plague ridden London in coffee shops and alehouses new ideas were forged that were angry populist and almost impossible for monarchs to control But the story of this century is less well known than it should be Myths have grown around key figures People may know about the Gunpowder Plot and the Great Fire of London but the Civil War is a half remembered mystery to many And yet the seventeenth century has never seemed more relevant The British constitution is once again being bent and contorted and there is a clash of ideologies reminiscent of when Roundhead fought Cavalier The Blazing World is the story of this strange twisting fascinating century It shows a society in sparkling detail It was a new world of wealth creativity and daring curiosity but also of greed pugnacious arrogance and colonial violence Bells & Bell Lore T.
