

Looking Back on the Reagan Presidency

EDITED BY LARRY BERMAN

Looking Back On The Reagan Presidency

John W. Sloan

Looking Back On The Reagan Presidency:

Looking Back on the Reagan Presidency Larry Berman, 1990-04 Papers of a conference held at U of California Davis in May 1988 Nineteen president watchers review the Reagan administration's impact in four areas foreign policy economic and fiscal policy institutional changes and electoral and congressional relations Annotation copyrighted by Book News Inc Portland OR

The Reagan Presidency W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents

The Reagan Presidency Paul Kengor, Peter Schweizer, 2005-04-29 In this important new volume editors Paul Kengor and Peter Schweizer bring together original essays from leading scholars who examine topics as varied as Iran Contra abortion the Cold War governmental management and economic policy Through critical analysis these essays

The Politics Presidents Make Stephen Skowronek, 1997-03-25 This wholly innovative study demonstrates that presidents are persistent agents of change continually disrupting and transforming the political landscape But each president also inherits a particular type of political context a regime shaped by his predecessors that he either rejects or affirms

The Presidency and Rhetorical Leadership Leroy G. Dorsey, 2008-03-26 Successful presidential leadership depends upon words as well as deeds In this multifaceted look at rhetorical leadership twelve leading scholars in three different disciplines provide in depth studies of how words have served or disserved American presidents At the heart of rhetorical leadership lies the classical concept of prudence practical wisdom that combines good sense with good character From their disparate treatments of a range of presidencies an underlying agreement emerges among the historians political scientists and communication scholars included in the volume To be effective they find presidents must be able to articulate the common good in a particular situation and they must be credible on the basis of their own character Who they are and what they can do are thus twin pillars of successful rhetorical leadership Leroy G Dorsey introduces these themes and David Zarefsky picks them up in looking at the historical development of rhetorical leadership within the office of the presidency Each succeeding chapter then examines the rhetorical leadership of a particular president often within the context of a specific incident or challenge that marked his term in office Chapters dealing with George Washington John Adams Thomas Jefferson Theodore Roosevelt Woodrow Wilson Franklin Roosevelt Dwight Eisenhower Ronald Reagan and Bill Clinton offer the specifics for a clearer understanding of how rhetoric serves leadership in the American presidency This book provides an indispensable addition to the literature on the presidency and in leadership studies

The Politics of the Presidency, Revised 8th Edition Joseph A. Pika, John Anthony Maltese, 2013-07-15 In the most up to date core text available on the presidency *The Politics of the Presidency* Revised Eighth Edition Joseph A Pika and John Anthony Maltese once again deliver their comprehensive and accessible analysis of the presidency Never losing sight of the foundations of the office the authors maintain a balance between historical context and contemporary scholarship on the executive A solid foundation for any presidency course the revised eighth edition features updated chapters including coverage of the 2012 election and a new chapter analyzing Obama's challenges as a second term

president in an entrenched partisan environment

The Development of the American Presidency Richard J.

Ellis, 2018-02-20 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Third Edition Analysis of the 2016 election including the role of the Electoral College and implications of Trump s nomination for the party decides thesis Exploration of Trump s Twitter presidency and the effectiveness of using social media to bypass the Washington press corps In depth coverage of the development of twentieth century president press relations including a new section on broadcasting the presidency that explores the development of the presidential press conference and presidents use of radio and television Study of national security policy in the Obama administration with a special focus on the targeted killing of American citizens and Obama s legacy for presidential war powers Examination of the original understanding and contemporary relevance of impeachment as well as updated discussion of the president s pardon power Discussion of recent developments in the legislative and legal realms including Trump s first hundred days the Garland Gorsuch episode and abolition of the filibuster for Supreme Court appointments Preliminary assessment of Trump s place in historical time

The Politics of the

Presidency Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2017-07-06 This book analyses the change and continuity in the presidency during Barack Obama s two terms in an entrenched partisan environment discusses the competitive setting for the 2016 election and looks at the challenges and opportunities President Trump will face

The

Reagan Effect John W. Sloan, 1999 Now that Reagan s achievements and failures have become more obvious it is time for a new nonpartisan appraisal of his leadership and its impact on the nation That is precisely what John Sloan delivers Sloan focuses especially on the questions raised in the highly polemical debates between conservatives and liberals concerning Reagan s economic policies He gives equal time to both sides showing how liberals were wrong in their predictions of gloom while conservatives continue to grant Reagan more credit and status than he deserves

