

Her Voice

THE wild bee reels from bough to bough
With his furry coat and his gauzy wing.
Now in a lily-cup, and now
Setting a jacinth bell a-swing,
In his wandering;
Sit closer love: it was here I trow
I made that vow,

Swore that two lives should be like one
As long as the sea-gull loved the sea,
As long as the sunflower sought the sun,--
It shall be, I said, for eternity
'Twixt you and me!
Dear friend, those times are over and done,
Love's web is spun.

Look upward where the poplar trees
Sway and sway in the summer air,
Here in the valley never a breeze
Scatters the thistledown, but there
Great winds blow fair
From the mighty murmuring mystical seas,
And the wave-lashed leas.

Look upward where the white gull screams,
What does it see that we do not see?
Is that a star? or the lamp that gleams
On some outward voyaging argosy,--
Ah! can it be
We have lived our lives in a land of dreams!
How sad it seems.

Sweet, there is nothing left to say
But this, that love is never lost,
Keen winter stabs the breasts of May
Whose crimson roses burst his frost,
Ships tempest-tossed
Will find a harbour in some bay,
And so we may.

And there is nothing left to do
But to kiss once again, and part,
Nay, there is nothing we should rue,
I have my beauty,--you your Art,
Nay, do not start,
One world was not enough for two

Oscar Wilde

Longer Poems

Martin Scofield

Longer Poems:

Eight Longer Poems David R. Slavitt, 1990 David R Slavitt brings together eight poems that deal largely with the mind's relation to history personal history and the history of myth and of empires In addressing these two seemingly independent modes of thinking and remembering Slavitt reveals that they are in fact closely related and that they are both part of our poetic consciousness Selected Longer Poems A. R. Ammons, 1980-03-17 Readers already familiar with Ammons's longer mode in other books will welcome this new collection while those familiar only with the shorter poems will find their appreciation of his work both deepened and heightened The *Selected Poems* 1951-1977 was described by one critic as an indispensable book *Selected Longer Poems* is an indispensable companion to it The distinguished poet A R Ammons once described himself as not so much looking for the shape as being available to any shape that may be summoning itself through me from the self not mine but ours This availability has enabled his poetic genius to be at home in forms raging from brief lyrics the best of which he brought together in *The Selected Poems* 1951-1977 all the way to poems of full book length

Collected Longer Poems Hayden Carruth, 1994 For fifty years Hayden Carruth's poetry has been distinguished by the indelible presence of passion compassion and radical philosophy *Collected Longer Poems* gathers the poet's choice of his narrative work and poems in sequence including his epic on the nature of romance *The Sleeping Beauty* and meditative poems on the rural northeast that have made him the most accessible regional poet since Robert Frost Our pre-eminent poet of improvisation within form Carruth's renowned technical genius is perfectly matched to his ear for spoken language and narrative structure By turns caustic and hilarious his observations of that life his own and his neighbors ring as true as his ear for native speech *Collected Longer Poems* completes the two-volume *Collected Poems* begun with the publication of *Collected Shorter Poems* in 1992 a volume that was a finalist for the National Book Award and won the National Book Critics Circle Award Collected Longer Poems Wystan Hugh Auden, 1969 **Collected Longer Poems** Kenneth Rexroth, 2013-05-15 This is a companion volume to the *Collected Shorter Poems* of Kenneth Rexroth which was published in 1967 This is a companion volume to the *Collected Shorter Poems* of Kenneth Rexroth which was published in 1967 All of the long poems written over the past forty years are included *The Homestead Called Damascus* 1920-25 A Prolegomenon to a Theodicy 1925-27 *The Phoenix and the Tortoise* 1940-44 *The Dragon and the Unicorn* 1944-50 and *The Heart's Garden The Garden's Heart* 1967-68 As we read the long poems together and in sequence we can see that Rexroth is a philosophical poet of consequence who offers us a comprehensive system of values based on the realization of the ethical mysticism of universal responsibility He is concerned above all with process the movement from the Dual to the Other I have tried Rexroth writes to embody in verse the belief that the only valid conservation of value lies in the assumption of unlimited liability the supernatural identification of the self with the tragic unity of creative process I hope I have made it clear that the self does not do this by an act of will by sheer assertion He who would save his life must lose it *Longer Narrative Poems* Edward

