Smith, 196? **Looking for Jesus in the Book of Mark** S. Wonenberg, 2015-06-19 A chance for all of us to sit at the feet of Jesus and hear His words as if for the first time How will those words influence us What will we gain from them Have we got any questions to bring before God Is there any we should be asking ourselves In short daily sections we may look deeper into our Saviour's instructions What can we learn Do we really care to come closer Is it time we stop to listen Is He calling us into a very real and very intimate relationship today **Searching the Scriptures** Craig A. Evans, Jeremiah J. Johnston, 2015-11-19 This work critically engages the hermeneutical methods used to analyse the New Testament writings so that the lenses through which studies of the texts have been traditionally viewed can be revised Jeremy Hultin contributes an article on the rhetorical use of the chosen citations by Jewish rabbis in their commentary on scripture while Mark Gignilliat writes on the potential implications for viewing Old Testament Scripture in the manner of the early Church exegetes and theologians With these two contributions providing a frame for the other chapters the essays explore a range of topics including the significance of the number 42 in Matthew the study of Wisdom in Matthew the extent to which the four gospels are underlined by Hebrew material if any the use of Hebrew material in shaping New Testament writings and the uses of Scripture in the letters of Paul and the letters to the Hebrews Read separately these articles provide fascinating insights and revisions to established ideas on intertextuality between the Old Hebrew Bible and the New Testament writings Taken together the collection presents a solid argument for the fundamental revision of our current hermeneutical practice in Biblical Studies **Homiletic** David G. Buttrick, 1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics Looking unto Jesus, some aspects of his life and work W. Milne, 1901 **Looking Unto Jesus** T. Marshall Morsey, 1924 **Jesus Then and Jesus Now** Gregory C. Jenks, 2012 Life, Journal and Letters of Henry Alford Henry Alford, 1873 Looking unto Jesus. A view of the everlasting Gospel, etc Isaac AMBROSE, 1771 Journey to Jesus Florence Littauer, Marita Littauer, 2004 In this her premiere Bible study renowned author and speaker Florence Littauer with her daughter Marita returns to her roots teaching God's Word and the message of hope that it brings

Journey to Jesus will lead you back in time to the ancient lands of the Scriptures and uncover important truths for our world today As you travel through the books of Genesis and Exodus you ll meet characters such as Adam Noah Abraham Joseph and Moses and as you walk in their shoes unearth truths from their lives you ll understand how to look for God in all the right places But most important as you learn how the Old Testament points to its fulfillment in Jesus Christ you will discover God s ultimate plan of redemption for mankind and how it can change your life today Prepare for the journey of a lifetime a journey that will lead you to a personal encounter with the living Christ *Friends' Review* Samuel Rhoads, Enoch Lewis, 1875

Looking to Jesus Nelson Miller, 2016-02-01 The book captures organizes describes and analyzes 172 events in Jesus s life for what those events can teach disciples about following Christ Each short analysis includes an internal reflection illustrating what looking to Christ can mean **Church Harmonies** , 1884 **Looking for Jesus** Virginia Stem Owens, 1998-01-01 This stunningly fresh and original volume explores the person and work of Jesus as seen through the eyes of a wide variety of people who encountered him face to face during his lifetime Reflecting on thirty Gospel stories Virginia Owens suggests how certain characters such as Mary Magdalene the Samaritan woman Zacchaeus and Nicodemus dealt with Jesus With her retelling of each scenario we see Jesus character take shape as the biblical personalities come to life Indeed Owens finds that how Jesus acts particularly in relation to other people reveals as much about him as his teachings **Now I See** Mat Koenig, 2021-04-07 Millions of Christians struggle daily with making sense of God s judgment and His love Did God create humanity with a plan to only save a small group of them while discarding the rest into a fiery torment forever How could God be a loving Father and do something like that Did the death and resurrection of Jesus cover the sins of the world or only those who say the right words and do the right things to accept it What if someone is never baptized will they be sent to hell too These questions don t just cause Christians to struggle it causes many of them to abandon their faith completely But what if God is putting these questions into the hearts of Christians for a purpose What if God wants Christians to stop being mere consumers of the Bible What if He is calling us to become partners in the rest of the story What if the things we ve been taught in our churches and small groups have kept us blind to the true mission of Jesus What if God wants Christians to stop trying to get people saved Somewhere between religious orthodoxy and progressive Christianity is the truth Best selling author minister and value driven speaker Mat Koenig shares a biblical vision for taking risks on radical love and faith showing us how falling in love with Jesus and being released from the burden of saving the souls of humanity really are the good news that Christians have been looking for Now I See **Looking for Jesus** Ralph Vinton Lyon, 1863