The Presidency, Congress, and Divided Government Richard S. Conley, 2002-11-27 Can presidents hope to be effective in policy making when Congress is ruled by the other party Political scientist Richard Conley brings to this crucial discussion a fresh perspective He argues

persuasively that the conditions of divided government have changed in recent years and he applies a rigorous methodology

that allows the testing of a number of important assumptions about party control of the legislative process and the role of the president Conley demonstrates that recent administrations have faced a very different playing field than those in the earlier post war years because of such critical developments in electoral politics as decreasing presidential coattails and the lack of presidential popularity in opposition members districts Moreover he identifies several changes in the institutional setting in Congress that have affected both the legislative success rates of presidents programs and the strategies presidents pursue These institutional factors include more assertive legislative majorities changes in leadership structure and increased party cohesion in voting Conley uses both case studies and sophisticated time series regression analyses to examine the floor success of presidential initiatives the strategies presidents use in working with the legislature and the use of veto power to achieve presidential aims Scholars of the presidency and those interested in the larger American political process will find in this book both food for thought and a model of analytic sophistication *In the Public Domain* Lori Cox Han, Diane J.

Heith, 2006-06-01 Explores how recent presidents have managed communications with the American public

Congressional Record United States. Congress, 2001 **Historical Dictionary of the Reagan-Bush Era** Richard S. Conley, 2017-03-09 From the vantage point of the 2016 presidential election and the deepening polarization of American politics in recent decades it is striking how much more distant the Reagan Bush era of the 1980s and early 1990s seems compared to the years that have actually passed Whither the Republican Party of yesteryear Like reincarnated characters from Samuel Beckett's classic play *Waiting for Godot* many disillusioned conservatives in the new millennium continue to search obdurately and in vain for a leader who embodies the acclaimed leadership traits of Ronald Reagan This second edition of *Historical Dictionary of the Reagan Bush Era* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations events institutions policies and issues This book is an excellent resource for students researchers and anyone wanting to know more about this era *Ideologues and Presidents* Thomas S. Langston, 2017-07-05 *Ideologues and Presidents* argues that ideologues have been gaining influence in the modern presidency There were plenty of ideologues in the New Deal but they worked at cross purposes and could not count on the backing of the cagey pragmatist in the Oval Office Three decades later the Johnson White House systematically sought the help of hundreds of liberals in drawing up blueprints for policy changes But when it came time to implement their plans Lyndon Johnson's White House proved to have scant interest in ideological purity By the time of the Reagan Revolution the organizations that supported ideological assaults on government had never been stronger The result was a level of ideological influence unmatched until the George W Bush presidency In Bush's administration not only did anti statists and social conservatives take up positions of influence throughout the government but the president famously pursued an elective war that had been promoted for a decade by a networked band of ideologues In the Barack Obama presidency although progressive liberals have found their way into

niches within the executive branch the real ideological action continues to be Stage Right How did American presidential politics come to be so entangled with ideology and ideologues Ideologues and Presidents helps us move toward an answer to this vital question **Presidential Lightning Rods** Richard J. Ellis, 1994 Choice Outstanding Title H R Haldeman President Nixon s former chief of staff is said to have boasted Every president needs a son of a bitch and I m Nixon s I m his buffer and I m his bastard I get done what he wants done and I take the heat instead of him Richard Ellis explores the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their presidents The phenomenon is so common that it s assumed to be an essential item in every president s managerial toolbox But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking at the cabinet level The metaphor often misleads by suggesting strategic intent on the president s part while obscuring the calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test policies gauge public opinion and protect his political power and public image Ellis s book is an essential primer for helping us understand this process

School Desegregation and U.S. Presidents LaRuth H. Gray, 2023-06-05 The Supreme Court s Brown v Board of Education of Topeka Kansas decision of 1954 yielded unwavering and contentious mass resistance to dismantling the legally sanctioned dual system of public schooling in the United States Extensive literature exists that focuses on the action of the courts legislative actions of the federal government and actions of local politicians and school districts addressing the challenges posed in transitioning from a legalized racially segregated system to a nationally integrated school system School Desegregation and US Presidents chronicle a different look at the nation s attempt to address the landmark decision THE POWER OF THE PRESIDENCY Receiving short shrift in the literature has been the use and effect of the bully pulpit of seven Presidents providing leadership to resolve those issues related to the implementation of the mandates of Brown It examines how the various symbolic and political powers of each President were exercised to advance or stall progress in desegregating

the country's schools Words matter In accessing the bully pulpits of each of the Presidents significant examples of their voices are provided through excerpts of their speeches press coverage and excerpts with cabinet members or other administration officials and civil rights leaders

