Looking For A Hero Staff Sergeant Joe Ronnie Hooper And The Vietnam War

James H. Willbanks

Looking For A Hero Staff Sergeant Joe Ronnie Hooper And The Vietnam War:

Looking for a Hero Peter Maslowski, Don Winslow, 2004-01-01 The complicated truth about American hero Joe Ronnie Hooper widely acclaimed as the Vietnam War's most highly decorated soldier is set against the turbulent backdrop of the 1960s and 1970s and draws on extensive interviews with friends family members and military colleagues in a definitive study by the author of *A Cool Breeze on the Underground*

Looking for a Hero Peter Maslowski, Don Winslow, 2020-10-08 Widely acclaimed as the Vietnam War's most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia *Looking for a Hero* extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper's war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper's medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army's inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America's defeat becomes clear

America's Heroes James H. Willbanks, 2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan *America's Heroes* Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award's recipients

Phoenix and the Birds of Prey Mark Moyer, 2007-12-01 This study explodes prevailing myths about the Phoenix Program the CIA's top secret effort to destroy the Viet Cong by neutralizing its civilian leaders Drawing on recently declassified documents and interviews with American South Vietnamese and North Vietnamese sources Mark Moyer examines the attempts to eradicate the Viet Cong infrastructure and analyzes their effectiveness He addresses

misconceptions about these efforts and provides an accurate complete picture of the allies decapitation of the Viet Cong shadow government Combining social and political history with a study of military operations Moyar offers a fresh interpretation of the crucial role the shadow government played in the Viet Cong's ascent Detailed accounts of intelligence operations provide an insider's view of their development and reveal what really happened in the safe havens of the Viet Cong Filled with new information Moyar's study sets the record straight about one of the last secrets of the Vietnam War and offers poignant lessons for dealing with future Third World insurgencies This Bison Books edition includes a new preface and chapter by the author

Vietnam War James H. Willbanks, 2013-01-08 The Vietnam War was one of America's longest bloodiest and most controversial wars This volume examines the complexities of this protracted conflict and explains why the lessons learned in Vietnam are still highly relevant today Vietnam War The Essential Reference Guide provides a compendium of the key people places organizations treaties and events that make up the history of the war explaining its causes how it was conducted and its far reaching consequences Written by recognized authorities this ready reference volume provides essential information all in one place and includes a comprehensive list of additional sources for further study The work presents a detailed chronology that outlines the numerous battles and campaigns throughout the war such as the Tet Offensive the Battle of Hamburger Hill Operation Rolling Thunder and the Battle of Hue Biographies on Lyndon Johnson William Westmoreland Robert McNamara Ngo Dinh Diem and other major political figures and military leaders provide insight into the individuals who played key roles in the conflict while primary source documents such as President Nixon's speech on Vietnamization provide invaluable historical context

Vietnam War Almanac James H. Willbanks, 2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly

The Tet Offensive James H. Willbanks, 2008 In the Tet Offensive of 1968 Viet Cong and North Vietnamese forces launched a massive countrywide attack on South Vietnam Though the Communists failed to achieve their tactical and operational objectives James Willbanks claims Hanoi won a strategic victory The offensive proved that America's progress was grossly overstated and caused many

Americans and key presidential advisors to question the wisdom of prolonging combat Willbanks also maintains that the Communists laid siege to a Marine combat base two weeks prior to the Tet Offensive known as the Battle of Khe Sanh to distract the United States It is his belief that these two events are intimately linked and in his concise and compelling history he presents an engaging portrait of the conflicts and singles out key problems of interpretation Willbanks divides his study into six sections beginning with a historical overview of the events leading up to the offensive the attack itself and the consequent battles of Saigon Hue and Khe Sahn He continues with a critical assessment of the main themes and issues surrounding the offensive and concludes with excerpts from American and Vietnamese documents maps and chronologies an annotated list of resources and a short encyclopedia of key people places and events An experienced military historian and scholar of the Vietnam War Willbanks has written a unique critical reference and guide that enlarges the debate surrounding this important turning point in America s longest war *The War That Never Ends* David L. Anderson, John

