Calvin's New Testament Commentaries: A harmony of the Gospels, Matthew, Mark, and Luke. [Vol. 1] Jean Calvin,1994

Commentary on the Gospel of Matthew Charles A. Estridge,2022-12-20 Today with so many changes in society stress in our daily lives and mistrusts among nations it is important to look to the Bible for guidance and inspiration God still speaks to men through His Word Matthew focuses on Jesus as the Messiah and the King He demonstrates that Jesus was the fulfillment of Old Testament prophecies and the promise God had made to Israel Although Matthew does not have the universal appeal of Luke he does show how Gentiles were a part of Jesus ministry in spite of His desire to focus on the people of Israel They are represented in the genealogy in the visit of the Magi in the healing of the centurion s servant the deliverance of the daughter of the Syrophenician woman the centralization of His ministry in Galilee of the Gentiles and in the Great Commission The commentary is an exposition of the Gospel of Matthew which considers the context historical background parallel passages of Scripture in addition to theological principles It includes a bibliography charts maps and other helps Its contents are designed to help pastors teachers and Bible students to read the Gospel of Matthew with greater clarity and understanding and helps them proclaim God s Word with power and conviction This new commentary on the Gospel of Matthew provides the scholar student and ministry practitioner with access to the Gospel It opens Matthew s message of Jesus as the Messiah and King with clarity and emphasis One comes away from the commentary encouraged to proclaim that same message Jesus is the Messiah and King James Railey Jr PhD Former Academic Dean A G Theological Seminary Dr Charles Estridge has given students and preachers of Scripture a great gift in this new Gospel commentary His study of Matthew is wide ranging in its sources faithful to the plain meaning of Scripture concise in structure warmly pastoral in application and irenic in its discussion of varying viewpoints Best of all the serious student of God s Word will find spiritual bread here which he or she can feed to others who hunger for the Word of God Enjoy this exposition of Matthew s five discourses on the teachings and life of the Messiah the One who inherited the Kingdom of David and fulfilled the world changing promises made to Abraham Paul York PhD Chi Alpha Missions Training and Mobilization Dr Charles Estridge is a capable scholar and a ministry practitioner with years of experience in pastoral ministry and theological training in bible schools in America and Africa Moreover he is a man who loves Jesus Christ and who has spent his life in service for the Church Pastors teachers and students of the Bible will find his commentary full of insight into the message of the Gospel of Matthew It demonstrates careful exegesis and practical reflection on the meaning of the text It is a valuable tool that will help those called by God to preach and teach His word I highly recommend it Mark Turney President West Africa School of Theology

A Harmony of the Gospels, Matthew, Mark and Luke Jean Calvin,A. W. Morrison,Thomas Henry Louis Parker,1995

John Calvin John W. de Gruchy,2013-07-05 2009 is the 500th anniversary of the birth of Calvin the Reformed theologian whose legacy has played such an important role in the shaping of modern South Africa The popular understanding

of him as grim moralist proponent of predestination and a tyrannical God is a caricature but one that does spring from aspects of Calvin's legacy. In this book De Gruchy attempts to restate the Reformed tradition as a transforming force one that opposed slavery and apartheid and that participated in the struggle for liberation and transformation in this country. De Gruchy considers Christian humanism to be an alternative to both Christian fundamentalism and secularism as being a Christian is all about being truly human in common with the rest of humanity and has come to the conclusion that there is much to retrieve and celebrate in the Reformed tradition that is of importance for the ecumenical church and global society in the 21st century. The evangelical element in the title refers to the literal meaning of the word good news which is at the heart of being both Christian and human.

Reformed Ethics, Volume 1 : Volume 1 (Reformed Ethics) Herman Bavinck, 2019-06-18 Herman Bavinck's four volume *Reformed Dogmatics* is one of the most important theological works of the twentieth century. Leading Bavinck expert John Bolt edited that work which has received wide acclaim. Now Bolt brings forth a recently discovered manuscript from Bavinck in print for the first time which serves as a companion to *Reformed Dogmatics*. *Reformed Ethics* mines the moral teachings of the early church and medieval and Puritan spirituality while addressing a variety of topics offering readers Bavinck's mature reflections on ethical issues. This book is the first of three planned volumes.

