*The Acts of St. Matthew* ,2013-07-01 The Acts of St Matthew is a text composed sometime between the 4th and century century in either Greek or Classical Syriac It recounts the apocryphal sojourns of the apostle Matthew in an unspecified country During his travels he encounters various royal official and attempts to teach them about the Gospel of Christ which ultimately results in his death and martyrdom Speculation regarding the whereabouts of these events were common but the text does not grant any clear intended geographic location Moreover the text itself appears to be incomplete as sections appear to have been lost in antiquity      **Matthew-Acts** Thomas Scott, 1853      **Through the Bible Book by Book** Myer Pearlman, 1935-05 GPH Publication      **Matthew to Acts** Tim Sawyer, 2023-02-07 This collection of five books in the One Week in the Bible series Matthew Mark Luke John and Acts may help if you want a stronger connection with God Each of these five short books has seven passages from the Bible so that you can reflect on God s Word every day of the week Thus this collection has five weeks with 35 daily devotionals A story accompanies each Bible passage to illustrate the point followed by some thought provoking points to consider a discussion question and a related prayer for these Christian meditations If you re looking for a way to deepen your relationship with God this book is for you I hope this book will help you to live a life of faith trusting in God s guidance and embracing His values      #1# *New World Translations of the Holy Scriptures* ,2019      **The Living Church Annual and Churchman's Almanac** ,1920      Living Church Annual ,1920
