H. Medhurst, 2023-09-24 Reprint of the original first published in 1873 *Literature and Life* Edwin Almiron Greenlaw, William Harris Elson, Christine M. Keck, Clarence Stratton, Robert Cecil Pooley, Dudley Howe Miles, 1923 *Some Cycles of Cathay* William Allen White, 1925 *Cathay* Ezra Pound, 2018-12-04 Finalist Pegasus Award for Poetry Criticism Ezra Pound s *Cathay* 1915 is a masterpiece both of modernism and of world literature The muscular precision of images that mark Pound s translations helped establish a modern style for American literature at the same time creating a thirst for classical Chinese

poetry in English Pound's dynamic free verse translations in a modern idiom formed the basis for T S Eliot's famous claim that Pound was the inventor of Chinese poetry for our time Yet Pound achieved this feat without knowing any Chinese relying instead on word for word cribs left by the Orientalist Ernest Fenollosa whose notebooks reveal a remarkable story of sustained cultural exchange This fully annotated critical edition focuses on Pound's astonishing translations without forgetting that the original Chinese poems are masterpieces in their own right On the one hand the presentation of all that went into the final *Cathay* makes it possible for the first time to appreciate the magnitude and the nuances of Pound's poetic art At the same time by bringing the final text together with the Chinese and Old English poems it claims to translate as well as the manuscript traces of Pound's Japanese and American interlocutors the volume also recovers practices of poetic circulation resituating a Modernist classic as a work of world literature The Pound text and its intertexts are presented with care clarity and visual elegance By providing the first accurate and unabridged transcriptions of Fenollosa's notebooks along with carefully edited Chinese texts the volume makes it possible to trace the movements of poetic ideas and poetic expression as they veer toward and away from Pound's creations In supplying the full Fenollosa texts the volume overturns decades of scholarship that has mystified Pound's translation process as a kind of clairvoyance displaying instead the impressive amount of sinological learning preserved in Fenollosa's hard to read notebooks and by detailing every deviation from the probable sense of the originals The edition also supplies exhaustive historical critical and textual notes clarifying points that have sometimes lent obscurity to Pound's poems and making the process of translation visible even for readers with no knowledge of Chinese *Cathay A Critical Edition* includes the original fourteen Chinese translations as well as Pound's unique version of *The Seafarer* which is fully annotated alongside its Anglo Saxon source Also included are Pound's fifteen additional Chinese translations from *Lustra* and other contemporary publications his essay *Chinese Poetry* 1919 a substantial textual Introduction and original essays by Christopher Bush and Haun Saussy on international modernism the mediation of Japan and translation The meticulous treatment and analysis of the texts for this landmark edition will forever change how readers view Pound's Chinese poems In addition to discoveries that permanently alter the scholarly record and force us to revise a number of critical commonplaces the critical apparatus allows readers to make fresh discoveries by making available the specific networks through which poetic expression moved among hands languages and media Ultimately this edition not only enables us more fully to appreciate a canonical work of Modernism but also resituates the art of Pound's translations by recovering the historical circulations that went into the making of a multiply authored and intrinsically hybrid masterpiece

The Makers of Cathay Charles Wilfrid Allan, 1925 *Mercedes of Castile: or, The Voyage to Cathay* Джеймс Фенимор Купер, 2017-03-28 **Mercedes of Castile; Or, The Voyage to Cathay** James Fenimore Cooper, 2021-04-25 In *Mercedes of Castile Or The Voyage to Cathay* James Fenimore Cooper crafts a vibrant narrative set against the backdrop of early 16th century exploration and adventure The novel intricately weaves historical fact with fiction exploring themes of ambition

cultural encounters and the trials of the human spirit Cooper employs a rich descriptive literary style that invites readers to immerse themselves in the lush landscapes and perilous seas navigated by its characters His storytelling captures the zeitgeist of an era driven by the thirst for discovery and the complexities of imperial expansion resonating with the Romantic literary movement of his time James Fenimore Cooper often hailed as the first major American novelist was deeply influenced by his own experiences in a young nation facing the vastness of the frontier Cooper s maritime background combined with a keen interest in the history and culture of Native Americans and colonial expansion informs the vivid portrayals of adventure and conflict found in this work His dedication to presenting a nuanced perspective of America s past highlights his commitment to elevating the American literary tradition *Mercedes of Castile* is a compelling read for those intrigued by historical fiction maritime adventures and the ethics of exploration With its rich character development and profound thematic exploration this novel serves as a window into the complexities of a transformative era It is highly recommended for readers seeking both entertainment and intellectual engagement *Captive Cathay* George L.