On the Writing of New Testament Commentaries Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The essays in *On the Writing of New Testament Commentaries* discuss historical hermeneutical methodological literary and theological questions that shape the writing of commentaries on the books of the New Testament. While these essays honor Grant R. Osborne they also represent the first sustained effort to systematically address commentary writing in the field of New Testament studies.

Matthew Through the Centuries Ian Boxall, 2018-11-26 The reception of the Gospel of Matthew over two millennia: commentary and interpretation. *Matthew Through the Centuries* offers an overview of the reception history of one of the most prominent gospels in Christian worship. Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley, this insightful commentary explains the major trends in the reception of Matthew in various ecclesial, historical and cultural contexts. Focusing on characteristically Matthean features, detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel. Broad exploration of areas such as liturgy, literature, drama, film, hymnody, political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo-Christian civilization. Known as the Church's Gospel, Matthew's text has been the subject of apologetic and theological controversy for hundreds of years. It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship. Matthew has influenced divergent political, spiritual and cultural figures such as Francis of Assisi, John Ruskin, Leo Tolstoy, Dietrich Bonhoeffer and Mahatma Gandhi. Matthew's interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes, communal prayer and liturgical prescriptions for the Eucharist and baptism. A significant addition to the acclaimed Blackwell

Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture

The Prodigal Son in English and American Literature Alison M. Jack, 2019 This groundbreaking study focuses on the reconfiguring of the character of the Prodigal Son and his family as they appear in drama novels and poetry in English from the fifteenth to the twenty first centuries

English Women, Religion, and Textual Production, 1500-1625 Micheline White, 2016-05-13 Contributing to the growing interest in early modern women and religion this essay collection advances scholarship by introducing readers to recently recovered or little studied texts and by offering new paradigms for the analysis of women's religious literary activities Contributors underscore the fact that women had complex multi dimensional relationships to the religious political order acting as activists for specific causes but also departing from confessional norms in creative ways and engaging in intra as well as extra confessional conflict The volume thus includes essays that reflect on the complex dynamics of religious culture itself and that illuminate the importance of women's engagement with Catholicism throughout the period The collection also highlights the vitality of neglected intertextual genres such as prayers meditations and translations and it focuses attention on diverse forms of textual production such as literary writing patronage epistolary exchanges public reading and epitaphs Collectively English Women Religion and Textual Production 1500 1625 offers a comprehensive treatment of the historical literary and methodological issues preoccupying scholars of women and religious writing

The Gospel of John Charles Raith II, 2017-03-16 The Gospel of John Theological Ecumenical Readings brings together leading Catholic Orthodox and Evangelical theologians to read and interpret John's Gospel from within their ecclesial tradition while simultaneously engaging one another in critical dialogue Combining both theological exegesis and ecumenical dialogue each chapter is uniquely structured with a main essay by a Catholic Orthodox or Evangelical theologian on a section of John's Gospel followed by two responses from theologians of the other two traditions The chapter concludes with a final response from the main author Readers are thus provided with not only a deep and engaging reading of the Gospel of John but also the unfolding of a rich theological ecumenical dialogue centered on an authority for all Christians namely the Gospel of John

Health and Healing in Early Modern England Andrew Wear, 2024-10-28 The opening studies in this volume on the revival of Galenic medicine in Continental Europe provide the context for its focus England in the 17th century The author covers the discovery of the circulation of the blood but it is the underlying components of health and medicine that form the subjects of this book It deals notably with the strong link then perceived between health and the environment perhaps even more present in people's minds than today with the relationship between medicine and religion and with medical ethics Further studies discuss the provision made for the sick poor the popularisation of medicine and the epistemological basis of learned or university based medicine A theme throughout is the range of treatments available in the medical marketplace of the 17th century from wise women to learned physicians

Glory to the Newborn King Dr. D. Lance Waldie, 2013-11-12 The Christmas story in the Bible is a beautiful account of the birth of the Messiah Jesus Christ of Nazareth. He was born in obscurity in a little town named Bethlehem, a Hebrew term that means house of bread. And how ironic for this man was the Bread of Life and all who come to Him will never hunger and will never thirst. John 6:35. That is why the story of Christmas, the birth of the Messiah, is so important. Since Jesus is the reason for the season, let us make sure we understand completely who He is. For who Christ is to us determines who we are both in this world and in eternity.

