Longest Flight:

The Longest Flight Shirley Woodhouse Murdock,2009-10-02 It started as an innocent challenge and through sheer determination and pure tenacity it developed into one of the greatest and most successful promotions ever conducted in the state of Arizona *Around-the-World Flights* Patrick M. Stinson,2011-08-12 Since Wilbur and Orville Wright s first machine powered flight adventurers have pondered the prospect of flying around the world Though in the early 20th century the idea seemed as plausible as traveling to Mars aviators made their first attempts in the wake of World War I and have never looked back This history of around the world flights explores the endeavor starting with the first tentative journeys that allowed changing aircraft en route due to expected breakdowns Once flying machines demonstrated reliable performance over global distances a period of one upmanship emerged with each new venture striving to outdo the previous one Today even with international air travel having become routine aviators strive to set records now using unconventional aircraft and fuel sources Paying tribute to the supporting personnel as well as to the flight captains at the center of attention this work celebrates aviation s continued spirit of adventure *A Hollywood Ending* Yaron Weitzman,2025-10-21 NBA journalist Yaron Weitzman lays out the high stakes drama happening inside the Lakers organization as they try to juggle the warring priorities between LeBron James and the Buss family When LeBron James signed with the Los Angeles Lakers in 2018 it looked like a match made in heaven Here was the preeminent athlete of his generation fresh off ending Cleveland s 50 year title drought and in need of a new challenge to help further burnish his legacy joining forces with one of the most iconic teams in all of sports And here were the Lakers in the midst of their worst stretch in franchise history and reeling from the death of the legendary owner Dr Jerry Buss in need of a savior The script wrote itself A little over two years later LeBron and Dr Buss daughter Jeanie were standing shoulder to shoulder hoisting the NBA finals trophy into the air Having won their record tying 17th NBA title the Lakers had reclaimed their accustomed perch on top of the basketball world It looked to be the birth of a new dynasty But this was a new Lakers franchise one beset by infighting and years removed from Kobe s prime And this was LeBron James the catalyst of the player empowerment era an athlete chasing things greater than Michael Jordan s ghost The two parties were too big to peacefully coexist under one roof The 2020 title would represent the pinnacle of their pairing and the beginning of a precipitous decline Drawing from over 250 interviews Yaron Weitzman takes readers on a riveting behind the scenes journey of this fraught partnership From the Succession like power struggle between the Buss children to the rise of LeBron s landscape altering talent agency and its attempts to assert its own power within the Lakers walls to the evolution of LeBron s priorities and political voice *A Hollywood Ending* is the definitive story of an American icon s final years on stage one portraying him a fabled NBA franchise and the world of modern professional sports in a light never seen before **Global Air Transport Management and Reshaping Business Models for the New Era** Kankaew, Kannapat,2022-05-27 The air transport industry is highly vulnerable to environmental changes as was seen when

the recent COVID 19 pandemic caused most airline operations to cease However for decades airlines have been collapsing around the globe as the business of managing airline operations has become stressed due to price competition This is detrimental to air carriers since air transport products and services are the same Moreover it impacts other industries such as tourism hotels and restaurants which contribute to the derailment of economic and social activities Thus it is essential to determine new practices and strategies that can allow air transport management to be enriched and to flourish Global Air Transport Management and Reshaping Business Models for the New Era provides a comprehensive collection of knowledge on the new era of business management on air transport It provides strategies technologies and tools used in the reshaping of the air transport business model Covering topics such as customer experience robotic process automation and airline alliances this major reference work is an essential resource for airline managers supply chain specialists air transport managers students and faculty of higher education libraries researchers economists government officials and academicians

The Nuremberg Raid Martin Middlebrook, 2009-06-25 A thorough history of the RAF Bomber Command attack on the German city during World War II by the author of The First Day on the Somme This book describes one twenty four hour period in the Allied Strategic Bomber Offensive in the greatest possible detail Author Martin Middlebrook sets the scene by outlining the course of the bombing war from 1939 to the night of the Nuremberg raid the characters and aims of the British bombing leaders and the composition of the opposing Bomber Command and German night fighter forces The aim of the Nuremberg raid was not unlike many hundreds of other Royal Air Force missions but due to the difficulties and dangers of the enemy defenses and weather plus bad luck it went horribly wrong The result was so notorious that it became a turning point in the campaign The target the symbolic Nazi rally city of Nuremberg was only lightly damaged and 96 out of 779 bombers went missing Middlebrook recreates the events of the fateful night in astonishing detail The result is a meticulous dramatic and often controversial account It is also a moving tribute to the bravery of the RAF bomber crews and their adversaries Praise for The Nuremberg Raid Employing hundreds of eyewitness accounts he shows the raid from the point of view of the German defenses and the civilians on the ground Factual and analytical this is a portrait of mechanized warfare at the level of personal experience Simon Mawer Wall Street Journal

One Small Step David Whitehouse, 2013-11-05 Here is the most up to date history of man in space researched by a NASA insider from astronaut interviews diaries and speeches and even top secret documents from the former Soviet Union with many revelations appearing in print for the very first time One Small Step shows space travel as it s never been seen before and those who read it will be both shocked at the dangers and failings of the space missions and full of admiration for the courage of those who travelled into space There are surprises in these pages even to those who closely follow space exploration From Laika Yuri Gagarin Alan Shepard and John Glenn to Columbia the International Space Station and SpaceShipOne via the Vostok Soyuz Gemini and Apollo missions and the moon landings One Small Step is a unique first hand history of space exploration

The Supersonic Bone Kenneth Katz, 2022-03-18 This profusely illustrated and thoroughly researched book conveys a wealth of information about the USAF s B 1 bomber Aviation History Magazine When the B 52 Stratofortress entered operational service with the US Air Force in 1955 work was already underway on defining its successor The B 70 Valkyrie a Mach 3 jet bomber was one option Although two XB 70A prototypes flew the B 70 never went into production Out of the subsequent Advanced Manned Strategic Aircraft program came the B 1A bomber which flew at high speed and low altitude to evade enemy air defenses But the B 1A was cancelled in favor of fitting the B 52 with cruise missiles The B 1 known as the BONE was revived in 1981 as the improved B 1B to boost American military power and serve as a symbol of American strength at the peak of Cold War tensions The B 1B entered service in 1986 with several deficiencies The resolution of most of these issues coincided with the end of the Cold War After the Cold

War the B 1B lost its primary nuclear mission but remained relevant by transforming into a high speed long range high payload delivery platform for conventional precision guided munitions The first combat use of the B 1B was in 1998 in Iraq The BONE has proved a highly effective combat aircraft in Afghanistan Iraq Libya Syria and the former Yugoslavia This extensively illustrated book traces the BONE s long development and operational history in detail A must read book a great reference for historians pilots engineers and even policy makers Both the writing and photos are excellent Air Space Power History *Environmental Management towards Sustainability* Prasad Modak,2018-01-02 This book is about understanding challenges in managing our environment and ensuring sustainability of this planet It presents the critical state of our resources and threats to resource security due to overconsumption pollution and poor and uneven governance Role of key stakeholders such as the Government Financing Institutions Business and Communities is important These stakeholders need to collaborate at multiple levels viz Local Regional National and Global Chapters are devoted to describing the role of the above stakeholders with numerous case studies The book can serve as a textbook to academia a reference for policy makers and planners and a resource for conducting continuing education programs for the professionals to introduce both the concepts and practice experience on sustainability **Annual Report of the Secretary of the Navy** United States. Navy Department,1913 **Hazell's Annual** ,1912