Ernst, 2014-03-11 More than three decades after the final withdrawal of American troops from Southeast Asia the legacy of the Vietnam War continues to influence political military and cultural discourse Journalists politicians scholars pundits and others have used the conflict to analyze each of America s subsequent military engagements Many Americans have observed that Vietnam era terms such as cut and run quagmire and hearts and minds are ubiquitous once again as comparisons between U S involvement in Iraq and in Vietnam seem increasingly appropriate Because of its persistent significance the Vietnam War era continues to inspire vibrant historical inquiry The eminent scholars featured in *The War That Never Ends* offer fresh and insightful perspectives on the continuing relevance of the Vietnam War from the homefront to humping in the boonies and from the great halls of political authority to the gritty hotbeds of oppositional activism The contributors assert that the Vietnam War is central to understanding the politics of the Cold War the social movements of the late twentieth century the lasting effects of colonialism the current direction of American foreign policy and the ongoing economic development in Southeast Asia The seventeen essays break new ground on questions relating to gender religion ideology strategy and public opinion and the book gives equal emphasis to Vietnamese and American perspectives on the grueling conflict The contributors examine such phenomena as the role of women in revolutionary organizations the peace movements inspired by Buddhism and Ho Chi Minh s successful adaptation of Marxism to local cultures *The War That Never Ends* explores both the antiwar movement and the experiences of infantrymen on the front lines of battle as well as the media s controversial coverage of America s involvement in the war *The War That Never Ends* sheds new light on the evolving historical meanings of the Vietnam War its enduring influence and its potential to influence future political and military decision making in times of peace as well as war *Historical Dictionary of the War in Vietnam* Ronald B. Frankum

Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an

understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War *Crucible Vietnam* A.T. Lawrence,2014-11-26 This is the personal account of an army infantry platoon leader and commanding officer in the central highlands of Vietnam during 1967 and 1968 when he was 21 years old These were the two bloodiest years of the war a time when the U S army employed search and destroy missions with high casualty rates The author provides a historical overview and casualty report of the Vietnam War 15 information about his military and officer training and his return to civilian life after Vietnam *The East Tennessee Veterans Memorial* John Romeiser,Jack H. McCall,2024-01-12 At the northern edge of the World s Fair Park in Knoxville Tennessee a striking set of thirty two granite pylons stands as a monument to the tradition of military service in East Tennessee The East Tennessee Veterans Memorial explores the creation and significance of this commemorative monument providing a window into the lives and courageous actions of the more than 6 200 men and women whose names are inscribed on the sobering markers In this book author John Romeiser with the assistance of Jack McCall showcases the stories of over 300 service members and their families documented with public records obituaries and family recollections In these pages readers will find the accounts of each of East Tennessee s 14 Medal of Honor recipients along with tales of a variety of other veterans from World War I to the present people whose lives and deaths together form a microcosm of the armed forces Richly illustrated with historical photographs this ambitious undertaking delivers not only a compelling history of individual lives but also a broader sense of military history in the region and a contribution to the scholarship on the value of monuments as a means to honor the past **All in the Family** Robert O. Self,2012-09-18 A brilliant history of American beliefs about the family and how those ideas have affected our politics since the 1960s Washington Monthly In the 1960s Lyndon Johnson s Great Society and War on Poverty promised an array of federal programs to assist working class families In the 1980s Ronald Reagan declared the GOP the party of family values and promised to keep government out of Americans lives Again and again historians have sought to explain the nation s profound political realignment from the 1960s to the 2000s five decades that witnessed the fracturing of liberalism and the rise of the conservative right The award winning

