In this collection, multi-instrumentalist Rob MacKillop has transcribed and arranged 25 popular tunes derived from various lute manuscripts. While idiomatic to the guitar, some of these arrangements include fast runs and chord changes so are best suited to the intermediate level flatpicking guitarist. This guitar collection consists of the same melodies in the same keys found in its mandolin counterpart *Tunes From 17th Century Scotland Arranged for Mandolin*. Mel Bay Publications. In both books, suggested chords are provided wherever appropriate. Consequently, the settings work fine as either mandolin, violin, and guitar duets or as solos for either instrument. Until now, most of these appealing dance tunes and airs have not been available as guitar arrangements. Here, except for two tunes in drop D tuning, all are in standard guitar tuning. With MacKillop's spirited online recording, generous performance notes, and standard notation and tablature for each selection, get ready to explore a wonderful new take on an old repertoire. Includes access to online audio.
