Power Of The Resurrection:

The Power of the Resurrection Francis Innocent Otobo, 2012-09-29 The Resurrection of Jesus is one of the central beliefs of the Christian faith. This belief and teaching cut across all the Christian denominations. Hence Paul teaches that if Christ had not risen from the dead then we would have been the most foolish of all religious groups. But the fact that He Christ died and came back to life gives us the opportunity to glory in the resurrected Christ. The book *The Power of the Resurrection* is centered on the resurrection of Jesus and the meaning that this resurrection has for us as individual Christians who believe in the risen Lord. It is not a theological work aimed at defining the resurrection nor is it a historical work aimed at tracing or verifying the veracity of the resurrection. No, it is rather a faith lifting book on the basis of the resurrection story as we have it in the Christian bible. Just as Jesus rose from the dead in the midst of all the opposing tides, so shall those who trust in him rise above all opposing tides in their life. Jesus could not be stopped, so also by the grace of Him who rose from the dead, nothing is going to stop your upliftment and manifestation also. The resurrection shall be your experience in your daily life and at the end of time he who raised Jesus from the dead shall give life to your own mortal body too. This is the argument of the book. Jesus the son of God came into the world for the love of humanity. His teachings were misunderstood and so through the journey to Calvary he was crucified and died on the cross on Calvary. Yes, he died. The chief priests and the scribes and the Pharisees in conjunction with Pilate conspired against him. He was sentenced to death. He accepted the death willingly and lovingly. He died that we might be saved. Hence his death brought salvation to the world. However, before he died, he promised the resurrection. He did not hide the fact of the resurrection. Openly he said the son of man shall be delivered into the hand of sinners, he shall be put to death, but on the third day he will rise again. In another place he said, destroy this temple and in three days I shall raise it up, and there was misunderstanding again. The people thought he was referring to the physical temple, but from scripture we know he was referring to his body rising from the dead. Thus he did speak about the resurrection quite clearly. This is where this book hinges its weight. Because he promised the resurrection after the execution, the chief priests and the soldiers, knowing what he was capable of doing, asked the permission of Pilate for the grave to be guarded till the third day. This is because he said on the third day I will rise again. They knew that it could happen. They said this man who gave sight to the blind, who raised the dead Lazarus and also Jairus' Daughter who cleansed lepers who casts out devils, this same man said on the third day I will rise again. And they concluded if he should rise again from the dead then it will be worse for us. Hence they received the permission to guard the grave to prevent any rising from the dead. Humanly speaking, therefore, the resurrection would not have been possible. This is because they did everything to prevent it. They put a very big stone to wedge the entrance, hence no coming out and no going in. More so, they stayed on guard with weapons to prevent any fraudulent act. They were prepared to kill again even if he should try to come out of the grave, that is if he was able to overcome the wedging stone. Therefore, from the human point of view, it was impossible. By their calculation, they have

