**John the Baptist and the Jewish Setting of Matthew** Brian C. Dennert, 2015-09-11 Although recent discussions on Matthew have emphasized the document's setting within Judaism these studies have not analyzed how the Jewish figure of John the Baptist functions within this setting Brian Dennert steps into this gap arguing that Matthew presents Jesus to be the continuation and culmination of John's ministry in order to strengthen the claims of Matthew's group and to vilify the opponents of his group By doing this he encourages Jews yet to align with Matthew's group particularly those who esteem the Baptist and to gravitate away from its opponents The author examines texts roughly contemporaneous with Matthew which reveal respect given to John the Baptist at the time of Matthew's composition The examination of Matthew shows that the first Evangelist more closely connects the Baptist to Jesus while highlighting his rejection by Jewish authorities

**Matthew** O. Lamar Cope, 2024-03-14 This book is an inquiry into the possibility and consequences of a controlled investigation of the work of one of the gospel writers Its primary thrust is methodological because it asks how we can identify the work of the final author editors with any degree of clarity This study revolves around the use of the OT by the author of the Gospel of Matthew

**Matthew's Missionary Discourse** Dorothy Jean Weaver, 1990-04-01 This book offers a distinctive solution to the interpretative difficulties surrounding Matthew's Missionary Discourse While the discourse proper lies within a narrative framework designating the setting of its delivery the outlined mission does not at all points agree with the designated setting Weaver shifts attention from historical critical to literary critical concerns Rather than focusing on the historical setting's of the disciples mission's she analyses the role of Mt 9 35 11 1 within its literary setting in the Gospel and assesses the impact of this text on the reader of the Gospel

**The New Isaac** Leroy Andrew Huizenga, 2009 Gospel scholarship has long recognized that Matthean Christology is a rich multifaceted tapestry weaving multifold Old Testament figures together in the person of Jesus It is somewhat strange therefore that scholarship has found little role for the figure of Isaac in the Gospel of Matthew Employing Umberto Eco's theory of the Model Reader as a theoretical basis to ground the phenomenon of Matthean intertextuality this work contends that when read rightly as a coherent narrative in its first century setting with proper attention to both biblical texts and extrabiblical traditions about Isaac the Gospel of Matthew evinces a significant Isaac typology in service of presenting Jesus as new temple and decisive sacrifice

**Matthew and Empire** Warren Carter, 2001-10-01 In Matthew and Empire Warren Carter argues that Matthew's Gospel protests Roman imperialism by asserting that God's purposes and will are performed not by the empire and emperor but by

Jesus and his community of disciples Carter makes the claim for reading Matthew this way against the almost exclusive emphasis on the relationship with the synagogue that has long characterized Matthean scholarship He established Matthew's imperial context by examining Roman imperial ideology and material presence in Antioch the traditional provenance for Matthew Carter argues that Matthean Christology which presents Jesus as God's agent is shaped by claims and protests against those claims that the emperor and the empire are God's agents He pays particular attention to the Gospel's central irony namely that in depicting God's ways and purposes the Gospel employs the very imperial framework that it resists Matthew and Empire challenges traditional readings of Matthew and encourage fresh perspectives in Matthean scholarship

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Jesus, Paul and Matthew, Volume One Andries Van Aarde, 2020-03-17 This book is the first of two volumes arguing that kingdom ethics is the core substance of the message of the historical Jesus Paul and Matthew were influential voices in formative Christianity Some prominent exegetes have tended to contrast Jesus and Paul as well as Paul and Matthew This volume demonstrates that Jesus' kingdom ethics based on divine wisdom, mercy and justice originated in Stoic philosophy and that it became a popular ethos of the first century Graeco-Roman world This common transformative ethos of crossing conventional boundaries regarding patriarchy, gender injustice and bigotry based on class and sexuality was articulated differently by Jesus, Paul and Matthew The book will appeal to specialists in the fields of New Testament scholarship and ancient Graeco-Roman and Hellenistic Semitic literature

*A Canonical Exegesis of the Eighth Psalm* Hubert James Keener, 2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity giving the ultimate answer to the psalmist's question What is the human What are They Saying about Matthew? Donald Senior, 1996 A Revised and Expanded Edition of What Are They Saying About Matthew

The sheer volume of scholarship on Matthew has grown even larger recently because of renewed interest in the Jewish background of Jesus and the New Testament. Donald Senior, distinguished biblical scholar, writer and teacher, surveys a list of nearly one hundred new articles and books published in North America and internationally within the last decade. In a clear and readable fashion, Senior investigates and then explains the major issues that dominate the study of Matthew today: the background of the evangelist and his community, the structure and the purpose of the gospel, the relationship of the gospel to Judaism and the gospel's portrayal of Jesus' discipleship and church. *What Are They Saying About Matthew* is a welcome resource for those who wish to benefit from this most comprehensive and reliable exploration of modern biblical scholarship.

Matthew Leonard Doohan, 2016-08-31 *Matthew: A Gospel for a Divided Community* is a work of biblical theology with special interest in spirituality. There are very few books available today that approach scripture with the specific interests of spirituality. Generally, Bible commentaries are exegesis of the text without application or interpretation to real life issues. *Matthew* is a work of biblical spirituality. In approaching the Gospel of Matthew, the author deals with all the usual questions of books on the Bible: where it was written, by whom, why, when, how. However, in approaching these topics, Dr. Doohan focuses on the implications for Christians living today. For example, when he deals with Matthew, he is not so much interested in historical information as he is in Matthew's attitudes and approaches to life, which are very relevant and challenging to us today.

**The Meaning and Uses of βασιλεία in the Gospel of Matthew** Tobias Ålöw, 2024-04-02 Contrary to the prevailing view that βασιλεία is a verbal noun signifying God's rule, this study demonstrates how the term's pragmatic range in Matthew's Gospel covers both five distinct types of use and their integration into a coherent concept. The study, which is the first to examine all occurrences of βασιλεία in the First Gospel from the perspective of semantic monosemy, extends and enhances our appreciation of the Matthean Zentralbegriff and engenders a more accurate apprehension of the nature and aims of the Matthean narrative and the theological views it conveys.

**From Synagogue to Ecclesia** Charles E. Carlston, Craig A. Evans, 2014-09-11 Charles E. Carlston and Craig A. Evans show how the Evangelist took over a variety of traditions from Judaism and early Christianity and worked them into a theological portrait that would be accessible to both Jews and Gentiles as they became followers of Jesus. *Matthew and the Mishnah* Akiva Cohen, 2016-06-10 Akiva Cohen investigates the general research question: how do the authors of religious texts reconstruct their community identity and ethos in the absence of their central cult? His particular socio-historical focus of this more general question is: how do the respective authors of the Gospel according to Matthew and the editors of the Mishnah redefine their group identities following the destruction of the Second Temple? Cohen further examines how, after the Destruction, both the Matthean and the

Mishnaic communities found and articulated their renewed community bearings and a new sense of vision through each of their respective author redactor s foundational texts The context of this study is thus that of an inner Jewish phenomenon two Jewish groups seeking to re establish their community identity and ethos without the physical temple that had been the cultic center of their cosmos

**Revealed Wisdom and Inaugurated Eschatology in Ancient Judaism and Early Christianity** Grant Macaskill,2007 This book examines four texts 1 Enoch 4QInstruction Matthew and 2 Enoch and argues that in each the revealing of wisdom to an elect group inaugurates the eschatological period This idea leads to the fusion of sapiential and apocalyptic elements

The Disciples in Narrative Perspective Jeannine K.