Everett Hale (Jr.),1902 **On Extended Wings** Helen Vendler,1969 Though Wallace Stevens shorter poems are perhaps his best known his longer poems Helen Hennessy Vendler suggests in this book deserve equal fame and equal consideration Stevens central theme the worth of the imagination remained with him all his life and Mrs Vendler therefore proposes that his development as a poet can best be seen not in description which must be repetitive of the abstract bases of his work but rather in a view of his changing styles The author presents here a chronological account of fourteen longer poems that span a thirty year period showing through Stevens experiments in genre diction syntax voice imagery and meter the inventive variety of Stevens work in long forms and providing at the same time a coherent reading of these difficult poems She concludes Stevens was engaged in constant experimentation all his life in an attempt to find the appropriate vehicle for his expansive consciousness he found it in his later long poems which surpass in value the rest of his work *The English Parnassus* ,1916 *The Great War, The Waste Land and the Modernist Long Poem* Oliver Tearle,2019-03-07 The Great War The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem Beginning with T S Eliot s *The Waste Land* Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems such as Hope Mirrlees s *Paris A Poem* Richard Aldington s *A Fool I the Forest* and Nancy Cunard s *Parallax* As well as presenting a new history of this neglected genre the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I **Selected Longer Poems** John Masefield,2008-12-01 John Edward Masefield OM 1878 1967 was an English poet writer and Poet Laureate from 1930 until his death He is remembered as the author of the classic children s novels *The Midnight Folk* and *The Box of Delights* By the age of 24 Masefield s poems were being published in periodicals and his first collected works *Salt Water Ballads* was published in 1902 Masefield then wrote two novels *Captain Margaret* 1908 and *Multitude and Solitude* 1909 In 1911 after a long drought of poem writing he composed *The Everlasting Mercy* 1911 When World War I began Masefield went to the Western Front as a medical orderly later publishing his own account of his experiences In 1921 Masefield received an Honorary Doctorate of Literature from Oxford University He also wrote a very large number of dramatic pieces Most of his dramas were based on themes of Christianity Amongst his other works are *Martin Hyde* *The Duke s Messenger* 1910 *Jim Davis* 1911 and *Right Royal* 1920

A Long Essay on the Long Poem Rachel Blau DuPlessis,2023-03-21 For decades Rachel Blau DuPlessis has shown readers how genres forms and the literal acts of writing and reception can be understood as sites of struggle In her own words writing is a praxis in which the author disappears into a process into a community into discontinuities and into a desire for discovery It is cause for celebration then that we have another work of warm incisive exploratory writing from DuPlessis in *A Long Essay on the Long Poem* [Reading the Modernist Long Poem](#) Brendan C. Gillott,2020-12-10 How do readers approach the enigmatic and unnavigable modernist long poem Taking as the form s exemplars the highly influential but

critically contentious poetries of John Cage and Charles Olson this book considers indeterminacy the fundamental feature of the long poem by way of its analogues in musicology mycology cybernetics and philosophy It addresses features of these works that figure broadly in the long poem tradition such as listing typography archives mediation and mereology while articulating how both poets broke with the longform poetic traditions of the early 1900s Brendan C Gillott argues for Cage's and Olson's centrality to these traditions in developing critiquing and innovating on the longform poetics of the past their work revolutionized the longform poetry of the 20th and 21st centuries

The Whole Nine Yards Daniel Hoffman, 2009
The Whole Nine Yards presents a compelling collection of poems by former Poet Laureate and two time National Book Award finalist Daniel Hoffman each poem aiming to share the pleasures of dramatizing language theme and form

The Long Public Life of a Short Private Poem Peter Murphy, 2019-08-27
Meticulously maps the eddies and currents that have defined this vexing poem's vexed history of neglect rediscovery and canonization grippingly unusual Renaissance Quarterly Thomas Wyatt didn't publish *They Flee from Me* It was written in a notebook maybe abroad maybe even in prison Today it is in countless poetry anthologies How did it survive That is the story Peter Murphy tells in vivid and compelling detail of the accidents of fate that kept a great poem alive across five hundred turbulent years Wyatt's poem becomes an occasion to ask and answer numerous questions about literature culture and history Itself about the passage of time it allows us to consider why anyone would write such a thing in the first place and why anyone would care to read or remember the person who wrote it From the deadly fascinating circles of Henry VIII's court to the contemporary classroom *The Long Public Life of a Short Private Poem* also introduces us to a series of worlds We meet antiquaries editors publishers anthologizers and critics whose own life stories beckon And we learn how the poem came to be considered after many centuries of neglect a model of the best English has to offer and an ideal object of literary study The result is an exploration of literature in the fine grain of the everyday and its needs in the classroom in society and in the life of nations

