Mawdudi And The Making Of Islamic Revivalism:

Mawdudi and the Making of Islamic Revivalism Seyyed Vali Reza Nasr, 1996-01-04 Nasr examines the life and thought of Mawlana Mawdudi one of the first and most important Islamic ideological thinkers Mawdudi was the first to develop a modern political Islamic ideology and a plan for social action to realize his vision The prolific writings and indefatigable efforts of Mawdudi's party the Jamaat i Islami first in India and later in Pakistan have disseminated his ideas far and wide His views have informed revivalism from Morocco to Malaysia Nasr discerns the events that led Mawdudi to a revivalist perspective and probes the structure of his thought in order to gain fresh insights into the origins of Islamic revivalism He argues that Islamic revivalism did not simply develop as a cultural rejection of the West rather it was closely tied to questions of communal politics and its impact on identity formation discourse of power in plural societies and nationalism Mawdudi's discourse though aimed at the West was motivated by Muslim Hindu competition for power in British India His aim according to Nasr was to put forth a view of Islam whose invigorated pristine and uncompromising outlook would galvanize Muslims into an ideologically uniform and hence politically indivisible community In time this view developed a life of its own and evolved into an all encompassing perspective on society and politics and has been a notable force in South Asia and Muslim life and thought across the Muslim world

Sayyid Qutb's Radical Islamism and the Comparative Political Theology Dragos Stoica, 2024-12-15 Sayyid Qutb's Radical Islamism and The Comparative Political Theology argues that Sayyid Qutb's radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb's political theology of Hakimiyyah God's Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Qutb's critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Cortes 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God's Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti modern political theology Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God's Sovereignty placed within a larger cross cultural paradigm this book contributes as well to the necessary process of decolonization of political theology

Islamic Revival in Nepal Megan Adamson Sijapati, 2012-03-29 Drawing

on extensive fieldwork among Muslims in contemporary Nepal this book examines the local and global factors shaping an emerging Islamic revival in a Hindu majority region of South Asia It traces the ways that Nepal's Muslims have become active participants in the larger global movement of Sunni revivalism and Nepal's own local politics of representation in the context of political transition to democracy and secularism The Shia Revival: How Conflicts within Islam Will Shape the Future Vali Nasr, 2007-04-17 A New York Times Bestseller Historically incisive geographically broad reaching and brimming with illuminating anecdotes Max Rodenbeck New York Review of Books Iranian born scholar Vali Nasr has become one of America's leading commentators on current events in the Middle East admired and welcomed by both media and government for his concise and coherent analysis Wall Street Journal front page profile In this remarkable work Anderson Cooper Nasr brilliantly dissects the political and theological antagonisms within Islam providing a unique and objective understanding of the 1400 year bitter struggle between Shias and Sunnis and shedding crucial light on its modern day consequences

Islamism and Democracy in Indonesia Masdar Hilmy, 2010 Most scholarly works conducted within the period of post New Order Indonesia have underlined the fact that Indonesian Islamists reject the notion of democracy no adequate explanation nonetheless has been attempted thus far as to how and to what extent democracy is being rejected This book is dedicated to filling the gap by examining the complex reality behind the Islamists rejection of democracy It focuses its analysis on two streams of Islamism the two Islamist groups that seek extra parliamentary means to achieve their goals that is MMI and HTI and the PKS Islamists who choose the existing political party system as a means of their power struggle As this book has demonstrated there are times when the two streams of Islamism share a common platform of understanding and interpretation as well as an intersection where they are in conflict with one another The interplay between contested meanings over particular theological matters on normative grounds and power contests among the Islamists proves to be critical in shaping this complexity **The Many Faces of Political Islam** Mohammed Ayoob, 2009-12-21 Analysts and pundits from across the American political spectrum describe Islamic fundamentalism as one of the greatest threats to modern Western style democracy Yet very few non Muslims would be able to venture an accurate definition of political Islam Mohammed Ayoob's *The Many Faces of Political Islam* thoroughly describes the myriad manifestations of this rising ideology and analyzes its impact on global relations In this beautifully crafted and utterly compelling book Mohammed Ayoob accomplishes admirably the difficult task of offering a readily accessible yet nuanced and comprehensive analysis of an issue of enormous political importance Both students and specialists will learn a great deal from this absolutely first rate book Peter J Katzenstein Walter S Carpenter Jr Professor of International Studies and Stephen H Weiss Presidential Teaching Fellow Cornell University Dr Ayoob addresses the nuances and complexities of political Islam be it mainstream radical or militant and offers a road map of the pivotal players and issues that define the movement There is no one as qualified as Mohammed Ayoob to write a synthesis of various manifestations of political Islam His complex narrative highlights the