The Church Donald K. McKim, 2017-02-14 This book considers basics of Christian faith about the church conveyed through the perspectives of the Reformed tradition, particularly in its Presbyterian expression from Donald McKim's own context in the Presbyterian Church U.S.A. The six chapters deal with ecclesiology, understandings of the church. The book begins by considering the call to follow Jesus in the church, the beginning of the Christian journey. The Reformation slogan, the Church Reformed and Always Being Reformed, according to the Word of God, orients us to the nature of the church and God's ongoing work of Word and Spirit within the community of faith. Three of the chapters discuss phrases from the Apostles' Creed: These are I believe in the Holy Spirit, the holy catholic church, and the communion of saints. The final chapter, called *Imagine the Church*, provides theological resources for helping us recognize and experience the God of superabundance who is at work in the world, in the church, and in our own lives. Eph 3:20. Together, these essays provide theological understandings of the church while also exploring the meanings and implications of the church for Christian life and experience today.

God's Wisdom for Making Peace Paul S. Jeon, 2018-10-24 The extraordinary will come through the regular practice of the ordinary. This holds true for so many things in life, including the work of gospel ministry. The world will know the risen and exalted Lord when his people commit anew to the seemingly ordinary work of making peace. This devotional is an extended reflection on Paul's Letter to Philemon. Readers will be both moved and instructed in their call to serve as God's peacemakers. There is perhaps no greater need today among those who profess Christ as Lord and Savior than a renewed commitment to facilitate reconciliation in our divided world.

The Bible and the University Zondervan, 2009-09-03 It is well known that the Western university gradually evolved from the monastic stadium via the cathedral schools of the twelfth century to become the remarkably vigorous and interdisciplinary European institutions of higher learning that transformed Christian intellectual culture in the thirteenth and fourteenth centuries. It is equally well known that subsequent disciplinary developments in higher education, including the founding and flourishing of many of the most prestigious of North American universities, owe equally to the Protestant and perhaps particularly Calvinist influence. But that the secularized modern university that descended from these developments is now in something of an identity crisis is becoming widely and often awkwardly apparent. The reason most often given for the crisis is our general failure to produce a morally or spiritually persuasive substitute for the authority that undergirded the intellectual culture of our predecessors. This is frequently also a reason for the discomfort many experience in trying to address the problem, for it requires an

acknowledgement at least that the secularization hypothesis has proven inadequate as a basis for the sustaining of coherence and general intelligibility in the university curriculum. Nowhere is this more apparent than in the disciplines of biblical studies and theology which once were the anchor or common point of reference for theological thought but which are now both marginalized in the curriculum and internally divided as to meaning and purpose even where the Church itself is concerned. In this final volume of the Scripture and Hermeneutic Series a group of distinguished scholars have sought to understand the role of the Bible in relation to the disciplines in a fresh way. Offered in a spirit of humility and experimentally the essays here consider the historic role of the Bible in the university, the status of theological reflection regarding Scripture among the disciplines today, the special role of Scripture in the development of law, the humanities and social sciences and finally the way the Bible speaks to issues of academic freedom, intellectual tolerance and religious liberty. Contributors include Dallas Willard, William Abraham, Al Wolters, Scott Hahn, Glenn Olsen, Robert C. Roberts, Byron Johnson, Robert Cochran Jr, David I. Smith, John Sullivan, Robert Lundin, C. Stephen Evans, David Lyle Jeffrey.

Following in the Way of Jesus Donald K. McKim, 2023-06-13 In this book seasoned pastor theologian Donald McKim offers reflections on what it means to be following in the way of Jesus as Christian disciples. These pieces take the form of theological thoughts for daily living. Part One explores Pursuing the Path of Faith with sections on Believing and Trusting while Part Two concerns Walking in the Spirit with sections on Following and Serving. McKim brings to bear a lifetime of experience with the Scriptures, the Christian theological tradition and the walk of faith in these short stimulating reflections.

