Dayton, David Allen Fraser, 1990 This is a print on demand book and is therefore non returnable Over three billion people in the world have never heard the name of Jesus Christ The task of evangelizing these people seems monumental In this major study of world evangelization however Edward Dayton and Donald Fraser view the world not as billions of individuals but as thousands of people groups The Dayton Fraser strategy includes ten basic steps that analyze and define the goals in reaching these people groups and the obstacles standing in the way Unlike other mission strategies this approach incorporates the social sciences and basic management principles into the context of God s sovereignty and of the church s responsibility to evangelize the world The book includes a comprehensive bibliography reflecting the authors extensive research in theology sociology anthropology and management **Strategies and Tactics of Satan** Theodore Lot, PhD, 2023-02-09 God the Father Jesus Christ God the Son and the Holy Spirit make up the Godhead who have been in existence since eternity past They constitute the Divine Trinity consisting of three distinct persons working in unity They then created the heavens and the earth out of nothing in the dateless past Among their creations were angels and pre Adam beings One of the chief angels created by God was called Lucifer He was an anointed cherub full of wisdom and perfect in beauty He was made ruler of the earth and was perfect in his walk until iniquity was

found in him He became proud exalted himself and wanted to be like the Most High God This iniquity that originated from his heart led him to rebel against God making him the originator of sin He then slandered God causing numerous angels and the pre Adam beings of the earth to join him in the rebellion against God He and the rebellious angels were thrown out of heaven by God and he lost his position as ruler of the earth which had been destroyed as a result of the rebellion Lucifer became Satan adversary or the devil God recreated the heavens and the earth universe and formed man to rule over all the earth The universe formed by God was again perfect Since Satan s rebellion his main goal has been to incite all beings to join him in rebelling against God To achieve such objective he uses various strategies tactics and methods to cause man to join him in rebelling against God The strategies tactics and methods that Satan uses to deceive human beings are largely similar It is therefore important for us to understand them so that we can effectively resist him That has been the focus of this book Beginning with the causes of Lucifer s sin we have examined his strategies and tactics as he has applied them on some selected persons in the course of history These include his encounters with Adam and Eve Job Jesus Christ and Paul the apostle The aim of this approach has been to identify Satan s strategies tactics and methods which he employs as his tools of warfare against human beings Such knowledge will help us resist him *The Luke Commentary Collection* Darrell L.