Wood,David Harrington Watt,2014-05-26 Essays considering how global fundamentalism influences our understanding of modern Christianity

Judaism and Islam Thirty years after the Iranian Revolution and more than a decade since the events of 2001 the time is right to examine what the discourse on fundamentalism has achieved and where it might head from here In this volume editors Simon A Wood and David Harrington Watt offer eleven interdisciplinary perspectives framed by the debate between advocates and critics of the concept of fundamentalism that investigate it with regard to Christianity Islam and Judaism The essays are integrated through engagement with a common selection of texts on fundamentalism and a common set of questions about the utility and disadvantages of the term its varied application by scholars of particular groups and the extent to which the term can encompass a cross cultural set of religious responses to modernity Although the notion of fundamentalism as a global phenomenon dates from around 1980 the term itself originated in North American Protestantism approximately six decades earlier and acquired pejorative connotations within five years of its invention Since the early 1990s however many scholars have endorsed the view that the notion of fundamentalism as relying on literalist interpretations of the scriptures firm commitment to patriarchy or refusal to confine religious matters to the private sphere facilitates our understanding of modern religion by enabling us to identify and label structurally analogous developments in different religions Critics of the term have identified problems with it above all that the idea of global fundamentalism confuses more than it clarifies and unjustifiably overlooks downplays or homogenizes difference more than it identifies a genuine homogeneity The editor's rigorous exploration of both the usefulness and the limitations of the concept make it an excellent counterpoint to the many books that have a great deal to say about the former and very little to say about the latter It will also serve as an ideal text for religious studies history and anthropology courses that explore the complex interface between religion and modernity as well as courses on theory and method in religious studies

The Pakistan Paradox Christophe Jaffrelot, 2016-06-16 The idea of Pakistan stands riddled with tensions Initiated by a small group of select Urdu speaking Muslims who envisioned a unified Islamic state today Pakistan suffers the divisive forces of various separatist movements and religious fundamentalism A small entrenched elite continue to dominate the country's corridors of power and democratic forces and legal institutions remain weak But despite these seemingly insurmountable problems the Islamic Republic of Pakistan continues to endure The Pakistan Paradox is the definitive history of democracy in Pakistan and its survival despite ethnic strife Islamism and deep-seated elitism This edition focuses on three kinds of tensions that are as old as Pakistan itself The tension between the unitary definition of the nation inherited from Jinnah and centrifugal ethnic forces between civilians and army officers who are not always in favour of or against democracy and between the Islamists and those who define Islam only as a cultural identity marker

Interpreting Islam Panteleimon Krestovich Zhuze, Tamara Sonn, 1996 This work presents in English a seminal text of Arab modernism Jawzi's book *The History of Intellectual Movements in Islam* offered a Marxist interpretation of the development of Islamic thought arguing that Muslim society in the industrial age must adopt

Islam and Political Legitimacy Shahram Akbarzadeh, Abdullah Saeed, 2003-09-02

Akbarzadeh and Saeed explore one of the most challenging issues facing the Muslim world the Islamisation of political power They present a comparative analysis of Muslim societies in West South Central and South East Asia and highlight the immediacy of the challenge for the political leadership in those societies Islam and Political Legitimacy contends that the growing reliance on Islamic symbolism across the Muslim world even in states that have had a strained relationship with Islam has contributed to the evolution of Islam as a social and cultural factor to an entrenched political force The geographic breadth of this book offers readers a nuanced appraisal of political Islam that transcends parochial eccentricities Contributors to this volume examine the evolving relationship between Islam and political power in Bangladesh Indonesia Iran Malaysia Pakistan Saudi Arabia and Uzbekistan Researchers and students of political Islam and radicalism in the Muslim world will find Islam and Political Legitimacy of special interest This is a welcome addition to the rich literature on the politics of the contemporary Muslim world

