**In the Absence of the Ordinary** Francis Weller, 2025-08-19 We are at a threshold As we face uncertain futures the familiar is falling away This book invites us to embody new ways of being and connecting so we can navigate troubled times together From the bestselling author of *The Wild Edge of Sorrow* a beautifully packaged collection of 17 essays on meeting this

moment with clarity care and skill Praise for The Wild Edge of Sorrow It blew me away I underlined things on nearly every page Anderson Cooper In his singular and inimitable voice psychotherapist and author of The Wild Edge of Sorrow Francis Weller offers 17 soulful essays to help us move together through the anxieties difficulties and sacred transitions of 21st century life In the Absence of the Ordinary frames our current era as a rough initiation an upending experience of profound trauma and transformation that demands we reorient our ways of thinking being and relating Through essays like Some People Wake Up The Gift of Restraint and Gratitude for All That Is Weller offers clarity and wisdom on how to face the sobering stakes of our time while offering the nourishment and support we need to embody the new roles this initiation requires Section 1 When the Bough Breaks names our collective traumas and peels back the false armor of modernity We are called to the depths to understand the power of descent and to cultivate the necessary skills of initiation Section 2 Care of the Soul differentiates between the connected soul and the individualistic self inviting us back into alignment with the wider world of belonging We learn to approach our experiences with reverence work with our grief and develop restraint repetition and self compassion Section 3 Meanwhile the World Goes On gives shape to the emptiness we carry and the ways modernity has severed us from our birthright of interconnectedness with the natural world It offers rituals of gratitude and practices of kinship to restore our bond with the living Earth In each essay Weller fortifies us to become immense to meet these unpredictable times with presence and faith to restore our souls place in the soul of the world and to hold steady amid and for it all

**Desperate Prayers** Daniel D. Dancer, 2006 As his stories unfold Daniel Dancer reflects on spirituality indigenous knowledge quantum physics psychology and ecological principles Humor synchronicity delight and heartfelt struggle are all present in these tales The result is a breath of wholeness a gift for our apocalyptic times and for a culture that has forgotten its connection to nature The sacred magical role that art has held in everyday life since the dawn of humanity is often lost in modern society Dancer's timely work is a quest to revive this form of art weaving the shards of our failing culture and fragmented ecosystems into a celebration of possibility Entertaining full of surprise at every turn and beautifully illustrated Desperate Prayers helps map the way home to our authentic selves

**Songlines of the Soul** Veronica Goodchild, 2012-10-01 The title for this book comes from the ancient Aboriginal concept of song lines pathways to another world reached through dreamtime and visionary insight and encounters with the unknown realm of experience Veronica Goodchild addresses how dreams synchronicities UFO ET encounters Crop Circle mysteries and NDEs all point to the new unfolding vision of reality She draws on ancient mystery traditions to explore how this metamorphosis is already reflected cross culturally in Hopi Aztec Mayan Hindu Tibetan Maori Zulu Dogon and Egyptian cultures Songlines of the Soul proposes a new paradigm of reality a new worldview The signatures of this new reality are arising both in our own experiences and all around us if only we can stretch wide our stubbornly held perceptions of what is reality As we stand at a crucial turning point in our human history this book offers hope a call to awaken and expand our perceptions of the fundamental principles that

orchestrate reality In an age when the answers offered by governments and traditional religion are no longer sufficient the quest for meaning must as it always has in the past arise first through visions dreams and journeys to other dimensions of consciousness

**The Seat of Consciousness in Ancient Literature** Richard E. Lind, 2015-01-09 For early civilizations consciousness and the sense of self were experienced as located in the center of the body most often near to or within the physical heart Enlightenment was understood as the illumination of a transformed spiritual heart Thus the mind of the body as a whole was represented by the heart soul In contrast modern culture places consciousness within the brain resulting in a mind body dualism This separation of mind and body has recently been emphasized as characteristic of the psychopathologies of the modern self This volume explores the understanding and experience of consciousness in the earliest civilizations before about 500 BCE Beginning with a description of ancient Western and Eastern heart consciousness the psychological and spiritual manifestations of the ancient mature heart soul are summarized Ancestor worship lineage identity primitive consciousness and the ways in which the external world was mirrored by the inner world provide additional clues about the experience of heart consciousness Finally the work addresses the fundamental changes in the experience of consciousness that led to the mind body dualism of today
