In Three Volumes* Carnegie Library of Pittsburgh, 1907 *Index to Short Stories* , 1929 **Coloring Locals** Bonnie James Shaker, 2003

Coloring Locals examines how the late nineteenth century politics of gender class race and ethnicity influenced Kate Chopin's writing for the major family periodical of her time Chopin's canonical status as a feminist rebel and reformer conflicts with the fact that one of her most supportive publishers throughout her life was the *Youth's Companion* a juvenile periodical whose thoroughly orthodox family values contributed to its success as the longest running and at one time most widely circulating periodical in nineteenth century America Not surprisingly Chopin's *Youth's Companion* stories differ from her canonical texts in that they embrace and advance ideals of orthodox white femininity and masculinity Rather than viewing these two representations as being at odds with each other Bonnie Shaker asserts that Chopin's endorsement of conventional gender norms is done in the service of a second political agenda beyond her feminism one that can help the reader appreciate nuances of identity construction previously misunderstood or overlooked in the body of her work Shaker articulates this second agenda as the discursive act of coloring locals the narrative construction of racial difference for Louisiana peoples of African American Native American and French American ancestry For Chopin coloring locals meant transforming non Louisianans general understanding of the Creole and Cajun as mixed race people into purely white folks this designation of whiteness being one that conferred not only social preferment but also political protections and enfranchisement in one of the most racially violent decades of U S history Thus when Chopin is concerned with coloring her beloved Louisiana Creoles and Cajuns white she strategically deploys conventional femininity for the benefits it affords as a sign of middle class respectability and belonging Making significant contributions both to the scholarship on Kate Chopin and on race and gender construction this sophisticated study will be of great interest to scholars and students of nineteenth century ethnic and cultural studies as well as Chopin scholars

My Life and Other Stories Bob Elles, 2013-05-14 Intelligence comes from ignorance as wisdom comes from naivet and there is nothing like gathering both from people who represent a diverse swath of nations throughout the world As cultures require contact with each other in order to grow and remain viable and not succumb to atrophy man too requires contact with men of different beliefs and practices No one nation or culture or religion has a hold on logic or is immune to extremism I feel blessed that I've had the opportunity to absorb and learn about aspects of life that I'm sure I wouldn't have learned otherwise In fact my whole belief system was changed over the past forty five years through this contact I began to do some research on my family and what I learned coupled with what I had experienced in my life literally brought me to tears in gratitude and admiration and

hopefully in wisdom If you like to sit down and listen to stories told by say an old friend an uncle or a person with wrinkles on his face grey in his hair and a sparkle of wisdom in his eyes coupled with a smile on his face then you should so bother If you dont then stop right here and go pick up and read a book on vampires or loves lost or whatever turns your fancy My life has been tragic and wondrous and I have what I call life lessons that I believe you will find helpful in your life Ill even go so far as to say that given even a fraction of introspection in you your life will be significantly altered after youve read this book I know that doesnt sound humble but I also know this to be true I have learned forgot and made up many a good story Keep this in mind when you read these chapters stories compiled within this book Are they all true Mostly with only the most embarrassing events removed An old retired Air Force fighter pilot once told me I have secrets only God and I know and thats the way it will remain
