children and Young Adults* is a biographical dictionary that provides comprehensive coverage of all major authors and illustrators past and present. As the only reference volume of its kind available, this book is a valuable research tool that provides quick access for anyone studying Black children's literature, whether one is a student, a librarian charged with maintaining a children's literature collection, or a scholar of children's literature. The Fourth Edition of this renowned reference work illuminates African American contributions to children's literature and books for young adults. The new edition contains updated and new information for existing author/illustrator entries, the addition of approximately 50 new profiles, and a new section listing online resources of interest to the authors and readers of Black children's literature.

Tending to the Past Karen Michele Chandler, 2024-01-18 In many popular depictions of Black resistance to slavery, stereotypes around victimization and the heroic efforts of a small number of individuals abound. These ideas ignore the powers of ordinary families and obscure the systematic working of racism. *Tending to the Past: Selfhood and Culture in Children's Narratives about Slavery and Freedom* examines Black-authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America. *Tending to the Past* argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present. The book examines how narratives by children's book authors such as Joyce Hansen, Julius Lester, Marilyn Nelson, and Patricia McKissack, and the filmmakers Charles Burnett and Zeinabu irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged, culturally aware public. Through careful analysis of this rich body of work, *Tending to the Past* thus contributes to ongoing efforts to construct a history of Black children's literature and film attuned to its range, specificity, and depths. *Tending to the Past* provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives' reconstructions in a neoliberal era, a time of shrinking opportunities for many African Americans. It offers models for understanding the powers and continuing relevance of the Black child's creative agency and the Black cultural practices that have fostered it.

Spirited Minds Archie Givens, 1997 Descriptions of more than one hundred outstanding selections for readers of all ages: fiction, poetry, biography, autobiography, folk tales, drama, and history that celebrate the African American male experience from childhood to adulthood. Dust jacket.

Prague: My Long Journey Home Charles Ota Heller, 2011 Author Charles Ota Heller's early childhood in Czechoslovakia was idyllic, but his safe and happy world didn't last long. Three years after his birth, Germany forced an occupation of his country; afterward, most of his young life consisted of running and hiding. His life, just like those of the other youths who lived in Europe during

the late 1930s and early 1940s was shaped forever by the dangers horrors and unsettling events he experienced In this memoir Heller born Ota Karel Heller narrates his family s story a family nearly destroyed by the Nazis Son of a mixed marriage he was raised a Catholic and was unaware of his Jewish roots even after his father escaped to join the British army and fifteen members of his family disappeared Prague My Long Journey Home tells of his Christian mother being sent to a slave labor camp and of his hiding on a farm to avoid deportation to a death camp With the war coming to a close Heller tells of how he picked up a revolver and shot a Nazi when he was just nine years old Heller now an assimilated American left the horrors of the past along with his birth name behind to live the proverbial American Dream In his memoir he recalls how two cataclysmic events following Czechoslovakia s Velvet Revolution brought him face to face with demons of his former life On his personal journey Heller discovered and embraced his heritage one which he had abandoned decades earlier
