Longest Drive:

The Long-Drive Bible Sean Fister, Matthew Rudy, 2008-05-16 Sean The Beast Fister is the winner of numerous World Long Drive Championships and holds the record for the longest carry in the world finals at a whopping 393 yards Now Fister has taken all the winning tips and techniques he has learned over the years and organized them in this book so that you too can drive better and more consistently With Fister's Ten Commandments of Distance you'll bring out the beast in your golf game

The Long Drive : On The Road We Call Life Er Qazi Zia, 2025-05-30 The Long Drive is not just a drive down highways and byways it is an existential metaphor for life itself Born of the author's regular trips along the Srinagar Jammu National Highway this introspective book draws broad comparisons between the act of driving and the shape of our lives Just as we cruise lanes take turns contend with traffic and deal with detours on the highway so too must we contend with obstacles decisions and turns in life Each chapter is matched with a phase of life echoing the ebbs and flows of aging beginning with ignition birth the high of youth the stress of ambition the slowdowns of difficulty and finally the quiet of contemplation Along the way travelers encounter fellow travelers face roadblocks stop to get fuel and find that every segment of the trip has value The book provides philosophical depth and spiritual insight reminding us that the true road is often within It invites the reader to not only move but to move with intention to not only drive but to drive consciously Whether you're just starting out or along the way somewhere The Long Drive will encourage you to look back on where you've been where you're headed and what really drives your journey forward

Remembrances from My Voyage of Self Discovery Or My Long Drive Joel Maxey, 2009-04-09 Remembrances From My Voyage of Self Discovery or My Long Drive by Joel Maxey documents a road trip taken by the author down thru Mexico Central and South America in 1975-76 This book is written in the form of a log essay and covers all of the major events and adventures that he experienced along the way It follows the author through the most dynamic and memorable time period in his life Starting with the trip's original genesis into its preparation period and finally through the five and a half months of constant determination and courage required for its execution At various points along the way my trip became a journey and then finally My Voyage of Self Discovery This book also chronicles the author's passage from a conventionally oriented way of life into one of passion action adventure and risk taking

The Long Drive Home Stan Rogal, 2009-11-18 Gay middle aged hit men a pathological interior designer an idiot savant child and a gun toting donut shop manager are some of the disparate characters that populate Stan Rogal's first novel Beginning at vastly different points geographically and emotionally these seemingly unconnected people are woven together in the taut fabric of a story that follows the sweet sadness of the search for lost youth The characters' paths move together gradually until they ultimately converge in an explosive showdown in a sleazy road side motel parking lot in Magog Quebec Peppered with beauty absurdity and Rogal's typical rapid fire dialogue *The Long Drive Home* makes for a wonderfully disturbing read

Autonomous Agents Alfred R. Mele, 2001 Alfred Mele examines the concept of self control

on its terms followed by an examination of its bearing on one's actions, beliefs and emotions. He considers how by understanding self-control, man can shed light on autonomous behaviour. **The Longest Road** Rad Crews, 2021-07-20. It's 1985: no computers, no cellphones, only the largest concert ever conceived. Live Aid. Follow the MTV Generation at its best as Bob Geldof utilizes the finest talent of the times with the goal of relieving the starving people of Ethiopia. Young Mark on his way to a once-in-a-lifetime chance to see Led Zeppelin falls in with two stranded ladies also on their way to Philadelphia. Follow the threesome on their journey as they enter into the world of Eighties music and self-discovery. The world is changing rapidly, shrinking as satellite technology creates a smaller planet. Our trio experiences growth and tragedy in a world forever changed. As romance ensues, love blossoms as it only can for the young. A story of discovery, first love, loss and redemption wrapped in those times long gone and never to return.

The Poetics of Golf Andy Brumer, 2007-01-01. Many golfers would agree with Andy Brumer that there is poetry in the game of golf. And Brumer is not the first to insist that there is more to the game than the superstars, swing gurus and high-tech equipment that dominate talk of the game today. In this series of essays, Brumer, one of the most insightful writers on golf, considers the game from unexpected and often surprising angles. At once contemplative and compelling, *The Poetics of Golf* explores the links between golf and life by way of art and literature, philosophy and psychology. In portraits of various players including Tiger Woods, Jack Nicklaus, Annika Sorenstam and Arnold Palmer, among others, Brumer teases out the truths that their games can tell us not just about golf but about character and courage. And he also offers an unconventional yet enlightening look at the intricacies of the golf swing, course architecture and golfing equipment. Finally, his book reveals to us in its content and also in its wide-ranging, often lyrical style that golf is by no means only a game.

The Rotarian, 1992-02. Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns and departments about or of interest to Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr. have written for the magazine.

Astonishing But True Golf Facts Allan Zullo, 2001-05-30. Perfect for golf fans young and old, *Astonishing but True Golf Facts* highlights the most amazing and amusing moments from the sport's rich history. Golf's half-a-millennium history is filled with memorable events, remarkable achievements and truly bizarre occurrences that likely will never be duplicated. These incredible moments are chronicled in *Astonishing but True Golf Facts*, a compendium of fascinating tidbits from golf's storied past. Golf enthusiasts will be amazed as they read of the high and low points of their beloved sport, such as the amateur golfer who beat odds of over a billion to one to score two holes in one during a single round, the inventor who plays with clubs made from the recycled metals of nuclear missiles, the tournament that was held up by a flock of crows and the golf fan who was struck twice by errant drives during the 1996 U.S. Open. These true golfing stories are sure to be a source of inspiration, amusement and astonishment to duffers and serious golfers everywhere.
