On the Head of a Pin Janet Kellough, 2009-11-02 Thaddeus Lewis an itinerant saddlebag preacher still mourns the mysterious death of his daughter Sarah as he rides to his new posting in Prince Edward County When a girl in Demorestville dies in a similar way he realizes that the circumstances point to murder But in the turmoil following the 1837 Mackenzie Rebellion he can get no one to listen Convinced there is a serial killer loose in Upper

Canada Lewis alone must track the culprit across a colony convulsed by dissension invasion and fear His only clues are a Book of Proverbs and a small painted pin left with the victims And the list of suspects is growing The Law and Comedy Giuseppe Rossi, Paola Carbone, 2023-10-04 Despite their inherent seriousness the law and those who practice it be it lawyers judges politicians or bureaucrats are amongst the most popular objects of comedy and humour Sometimes even the mention of the law or the mere use of legal vocabulary can trigger laughter This is deeply counterintuitive but true across cultures and historical eras while the law is there to prevent and remedy injustice it often ends up becoming the butt of comedy But laughter and comedy too are also infused with seriousness as universal social phenomena they are extremely complex objects of study This book maps out the many intersections of the law and laughter from classical Greece to the present day Taking on well known classical and modern works of literature and visual culture from Aristophanes to Laurel and Hardy and from Nietzsche to Tot and Fernandel laughter and comedy bring law back to the complexity of human soul and the unpredictability of life **Christian Register and Boston Observer** ,1903 **Ballou's Monthly Magazine** ,1883 *The Consumer Society Reader* Juliet Schor, Douglas B. Holt, 2011-07-26 The Consumer Society Reader features a range of key works on the nature and evolution of consumer society Included here is much discussed work by leading critics such as Jean Baudrillard Susan Bordo Dick Hebdige bell hooks and Janice Radway Also included is a full range of classics such as Frankfurt School writers Adorno and Horkheimer on the Culture Industry Thorstein Veblen s oft cited writings on conspicuous consumption Betty Friedan on the housewife s central role in consumer society John Kenneth Galbraith s influential analysis of the affluent society and Pierre Bourdieu on the notion of taste Consumer society the air we breathe as George Orwell has described it disappears during economic downtruns and political crises It becomes visible again when prosperity seems secure cultural transformation is too rapid or enviornmental disasters occur Such is the time in which we now find ourselves As the roads clog with gas guzzling SUVs and McMansions proliferate in the suburbs the nation is once again asking fundamental questions about lifestyle Has luxury fever to use Robert Frank s phrase gotten out of hand Are we really comfortable with the Brand Is Me mentality Have we gone too far in pursuit of the almighty dollar to the detriment of our families communities and natural enviornment Even politicians ordinarily impermeable to questions about consumerism are voicing doubts and polls suggest majorities of Americans feel the country has become too materialistic too focused on getting and spending and increasingly removed from long standing non materialist values From the introduction by Douglas B Holt and Juliet B Schor **Teach Me Mommy** Jill W. Dunford, 2000 **Arguments and Addresses of Joseph Hodges Choate** Joseph Hodges Choate, 1926 *The Square Deal* ,1911