Hardcore Punk in the Age of Reagan Robert Fitzgerald, 2025-05-07

Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren't just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before

Reagan's First Four Years John David Lees, Michael Turner, 1988

President Reagan Richard Reeves, 2005-12-23

Twenty five years after Ronald Reagan became president Richard Reeves has written a surprising and revealing portrait of one of the most important leaders of the twentieth century As he did in his bestselling books *President Kennedy Profile of Power* and *President Nixon Alone in the White House* Reeves has used newly declassified documents and hundreds of interviews to show a president at work day by day sometimes minute by minute President Reagan *The Triumph of Imagination* is the story of an accomplished politician a bold even reckless leader a gambler a man who imagined an American past and an American future and made them real He is a man of ideas who changed the world for better or worse a man who understands that words are often more important than deeds Reeves shows a man who understands how to be President who knows that the job is not to manage the government but to lead the nation In many ways a quarter of a century later he is still leading As his vice president George H W Bush said after Reagan was shot and hospitalized in 1981 We will act as if he were here He is a heroic figure if not always a hero He did not destroy communism as his champions claim but he knew it would self destruct and hastened the collapse No small thing He believed the Soviet Union was evil and he had contempt for the established American policies of containment and détente Asked about his own Cold War strategy he answered We win They lose Like one of his heroes Franklin D Roosevelt he has become larger than life As Roosevelt became an icon central to American liberalism Reagan became the nucleus holding together American conservatism He is the only president whose name became a political creed a noun not an adjective Reaganism Reagan's ideas were so old they seemed new He preached an individualism inspiring and cruel that isolated and shamed the halt and the lame He dumbed down America brilliantly blending fact and fiction transforming political debate into emotion driven entertainment He recklessly

mortgaged America with uncontrolled military spending less taxation and more debt In focusing on the key moments of the Reagan presidency Reeves recounts the amazing resiliency of Ronald Reagan the real comeback kid Here is a seventy year old man coming back from a near fatal gunshot wound from cancer from the worst recession in American history Then in personal despair as his administration was shredded by the lying and secrets of hidden wars and double dealing he was able to forge one of history s amazing relationships with the leader of the Evil Empire That story is told for the first time using the transcripts of the Reagan Gorbachev meetings the climax of an epic story as if he were here Historical Dictionary of the U.S. Presidency Richard S. Conley,2015-12-14 This book covers the development of the presidential office within the context of constitutional interpretations of presidential power and socio political and economic developments as well as foreign affairs events from 1789 2015 It provides details on the men who have held the office and biographies of vice presidents unsuccessful candidates for the office and noteworthy Supreme Court and other appointees The Historical Dictionary of the U S Presidency contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on the development of the institution of the presidency and details the personalities domestic and foreign policy governing contexts elections party dynamics and significant events that have shaped the office from the Founding to the present day This book is an excellent resource for students researchers and anyone wanting to know more about the U S Presidency

Looking Back On The Reagan Presidency Introduction

In today's digital age, the availability of Looking Back On The Reagan Presidency books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Looking Back On The Reagan Presidency books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Looking Back On The Reagan Presidency books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Looking Back On The Reagan Presidency versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Looking Back On The Reagan Presidency books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Looking Back On The Reagan Presidency books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Looking Back On The Reagan Presidency books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Looking Back On The Reagan Presidency books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Looking Back On The Reagan Presidency books and manuals for download and embark on your journey of knowledge?

FAQs About Looking Back On The Reagan Presidency Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Looking Back On The Reagan Presidency is one of the best book in our library for free trial. We provide copy of Looking Back On The Reagan Presidency in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Looking Back On The Reagan Presidency. Where to download Looking Back On The Reagan Presidency online for free? Are you looking for Looking Back On The Reagan Presidency PDF? This is definitely going to save you time and cash in something you should think about.
