Maxim Gorky Romantic Realist And Conservative Revolutionary:

Maxim Gorky Richard Hare,1962 **Maxim Gorky. Romantic Realist and Conservative Revolutionary. [With Plates, Including Portraits.]** Richard HARE (Writer on Russian Literature.),1962 A Study Guide for Maxim Gorky's "The Lower Depths" Gale, Cengage Learning,2016 A Study Guide for Maxim Gorky s The Lower Depths excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs The Russian Revolutionary Novel Richard Freeborn,1985-02-28 Professor Freeborn s book is an attempt to identify and define the evolution of a particular kind of novel in Russian and Soviet literature the revolutionary novel This genre is a uniquely Russian phenomenon and one that is of central importance in Russian literature The study begins with a consideration of Turgenev s masterpiece Fathers and Children and traces the evolution of the revolutionary novel through to its most important development a century later in Pasternak s Doctor Zhivago and the emergence of a dissident literature in the Soviet Union Professor Freeborn examines the particular phases of the genre s development and in particular the development after 1917 the early fiction which explored the relationship between revolution and instinct such as Pil nyak s The Naked Year the first attempts at mythmaking in Leonov s The Badgers and Furmanov s Chapayev the next phase in which novelists turned to the investigation of ideas exemplified most notably by Zamyatin s We the resumption of the classical approach in such works as Olesha s Envy which explore the interaction between the individual and society and finally the appearance of the revolutionary epic in Gorky s The Life of Klim Samgin Sholokhov s Quiet Flows the Don and Alexey Tolstoy s The Road to Calvary Professor Freeborn also examines the way this kind of novel has undergone change in response to revolutionary change and he shows how an important feature of this process has been the implicit assumption that the revolutionary novel is distinguished by its right to pass an objective independent judgement on revolution and the revolutionary image of man This is a comprehensive and challenging study of a uniquely Russian tradition of writing which draws on a great range of novels many of them little known in the West As with other titles in this series all quotations have been translated **Russian Drama of the Revolutionary Period** Robert Russell,1988-01-01 Contents Russian Drama before the Revolution Soviet Drama 1917 1921 The Civil War in Soviet Drama Bulgakov s R The White Guard and Flight Satirical Comedy and Melodrama The Plays of Nikolay Erdman Mayakovsky s The Bedbug and The Bathhouse Indirect Social Comment Towards Socialist Realism *The Russian Revolution and Civil War 1917-1921* Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War

1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years. As such it identifies these crucial years as something more than simply the creation of a communist state. *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02. First Published in 1998. This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come. It is therefore confidently recommended for addition to reference libraries be they academic or public.

Lenin Ronald Clark, 2011-09-28. In this accomplished biography of Vladimir Lenin Ronald Clark fills in the gap left by political, economic and social historians. Lenin's personality Clark introduces readers to Lenin the man, an enthusiastic mountaineer with a sardonic sense of humor, an affectionate husband with a long rumored affair. Clark examines and describes the personality of one of the most dedicated and single minded political leaders of the 20th century.

New Makers of Modern Culture: A-K Justin Wintle, 2007. New Makers of Modern Culture will be widely acquired by both higher education and public libraries. Bibliographies are attached to entries and there is thorough cross referencing.

The Concise New Makers of Modern Culture Justin Wintle, 2008-11-28. A Who's Who of Western culture from Woody Allen to Emile Zola. Containing four hundred essay style entries and covering the period from 1850 to the present. The Concise New Makers of Modern Culture includes artists, writers, dramatists, architects, philosophers, anthropologists, scientists, sociologists, major political figures, composers, film makers and many other culturally significant individuals and is thoroughly international in its purview. Next to Karl Marx is Bob Marley, with John Ruskin is Salman Rushdie, alongside Darwin is Luigi Dallapiccola, Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin. With its global reach, The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world. The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms.

File On Gorky Maxim Gorky, 2014-05-29. Writers Files is an important series documenting the work of major dramatists of the last hundred years. Each volume contains a comprehensive checklist of all the writer's plays with a detailed performance history, excerpted reviews and a selection of the. Imprisoned for his revolutionary activities and championed by Chekhov, Maxim Gorky the bitter had his first play produced by the Moscow Art Theatre in 1902. Chekhov wrote Gorky is the first in Russia and the world at large to have expressed contempt and loathing for the petty bourgeoisie and he has done it at the precise moment when Russia is ready for protest. Among Gorky's most important plays are *Philistines*, *The Lower Depths* and *Barbarians*. Methuen are to be congratulated on launching this series, extremely useful to theatre professionals as well as to students and teachers of drama.

