Power Of Now A Guide To Spiritual Enlightenment:

The Power of Now Eckhart Tolle, 2004 Donation Jan 03 Forward by Russell E DiCarlo replaced Sept 05 **The Power of Now** Eckhart Tolle, 2010 Self help *The Power of Now* Eckhart Tolle, 2010-04-06 It is no wonder that *The Power of Now* has sold over 2 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being: the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from mind and intensely in the Now, is there Enlightenment.

SUMMARY: the Power of Now Izabella Hickie, 2020-06-16 Summary of Eckhart Tolle's *The Power of Now: A Guide to Spiritual Enlightenment*. Most of us are just living our lives by serving as our mind's slaves. We do not question our thoughts at all and spend our lives in a state of unconsciousness. Pain and suffering engulf us, and our thoughts bother us. Our mind does not let us have a moment of peace. Eckhart Tolle teaches us in *The Power of Now* that we can take away the reins from our minds. We can surrender to the present and become conscious. We can improve our existence by letting go of thought and find peace. Most importantly, by being present, we can let the past and future go and focus on the Now to connect with Being and the purpose of our lives. This summary is not like any other book. It will teach you a new way of life. You might think that you have no other presence than your mind and physical body, but you do not know your true self. *The Power of Now* will help you be present and live in the current moment like never before. It will liberate you from the noise of your mind and help you achieve inner peace. You will truly learn to live and connect with the Divine after reading and understanding this book.
