

A large, ancient Buddha statue is seated in a meditative pose within a dark, arched cave. The statue is made of weathered stone or metal, with a serene expression and a shaved head adorned with a small topknot. It wears a robe with deep, realistic folds. The cave's interior is rugged and textured, with light filtering in from an opening behind the statue, creating a dramatic silhouette effect. In the background, through the cave's mouth, a glimpse of an outdoor setting with a stone stupa and some foliage is visible.