David Bradby, *Speech and Drama: Utopia and Revolution* Melvin Lasky, 2018-04-17. The most comprehensive study of ideology and utopia since Karl Mannheim's work of the 1930s. Utopia and Revolution can be understood as turning classical political theory on its head or perhaps inside out. Instead of the usual summary of how English radical theologies

contributed to the revolutionary process Lasky shows how such political theology of the mid seventeenth century became the backbone of the natural history of revolutionary disasters In a remarkable feat of scholarship in intellectual history Lasky charts the course of this historic entanglement over some five turbulent centuries of Western history In so doing he traces the ideological extension of the human personality through the writings of political theorists philosophers poets and historians *Perfect Worlds* Douwe Wessel Fokkema,2011 *Perfect Worlds* offers an extensive historical analysis of utopian narratives in the Chinese and Euro American traditions This comparative study discusses among other things More s criticism of Plato the European orientalist search for utopia in China Wells s *Modern Utopia* and his talk with Stalin Chinese writers constructing their Confucianist utopia traces of Daoism in Mao Zedong s utopianism and politics and finally the rise of dystopian writing a negative expression of the utopian impulse in Europe and America as well as in China P 4 of cover

Encyclopedia of the Essay Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **The Politics of the Soviet Cinema**

1917-1929 Richard Taylor,2008-10-30 The book provides an illuminating background of the political history of the Soviet cinema in the twenties The Political Thought of Yu. F. Samarin, 1840-1864 Loren David Calder,2019-11-19 First published in 1987 Yu F Samarin 1819 1876 was one of the original Slavophiles He was the most important Slavophil statesman making a very significant contribution to the formulation drafting and implementation of the Emancipation Edict of 1861 He also served creatively in the whole range of Zemstvo council work at both the provincial and municipal levels and made a substantial impact on policy as a passionate exponent of Russian interests in Poland and the Baltic provinces In this study Samarin s development and performance as a political thinker is examined from his early days as a master s student at the University of Moscow to the completion of his work on the peasant land reform in 1864 This book establishes that Samarin was a competent political theorist who is best characterized as an enlightened conservative This title will be of great interest to students of history politics and philosophy **Makers of Modern Culture** Justin Wintle,2002 This volume

provides lively and clearly written expositions of those figures who have done most to shape our views in the period since 1914 Music cinema drama art fiction poetry and philosophy are just some of the fields covered Russian Literary Culture in the Camera Age Stephen Hutchings,2004-06-02 This book explores how one of the world s most literary oriented societies entered the modern visual era beginning with the advent of photography in the nineteenth century focusing then on literature s role in helping to shape cinema as a tool of official totalitarian culture during the Soviet period and concluding

with an examination of post Soviet Russia's encounter with global television As well as pioneering the exploration of this important new area in Slavic Studies the book illuminates aspects of cultural theory by investigating how the Russian case affects general notions of literature's fate within post literate culture the ramifications of communism's fall for media globalization and the applicability of text image models to problems of intercultural change *Untimely Thoughts* Maksim Gorky, 1995-01-01 One of the most renowned Soviet writers of the twentieth century Maxim Gorky was an early supporter of the Bolsheviks He became disillusioned with the turn of events after the 1917 revolution however and wrote a series of critical articles for the magazine *New Life* that eventually caused the new Communist government to close down the publication *Untimely Thoughts* is a collection of these articles It is at once a brilliant analysis of the Russian national character a condemnation of the Bolshevik methods of government and a vision of a future in which respect for individual accomplishment replaces the tyranny of the tsars and the brutality of Russian peasant existence A controversial book it was not translated into English until 1968 and was not published in the Soviet Union until 1989 The English edition of *Untimely Thoughts* is now back in print with a new introduction and chronology by Mark D Steinberg *The Blackwell Encyclopedia of the Russian Revolution* Harold Shukman, 1994-12-05 This single volume is an authoritative and accessible guide to the background and progress of the Revolution written by a team of over forty specialist contributors Beginning with the radical movements of the mid nineteenth century the Encyclopedia covers the development of the revolutionary movement created by the intelligentsia the condition of the peasants that of the working class and of the army the role of the Tsarist secret police the agents provocateurs the revolutionaries own underground A substantial section is devoted to the emergence of liberation movements among the national minorities of the borderlands The Encyclopedia also considers the formation of Soviet institutions and examines too the emergence of revolutionary culture well before 1917 the avant garde in art and theatre and the relationship to the revolution of three major Russian writers Blok Gorky and Mayakovsky
