'The Real Scriptures' of God James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the

Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language *The Hunchback; The Love-chase* James Sheridan Knowles, 2023-09-03 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **The Complete Works of William Shakespeare** William Shakespeare, William Harness, 1855 *British Theatre Comprising Tragedies, Comedies, Operas, and Farces, from the Most Classic Writers, with Biography, Critical Account and Explanatory Notes* Owen Williams, 1831 **Memoir, letters, and circular letters** Robert Hall, 1846 *The Works of Robert Hall, A.M.* Robert Hall, Olinthus Gregory, 2025-07-29 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Holy Bible** , 1852 **The Manual of the Holy Catholic Church** James Joseph McGovern, 1906 *The Complete Works of William Shakespeare* William Shakespeare, 2007 William Shakespeare 1564 1616 excels in plot poetry and wit and his talent encompasses the tragedies of Hamlet King Lear Othello and Macbeth as well as history plays and the comedies such as A Midsummer Night's Dream and As You Like It This volume presents his plays in the chronological order in which they were written