Vigilante Islamists Joshua T. White, Professor of the Practice of International Affairs Joshua T White, 2025-07-17 For over three decades the Pakistani state has had to contend with the rise of violent anti state movements that have sought to overthrow the government for being insufficiently Islamic This book provides an inside look at how Islamist political parties which often have sympathies with these radical groups but also have a stake in the democratic system make decisions about whether to support or undermine violent movements that are challenging the state With five studies that span three decades the book provides a detailed look at some of Pakistan s most interesting and controversial political parties

The Many Faces of Political Islam, Second Edition Mohammed Ayoob, Danielle Nicole Lussier, 2020-01-03 Analysts and pundits from across the American political spectrum describe Islamic fundamentalism as one of the greatest threats to modern Western style democracy Yet very few non Muslims would be able to venture an accurate definition of political Islam Fully revised and updated The Many Faces of Political Islam thoroughly analyzes the many facets of this political ideology and shows its impact on global relations

Dynamic Islam Jon Armajani, 2004 Dynamic Islam analyzes the lives and works of four of the most influential liberal diaspora Muslim intellectuals of the late twentieth and early twenty first centuries Fatima Mernissi Leila Ahmed Fazlur Rahman and Mohammed Arkoun These prolific scholars are among the first generation of Muslims writing in Western languages who have intentionally directed their works toward audiences in the West as well as the Muslim world Jon Armajani examines the way these cutting edge scholars have interpreted the Quran Hadith and Islamic history as they have constructed their visions for Islam in the modern world Armajani vividly describes their perspectives on women and gender veiling Islamic revivalism Islam and democracy and Islamic mysticism The volume also situates their ideas with respect to conservatively minded western Muslims and Islamic revivalists

Contemporary Sufism Meena Sharify-Funk, William Dickson, Merin Shobhana Xavier, 2017-12-22 What is Sufism Contemporary views vary tremendously even among Sufis themselves Contemporary Sufism Piety Politics and Popular Culture brings to light the religious frameworks that shape the views of Sufism s friends

adversaries admirers and detractors and in the process helps readers better understand the diversity of contemporary Sufism the pressures and cultural openings to which it responds and the many divergent opinions about contemporary Sufism s relationship to Islam The three main themes piety politics and popular culture are explored in relation to the Islamic and Western contexts that shape them as well as to the historical conditions that frame contemporary debates This book is split into three parts Sufism and anti Sufism in contemporary contexts Contemporary Sufism in the West Poetic influences and popular manifestations Gendering Sufism Tradition and transformation This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam gender and the West It offers an ideal starting point from which undergraduate and postgraduate students teachers and lecturers can explore Sufism today Governing Islam Julia Stephens,2018-06-21 Governing Islam traces the colonial roots of contemporary struggles between Islam and secularism in India Pakistan and Bangladesh The book uncovers the paradoxical workings of colonial laws that promised to separate secular and religious spheres but instead fostered their vexed entanglement It shows how religious laws governing families became embroiled with secular laws governing markets and how calls to protect religious liberties clashed with freedom of the press By following these interactions Stephens asks us to reconsider where law is and what it is Her narrative weaves between state courts Islamic fatwas on ritual performance and intimate marital disputes to reveal how deeply law penetrates everyday life In her hands law also serves many masters from British officials to Islamic jurists to aggrieved Muslim wives The resulting study shows how the neglected field of Muslim law in South Asia is essential to understanding current crises in global secularism **Constructing Bangladesh** Sufia M. Uddin,2006 Highlighting the dynamic pluralistic nature of Islamic civilization Sufia Uddin examines the complex history of Islamic state formation in Bangladesh formerly the eastern part of the Indian province of Bengal Uddin focuses on significant moments in th **The Sociology of Islam** Tugrul Keskin,2011 Attempts to make a connection between the economic system and its social and political consequences within Muslim societies To do this this book examines the role of Islam within Muslim societies in the context of neoliberal economic processes in a globalized world
