Lookout Sister:

Hiking Washington's Fire Lookouts Amber Casali, 2018-04-16 This new guide to hiking the fire lookouts of Washington's Cascades and Olympics is the quintessential Northwest guide and will appeal to a wide range of hikers. Features of Hiking Washington's Fire Lookouts include 44 fire lookouts those that feature access by trail. All lookouts are accessible during the typical summer season. Only lookouts that are still standing. No hiking up to a barren mound of broken concrete. Routes are not technical. Hikers just need boots, trekking poles, and probably lunch. Lookout history, anecdotes, and full color photos throughout. Each lookout description features the year it was constructed, access details including overnight stays and winter access, location, and land manager, roundtrip distance on trail, trail elevation gain, lookout's elevation, map, info, trailhead, GPS coordinates, information about any permits or fees, and driving directions to the trailhead. Introductory chapters provide an overview of Washington State's lookouts as well as information about their upkeep, lookout architectural types, and general hiking tips, while an appendix provides an overview to a handful of additional lookouts in the state that are not hikeable.

Lookout Christine Byl, 2023-04-11 Set in rural Montana, LOOKOUT centers on the dual coming of age of a girl and her father amid the natural and cultural forces that shape their family. LOOKOUT tells the story of the Kinzlers, a complex working class family firmly rooted in northwestern Montana. Josiah and Margaret Kinzler have forged an unusual bond marked by both tenderness and distance. Their daughters, Cody and Louisa, grow up watching their parents navigate what it means to be true to yourself and what that costs. LOOKOUT offers a gripping dual coming of age. Cody's from stoic ranch kid to hotshot firefighter to resilient woman learning to rely on others, and Josiah's as he struggles to thrive in a world that has misunderstood him. Bound by their love of the land, the Kinzlers work to bridge the gaps created by what they leave unsaid. LOOKOUT brings to life a family coming out to itself at home in a new and nuanced American West.

Information Circular, 1980 *Help Mom with the Dishes* Albert Koch, 2006-09 In the heart of Northwest Indiana's Calumet Region sits Whiting, Indiana. Born and raised in this industrial Mayberry, author Albert R. Koch relives his experiences in this small town and beyond through this refreshing collection of essays. *Help Mom with the Dishes* is a journey through Koch's life featuring people, places, and extraordinary moments experienced by a not-so-ordinary guy. These episodes convey the wonder of youth, the potency of humor, the power of learning, and the poignancy of emotions. For Koch, what happens in the past provides direction for the future. One can decide to either live life looking in the rearview mirror or focus on what lies ahead. One can use life experiences to strengthen and grow or be satisfied with a mediocre life. Early on, Koch's choice is to *Help Mom with the Dishes*. Viewed through the parade of seasons, these distinctive, exceptional moments during Koch's continual quest for understanding and meaning are recalled with thoughtful, reflective insight from classroom to factory, factory to campus, campus to classroom. Over that time, he's learned an important lesson: The triumph over sadness is not easy. It requires an unflinching belief in the goodness of people, a positive sense of humor, and perhaps too, a little faith and reverence for things.

American Dude Ranch Lynn Downey,2022-03-03 Viewers of films and television shows might imagine the dude ranch as something not quite legitimate a place where city dwellers pretend to be cowboys in amusingly inauthentic fashion But the tradition of the dude ranch America's original western vacation is much more interesting and deeply connected with the culture and history of the American West In American Dude Ranch Lynn Downey opens new perspectives on this buckaroo getaway with all its implications for deciphering the American imagination Dude ranching began in the 1880s when cattle ranches ruled the West Men and a few women left the comforts of their eastern lives to experience the world of the cowboy But by the end of the century the cattleman's West was fading and many ranchers turned to wrangling dudes instead of livestock What began as a way for ranching to survive became a new industry and as the twentieth century progressed the dude ranch wove its way into American life and culture Wyoming dude ranches hosted silent picture shoots superstars such
