Negro In The Air Transport Industry:

Black Gods of the Metropolis Herbert Roof Northrup, Armand J. Thieblot, William N. Chernish, 1971 No detailed description available for *Black Gods of the Metropolis* Negro Employment in Land and Air Transport Herbert R. Northrup, Howard W. Risher, Jr., Richard D. Leone, Philip W. Jeffress, 2018-01-09 The authors examine both past and current practices and policies influencing black employment in the railroad airline trucking and urban transit industries Technological unemployment declining traffic and discrimination by unions carriers and government agencies have reduced both the number and proportion of blacks in the railroad industry which was once one of the nation's leading employers of blacks These same railroading mores have affected black employment in airlines and urban transit in the past but today other forces are working to improve black representation in the former and leading to a heavily black work force in the latter In the trucking industry the Teamsters Union and government policy are keys to Negro employment with the union dragging its feet in supporting an increased number of black over the road drivers A final section compares the situations in the four industries and forecasts future Negro employment trends in light of the most recent employment data occupational needs governmental policy and other significant factors Monthly Labor Review, 1974 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Racism in the United States** Meyer Weinberg, 1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history Tariff and Trade Proposals United States. Congress. House. Ways and Means, 1970 **Tariff and Trade Proposals** United States. Congress. House. Committee on Ways and Means, 1970 **Hearings** United States. Congress. House.
