Matthew Tell Me About Heaven:

Matthew, Tell Me about Heaven Matthew (Spirit),2002 *Matthew, Tell Me About Heaven* Suzanne Ward,2023-06-30

These heartwarming and often astonishing conversations between Matthew Ward who died at age 17 and his mother Suzanne reveal the great differences in what religions teach us about Heaven and the reality of Earth's spirit world. Matthew clears up common misconceptions about the world where he lives; he says its proper name is Nirvana and he explains why in this unprecedented time in the history of Earth it is essential that we know the truth of our beginnings and our relationship with all of creation. Without that truth we cannot understand either the purpose of our lives or how to prepare confidently and joyously for what is to come. Topics: Heaven's location and purpose, Residents and Visitors, Environment, Reception of Souls, Etheric bodies, Relationships and Reunions, Children, Animals, Communication, Education, Employment, Recreation, Culture, Travel, Food, Buildings, Music, Angels, spirit guides, Pre-birth agreements, Council of Nirvana, Lifeprint review, The effects of Prayer.

Chasing Shadows Sue Parker,2015-01-08 It is often said life is at its cruelest when a parent outlives his or her child. As unnatural as that may seem, many parents find themselves in that position. Whether caused by disease, illness, accident, crime, or suicide, parents can find themselves making funeral arrangements rather than planning a child's birthday party, graduation, or wedding. Author Sue Parker knows firsthand what that is like. In *Chasing Shadows: A Mother's Attempt to Process Her Grief*, Parker shares her experiences after the death of her youngest child. For much of 2012, Rowan said he wouldn't live to see 2013. After all, the Mayan calendar ended on December 22, 2012, so he reckoned everyone was going to die. Rather than dwell on the negativity, he grabbed every opportunity with enormous enthusiasm, including a quad bike ride that cost him his life on Boxing Day. Bereft, heartbroken, in a state of total shock, and struggling to survive, Parker felt she had two choices: She could follow him over a cliff or try to make some sense of the tragic turn her family's lives had taken. Everyone's experiences are different, but in *Chasing Shadows: A Mother's Attempt to Process Her Grief*, those going through similar circumstances may find help in knowing what to do next, how to go forward. You'll discover the path forward is not always easy, and there will likely be times when you find yourself wondering, "Why bother?" Through her experience, Parker shows you can go on and you should.

Journeying with My Guides Emily Wells,2025-06-10 The moment I read Emily Wells' results of her other lifetime releases, I said, "Everyone should be doing this." Roxanne M. C. Hanneman, Akashic Record Interpreter, End of Life Doula. When extraordinary, unexplainable things begin to happen in your life, there's nothing you can do except go along for the ride or go into denial. Author Emily Wells chose to go along for the ride, even though she had no idea where the extraordinary, unexplainable things would take her. It's been beyond anything she imagined, and it's not over. In *Journeying with My Guides*, Wells tells her story straight from the heart, revealing extraordinary experiences with her spirit guides. She shares how she works with her spirit guides to accomplish powerful life-supporting processes, including clearing nonbeneficial energy from this lifetime and from other lifetimes, feeling incredible love from other galactic civilizations.

When this hypothesis is added to the laws of Physics it removes some anomalies in Physics and leads to the clarification of other anomalies in Biology The present malaise in society is due to a contradiction between what modern materialistic social sciences teach and what individuals find natural and acceptable The acceptance of the new paradigm facilitates the development of social theories which accept social compassion and ecological balance as their basis **All We Need Is Love** Michele D. Baker,2019-09-18 There s nothing special about Michele Baker Well not unless you count the fact that she hears messages from angels ancestors spirit guides and sentient beings from other worlds The majority of the messages come from Archangel Michael chief of the angels But she has communicated with other extra dimensional beings too and she s come to think of them as her team She writes down what they say She began recording the messages via automatic writing and was astounded when the words she was writing down began to come true Archangel Michael and the other beings described to her how everyone on Earth and beyond is connected They also explained that together we are moving toward a higher level of consciousness This process of enlightenment has been occurring for thousands of years but as the joyous breakthrough gets ever closer things are speeding up Join an ordinary woman who has been chosen to share extraordinary information about how to navigate the tumultuous but exciting times ahead *Spiritual Psychology* Walter Kania Ph.D.,2018-12-28 In today s world there is a New Science and there is an Old Science There is an Old Traditional form of Religion and there is a New form of Spirituality There is Quantum Physics the New Science Epigenetics the New Biology an Old Psychology and a New Psychology Spiritual or Transpersonal Psychology Each of these New forms tell us of a world very different from that in which we have presumed to live There are realms of reality and impacts on our genes bodies and behaviors never before understood The messages that emerge in the Old and in the New are very different There is an Old Traditional Jesus that is tied to dogma rules rituals notions of separation and exoteric practices that neglect and distort the true message of Jesus There is a New Jesus who is the Original Jesus that you find in his esoteric inner messages like the Jesus you find in A Course In Miracles This is a Jesus whose focus is on the heart and the psychology of human nature the human mind and on human behavior His true message was on what is within and it is one of transformation and awakening to our Transcendent Self our true inner nature People who have Spiritually Transformative Experiences discover that their bodies or their personalities are not who they are They discover the essence of what it was that Jesus was teaching Some of his teachings about our true inner nature or Transcendent Self include the following Our Source is a Loving Essence You are a powerful spiritual being living in a physical body You and your Consciousness are immortal and eternal There is a realm of reality beyond the material universe All that is visible comes from that which is invisible WALTER KANIA Ph D **In Search of a Soul** Tadataka Kimura,2018-03-02 This book is devoted to areas most people have never thought about or perhaps do not even know exist My primary goal was to provide information which will enable us to learn the true human nature by realizing the actual state of this world in its material dimension is the light and waves I acquired that knowledge summing up