James (ESV Edition) R. Kent Hughes, 2015-09-30 The epistle of James is one of the most practical books in the New Testament. Focused on what the Christian life looks like in practice, this short letter highlights a crucial truth about genuine faith: it always leads to good works. In this redesigned volume in the popular Preaching the Word commentary series, Kent Hughes walks readers through James's important teaching about what it means to follow Jesus, exploring the call to persevere through suffering, the relationship between faith and works, and the importance of taming the tongue. Accessible yet robust, this commentary will help pastors, Bible teachers, and small group leaders understand and communicate the message of the book of James with insight and clarity. Part of the Preaching the Word series.

From Genesis to Revelation: God Takes a Bride Susan A. Cyre, 2019-06-02 This book examines the whole of Scripture as the unfolding marriage covenant between God and his people. The book demonstrates that God's marriage to his people is the central theme of the Bible. Eighteenth-century Reformed pastor Jonathan Edwards captured that perspective when he observed, "The creation of the world seems to have been especially for this end, that the eternal Son of God might obtain a spouse to whom he might pour forth all that immense fountain of love and grace that was in his heart, and that in this way God might be glorified." This book traces the divine marriage from God's promises to Abraham to the betrothal covenant that includes the Ten Commandments to Israel's breaking of the covenant as described by the prophets to the new covenant in Christ and finally to the consummation of the divine marriage covenant in Revelation at the wedding of the Lamb.

God instituted the marriage of a man and a woman in Genesis 2 to be an image of God's divine marriage with his people. Therefore it is not a coincidence that both the Gospel and marriage are under attack in our culture. Human marriage cannot be rightly understood apart from the Gospel and the Gospel cannot be fully understood apart from marriage. This book enables Christians whether single or married to appreciate in a much fuller way the depth and nature of God's love for his bride. Seeing how the divine marriage defines and shapes human marriage also presents a clearer understanding of the spiritual importance of human marriage, inspiring Christians to pursue marriages that more faithfully reflect God's design. This book proclaims Scripture's message of God's unrelenting irrevocable love for his bride and invites the church to respond.

Susan A. Cyre, M.Div., helped found Presbyterians for Faith, Family and Ministry in 1995 and served as its executive director until 2014. She edited its bimonthly publication *Theology Matters*. She has authored numerous articles dealing with biblical truth and its intersection with cultural norms. She and her husband live in Virginia.

To Save Sinners Michael Riccardi, 2023-04-12

The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity, the very heart of the gospel. Because of this, one does not stray far from the heart of the Christian faith when he asks, "For whom has Christ accomplished so great a salvation?" Answers to that question have historically fallen in two broad categories. Either Jesus died for all people without exception, or he died only for those whom the Father has chosen to save. Recently a mediating view has arisen, arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone. In this book, Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism. The book demonstrates that while the third way proposed is attractive at first blush, beneath the surface it faces insurmountable biblical and theological problems, including the redefinition of the nature of the atonement itself. Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents.

A Theology for the Twenty-First Century Douglas F. Ottati, 2020-10-15

Christianity in the United States is in crisis. Liberalism is declining, evangelicalism is splintering, increasing numbers of Christians are slipping away from churches, and more and more young people are, for various reasons, finding Christianity as they conceive it: a metaphysical thought system or society of science deniers or an ideology for oppressors, not just implausible but repellent. At the same time, Christians across denominational and ideological divides are rediscovering a moral core, especially in the Jesus of the Gospels, that reactivates and unites them, and this kind of faith appeals to many who consider themselves averse to all traditional organized religion. But any revitalized Christian faith is going to need to understand its rootedness in and interpretation of Christianity's foundational texts and traditions. Noted theologian Douglas F. Ottati steps in to offer a theology for this new era. Combining deep learning in texts and traditions with astute awareness of contemporary questions and patterns of thought and life, he asks what does it mean in our time to understand the God of the Bible as Creator and Redeemer. Distilling the content of Christian faith into seventy concise

propositions he explains each in lucid cogent prose A Theology for the Twenty First Century will be an essential textbook for those training for ministry in our current climate a wise guide for contemporary believers who wonder how best to understand and communicate their faith and an inviting and intelligent resource for serious inquirers who wonder whether the way of Jesus might help them grasp the real world while remaining open to the transcendent