The Poems of Callimachus Callimachus, 2001
This important new verse translation of the extant works and major fragments of Callimachus includes a full Introduction covering the poet's life and times the range of his achievements and the difficulties in the way of appreciation It does not offer as other translations do a mere selection of fragments but presents them as integral parts of the poetry books in which they originally figured as these can be reconstructed in the light of modern research Each fragment is introduced in relation to what precedes and follows it enabling students and general readers for the first time ever to assess what Callimachus was like in his most important productions In addition to this introductory help the Notes take up individual points of difficulty all proper names and adjectives are explained in the Glossary and comparative tables facilitate identification of the translated fragments in the standard editions

The Complete Poems of A. R. Ammons A. R. Ammons, 2018-12-18
An essential volume from a master maker Richard Howard If you will sit with me in the light of speech I will sit with you Readers who accept that invitation will find themselves in extraordinary company The Complete

Poems of A R Ammons Volume II presents the second half of Archie Randolph Ammons's long career including the complete texts of his two book length poems from that period Garbage for which he won his second National Book Award and Glare which drew special praise from the Academy of American Poets as it bestowed on him its highest honor the Wallace Stevens Award In addition two appendices offer over one hundred and twenty previously uncollected poems dating from the 1950s to the late 1990s Among this volume's many highlights are celebrations of the natural world such as Hermit Lark and Lofty Calling poems of remembrance as in Chinaberry and Keeping Track prayers Singling Doubling Together and Autonomy and compelling meditations on loss and mortality such as Easter Morning and In View of the Fact As in Volume I the variety of scale is remarkable ranging from the massiveness of Glare to the haiku like brevity of Pebble's Story The text of each poem has been established after careful consideration of Ammons's manuscripts and other prepublication materials Endnotes detail the poems composition and publication histories and also helpfully annotate references made within the poems Celebrated poetry critic Helen Vendler's introduction both humanizes Ammons and traces the growth of his outsized stature as a major poet unquestionably among the best loved poets of our time David Lehman T. S. Eliot: The Poems Martin Scofield,1988-03-10 The poems some of the poetic drama particularly Sweeney Agonistes and relevant sections of prose criticism are discussed in detail and placed in relation to the development of Eliot's oeuvre and more briefly to his life and a wider context of philosophical and religious enquiry Introduction Romanticism, Self-Canonization, and the Business of Poetry Michael Gamer,2017-02-17 This is the first book to examine how Romantic writers transformed poetic collections to reach new audiences In a series of case studies Michael Gamer shows Romantic poets to be fundamentally social authors working closely with booksellers intimately involved in literary production and resolutely concerned with current readers even as they presented themselves as disinterested artists writing for posterity Exploding the myth of Romantic poets as naive unworldly or unconcerned with the practical aspects of literary production this study shows them instead to be engaged with intellectual property profit and loss and the power of reprinting to reshape literary reputation Gamer offers a fresh perspective on how we think about poetic revision placing it between aesthetic and economic registers and foregrounding the centrality of poetic collections rather than individual poems to the construction of literary careers **The Complete Poetry of Robert Herrick** Tom Cain,Ruth Connolly,2013-11-01 This is the first edition for fifty years of one of the greatest of English lyric poets Volume I concentrates on Herrick's large printed collection Hesperides published in 1648 and the product of nearly four decades of writing The text is based on a collation of all fifty seven known surviving copies of Hesperides In addition it includes a much needed new biography covering the suicide of his father his apprenticeship as a goldsmith banker and his subsequent career in Cambridge London and Devon It provides a survey of Herrick's fluctuating critical reputation from the first in rank and station of English song writers to trivially charming and a detailed reconstruction of the original printing and publishing just after the first Civil War of a book which was the first Complete

Works to be published by an English poet There is also a newly ordered sequence of Herrick s letters from Cambridge his only surviving prose An extensive commentary on *Hesperides* is placed in Volume II so that readers can use it side by side with the poems if they wish The commentary gives new translations of Herrick s hundreds of classical allusions and quotes his equally numerous Biblical ones both of them far more extensive and frequently far more playful than has hitherto been realised It also notes many parallels between Herrick s work and that of contemporaries especially Jonson Shakespeare Burton and John Fletcher and his habit of echoing or quoting himself a tendency which reinforces the strong sense of Herrick s persona dominating the collection Full explanations are given of contemporary personal political and cultural references

Modern Indian Literature, an Anthology: Surveys and poems K. M. George, 1992 This Is The First Of Three Volume Anthology Of Writings In Twenty Two Indian Languages Including English That Intends To Present The Wonderful Diversities Of Themes And Genres Of Indian Literature This Volume Comprises Representative Specimens Of Poems From Different Languages In English Translation Along With Perceptive Surveys Of Each Literature During The Period Between 1850 And 1975
