McDonald,2007-03-06 Was Walt Whitman celebrated poet of freedom and democracy a determinist at heart A close study of *Leaves of Grass* shows that Whitman consistently acknowledges the inevitability of all things As John McDonald argues this seeming contradiction lies at the heart of Whitman s poetry a fact continually overlooked in the more than 100 years that critics have written about the poet and his magnum opus This volume contains an extensive study of Walt Whitman s poetry that explores both Whitman s guiding philosophy and its uses to unlock meaning within *Leaves of Grass* Beginning with a detailed explanation of determinism the author examines Whitman s use of indirection which the poet referred to at times as a game played to evade the reader s comprehension The work seeks to define a philosophy which was in the author s opinion the most significant influence in

Whitman's thought and in his art Various poems are examined in depth including Song of Myself Passage to India and the particularly significant With Antecedents Gathered here will be evidence from Whitman's poems and prose and from his notes and quoted remarks enough evidence to show beyond doubt that determinism was indeed his most significant influence An innovative look at one of America's greatest poets Epigenetic Principles of Evolution Nelson R Cabej, 2012 Cabej biology U of Tirana Albania explains the epigenetic principles of evolution as opposed to the theory of evolution as determined by changes in genes and reconstructs the developmental mechanisms of evolutionary changes in metazoans based on empirical evidence He focuses on the mechanisms of the generation of the evolutionary innovations from the influence of environment on heredity rather than the role of natural selection He discusses control systems and determination of phenotypic traits in metazoans neural manipulation of gene expression epigenetic control of reproduction and early development neural control of postphylogenetic development and the epigenetic system of inheritance He follows with description of neural developmental premises of evolutionary adaptation including evolution and stress responses and behavioral adaptation to changes in environment ontogeny and intragenerational developmental plasticity epigenetics of circumevolutionary phenomena and the mechanism of evolutionary change including transgenerational developmental plasticity and the evolution of metazoans and their control system and the origins of evolutionary novelty evolution by loss or by reverting to ancestral characters neural crest determined evolutionary novelties evolutionary convergences species and allopatric speciation and sympatric speciation He presents the available evidence for his theory rather than illustrating an established theory and includes a comparative presentation of the neo Darwinian view to his epigenetic explanation There is no index Annotation 2012 Book News Inc Portland OR booknews.com **This Book Of Grace** David Moukon, 2014-01-06 The believers understand better than unbelievers that all have sinned and fallen short from the glory of God They also understand that the wages of sin is death I never died I am still alive in bones flesh and blood you are probably saying You are right but as long as your spirit has not yet been regenerated you are dead And it takes only the person of Jesus Christ to give you life and give it more abundantly THIS BOOK OF GRACE attempts to explore the different stages of God's redemptive plan for humanity through Jesus Christ up to its accomplishment to finally offer you the opportunity to be reconciled to Him and experience His love grace and forgiveness **Corporate Social Hypocrisy** Dalia Steimikiene, Asta Mikalauskiene, Gabija Stanislovaityte, 2023-07-07 Many new challenges including competitiveness are emerging for sustainable business during this era of disruption This book analyses these challenges to sustainable development and growth and addresses the impact of corporate social responsibility on the competitiveness of organisations The authors analyze the major challenges for competitiveness of sustainable business in the COVID 19 era taking into account a new business environment amid major global risks and uncertainties linked to climate change pandemics Russian Ukrainian war and intuitions of forthcoming new world economic crisis The monograph consists of five parts 1 sustainable development

goals and the role of business 2 climate change COVID 19 fragile political situation and business 3 corporate social responsibility and corporate social hypocrisy 4 corporate social responsibility corporate social hypocrisy and competitiveness of business and 5 case study on the impact of corporate social responsibility on competitiveness with the impediments of corporate social hypocrisy The book presents new insights in assessing the impact of CSR on competitiveness of companies with the impediments of corporate social hypocrisy The developed framework and case study allows to develop valuable policy and managerial implications for sustainable business and engagements in corporate social responsibility as well as to show the danger of corporate social hypocrisy for competitiveness This book will be of value to researchers academics and students in the fields of corporate social responsibility organizational management business ethics and responsible business
