EJERCICIO TERAPÉUTICO. Fundamentos y técnicas Carolyn Kisner, Lynn A. Colby, 2005-01-26 En este libro se presentan todos los métodos básicos de ejercicio para afecciones articulares, musculares, cardiopulmonares y partes blandas. La obra se divide en tres partes: la primera comienza introduciendo los conceptos básicos para la evaluación y desarrollo de un programa mediante un método simplificado para la resolución de problemas y describe las técnicas del ejercicio terapéutico. A continuación, en la segunda parte, se analiza la utilización del ejercicio terapéutico, las pautas, precauciones y progresión del plan de asistencia según los casos. Por último, en la tercera parte, se desarrollan los principios y técnicas del ejercicio terapéutico en las áreas especiales de la fisioterapia respiratoria y el ejercicio aeróbico. Esta obra permite al lector elegir las técnicas de ejercicio de acuerdo con los problemas que presenta el paciente y los objetivos del tratamiento. Para ello desarrolla un método integrado que comienza por identificar el problema mediante una evaluación experta para así poder establecer unas metas realistas basadas en los problemas y poder decidir por último un plan de asistencia que cubra los objetivos y necesidades de cada paciente.

Brandjam Marc Gobe, 2010-06-29 Brandjam the follow up to the groundbreaking best seller Emotional Branding presents a powerful new concept from renowned designer and business guru Mark Gobe. The Brandjam concept is about innovation, intuition and risk. Gobe explains how design is the instrument companies can use for jazzing up a brand, how design puts the face on the brand and creates an irresistible message that connects buyers to the product in a visceral way. Using jazz as his metaphor, he shows how the instinctive nature of the creative process leads to unusual solutions that make people gravitate toward a brand and make brands resonate with people by bringing more joy into their lives. It explores how design represents the personality of a company and provides its window to the world. Brandjam is an inspiration for brands and people as it reveals the transforming impact brands have on their audience. Follow up to Emotional Branding, 50,000 copies sold in nine languages.