historian Robert O Self is the first to argue that the separate threads of that realignment from civil rights to women s rights from the antiwar movement to Nixon s silent majority from the abortion wars to gay marriage from the welfare state to neoliberal economic policies all ran through the politicized American family Based on an astonishing range of sources All in the Family rethinks an entire era from the Great Society s default assumption of a white heterosexual man at the head of each household to the quests for equal rights and opportunities for a broader range of citizens and a more inclusive idea of the American family He discusses the Roe v Wade decision and antidiscrimination protections in the workplace and the furious conservative backlash that began in the 1970s as figures such as George Wallace Phyllis Schlafly Anita Bryant and Jerry Falwell built a political movement based on the perceived moral threat to the traditional family Self writes that family values conservatives in fact paved the way for fiscal conservatives and that Reagan s presidency united the two constituencies which remained for decades the base of the Republican Party This is a powerful well researched account of how the efforts of marginalized groups to assert their rights as citizens ran up against the resistance of entrenched privilege setting the stage for the polarization that grips US politics today Self reminds us that our democracy is an imperfect thing only as noble as the people who constitute it The Boston Globe *My Lai* Howard Jones,2017-05-04 A trenchant and haunting account of the My Lai massacre in Vietnam and its aftermath **Air Force Magazine** ,2005 *The Engineer* ,2007 Presents professional information designed to keep Army engineers informed of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development Articles cover engineer training doctrine operations strategy equipment history and other areas of interest to the engineering community **Staying th**

Course October 1967 to September 1968 Erik B. Villard, *Between War and Peace* Matthew Moten,2012-01-10 A U S Military Academy historian analyzes America s exit strategies in conflicts ranging from the American Revolution to the Gulf War providing fifteen essays by leading authorities to offer insight into each war s goals campaigns and legacies *An Army in Crisis* Alexander Vazansky,2019-10-01 Following the decision to maintain 250 000 U S troops in Germany after the Allied victory in 1945 the U S Army had for the most part been a model of what a peacetime occupying army stationed in an ally s country should be The army had initially benefited from the positive results of U S foreign policy toward West Germany and the deference of the Federal Republic toward it establishing cordial and even friendly relations with German society By 1968 however the disciplined military of the Allies had been replaced with rundown barracks and shabby looking GIs and U S bases in Germany had become a symbol of the army s greatest crisis a crisis that threatened the army s very existence In *An Army in Crisis* Alexander Vazansky analyzes the social crisis that developed among the U S Army forces stationed in Germany between 1968 and 1975 This crisis was the result of shifting deployment patterns across the world during the Vietnam War changing social and political realities of life in postwar Germany and Europe and racial tensions drug use dissent and insubordination within the U S Army itself influenced by the civil rights movement the Vietnam War and the youth movement

in the States With particular attention to 1968 *An Army in Crisis* examines the changing relationships between American and German soldiers from German deference to familiarity and fraternization and the effects that a prolonged military presence in Germany had on American military personnel their dependents and the lives of Germans Vazansky presents an innovative study of opposition and resistance within the ranks affected by the Vietnam War and the limitations of personal freedom among the military during this era

Pursuing Moral Warfare Marcus Schulzke, 2019-03-01 During combat soldiers make life and death choices dozens of times a day These individual decisions accumulate to determine the outcome of wars This work examines the theory and practice of military ethics in counterinsurgency operations Marcus Schulzke surveys the ethical traditions that militaries borrow from compares ethics in practice in the US Army British Army and Royal Marines Commandos and Israel Defense Forces and draws conclusions that may help militaries refine their approaches in future conflicts The work is based on interviews with veterans and military personnel responsible for ethics training review of training materials and other official publications published accounts from combat veterans and observation of US Army focus groups with active duty soldiers Schulzke makes a convincing argument that though military ethics cannot guarantee flawless conduct incremental improvements can be made to reduce war's destructiveness while improving the success of counterinsurgency operations

Vicarious Warfare Thomas Waldman, 2021-01-06 America has been at war for most of the 20th and 21st centuries and during that time has progressively moved towards a vicarious form of warfare where key tasks are delegated to proxies the military's exposure to danger is limited and special forces and covert instruments are on the increase Important strategic decisions are taken with minimal scrutiny or public engagement This compelling account charts the historical emergence of this distinctive tradition of war and explains the factors driving its contemporary prominence It contrasts the tactical advantages of vicarious warfare with its hidden costs and potential to cause significant strategic harm

This is likewise one of the factors by obtaining the soft documents of this **Looking For A Hero Staff Sergeant Joe Ronnie Hooper And The Vietnam War** by online. You might not require more mature to spend to go to the ebook instigation as competently as search for them.