overcome they have conquered and they have become victorious *Resurrection Power of Jesus Christ* Heather Hope Johnson, 2021-04-22 Resurrection Power of Jesus Christ Power Beyond the Natural Jesus is alive Our Redeemer lives This publication offers a bird s eye view of how Jesus Christ used the unique power of the resurrection prior to dying on the cross and rising from the dead Jesus touched and transformed the lives of many through faith filled words and actions As you explore different Scriptures alongside reading this book you will notice that Jesus exercised resurrection power over the following areas His own flesh physical elements death and the grave the pain of betrayal accusations and condemnation Jesus is our example and He teaches us that we can live a life of sacrifice and surrender in order to witness the benefits thereof Of course this takes reliance on the Holy Spirit of the Living God If you are ready to live a life of surrender prayer love holiness humility and the Word of God then you are ready to experience Resurrection Power power beyond the natural **The Most Powerful Prayer: The Resurrection Power!** Olusegun Festus Remilekun, 2017-12-14 Introduction And behold I send the promise of my Father upon you but tarry ye in the city of Jerusalem until ye be endued with power from on high Luke 24 49 Friend it is time to walk in power and authority You are a creature of power you have to become conscious of the power in your walk with God Power is the ultimate It s time to walk into your liberty and get to your Canaan land Your land flowing with honey and milk is waiting for you to possess In my country Nigeria we have three major tribes namely the Hausa s the Yoruba s and the Ibo s The Ibo men are looking for money and they have it Yoruba men are looking for education and they have it Hausa men are looking for power and they have it But the Hausa men are controlling both those with money and those with certificates A man in power can control a man with money and with degrees You can hate a man with power but you are still under him You can speak grammar more than him but you are still under him Just one decision he will make can affect your source of money That is why Jesus did not promise His disciples money or scholarships But he said And ye shall receive power Because He understands that there are powers of darkness that are on assignment against our lives Do not just pray for promotion in the office Pray for promotion in the school of power No matter how religious you are Pharaoh won t let you go without a demonstration of power Your grammar your education or your money makes no difference Friend the kingdom of God is not in words but in the demonstration of the Spirit and of POWER 1 Cor 2 4 The power I am talking about is the RESURRECTION POWER In the book of John 11 25 Jesus said unto her Martha I am the resurrection and the life he that believeth in me though he were died yet shall he live The resurrection power is the power that makes alive It is the power that creates It is the power that will ascend you to glory This power will give you ceaseless open doors breakthroughs and victory in life The resurrection Power is not a theology it is a person The resurrection power is the ultimate power for the believers In this book you are going to have an unforgettable encounter with His resurrection power Can you cry to heaven for His power this day Risen in Power Joseph Carl, 2025-03-23 RISEN IN POWER The Resurrection and the Holy Spirit Book Description The resurrection of Jesus Christ is the cornerstone of the Christian faith but what does it truly mean

Treat, 2014-05-27 The kingdom of God and the atonement are two of the most important themes in all of Scripture Tragically theologians have often either set the two at odds or focused on one to the complete neglect of the other In The Crucified King Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king As Israel's messiah he holds together the kingdom and the cross by bringing God's reign on earth through his atoning death The kingdom is the ultimate goal of the cross and the cross is the means by which the kingdom comes Jesus death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission The cross is the throne from which he rules and establishes his kingdom Using a holistic approach that brings together the insights of biblical and systematic theology this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology **The Power of His Resurrection** T. Three Hundred Outlines of Sermons on the New Testament, 1882 The Expository Times, 1912 Life-Study of Philippians Witness Lee, 1984-05-01 In the Lord s recovery during the past five hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does

The Ministry, Vol. 04, No. 01 Various Authors, 1999-02-01 In this issue of The Ministry Brother Lee speaks from a heavy burden concerning fruit bearing In John 15 the Lord says that every branch in Him that does not bear fruit the Father will take away This does not mean that a branch of the vine that does not bear fruit will perish Rather it means that such a branch is in danger of losing the enjoyment of the rich supply of Christ On the contrary the more we as branches produce new believers as fruit the more we enjoy Christ The

proper way to bear remaining fruit is not the way of gospel campaigns and big speakers but the inner hidden way of life As branches of the vine we must impart life to others to bring forth the fruit of life in a hidden way The three messages which follow are the conclusion of the messages given in the Memorial Day Conference in Chicago Illinois concerning the new revival The subject of Message Four in this series is living the life of a God man to be conformed to the death of Christ through the power of the resurrection of Christ for the reality of the Body of Christ Death and resurrection are vital to our Christian life and to God s economy Such a life of dying to ourselves and living to God is for Christ the first God man to be formed in His many members the many God men for the building up of His organic Body that the economy of God might be carried out Message Five indicates that we need to shepherd people according to the pattern of the Lord Jesus in His ministry for the carrying out of God s eternal economy and Message Six concludes with the fact that shepherding is to take all inclusive tender care of the flock Last of all we include reports concerning the Lord s move in Mexico Taiwan and Russia as well as an announcement which gives the dates of the upcoming conferences and trainings in Europe
