*Reckless Wedding* Maria Flook,1982      *The Roman Wedding* Karen K. Hersch,2010-05-24 This is the first book length examination of Roman wedding ritual      **The Wedding, Etc...** CC Gibbs,2020-12-07 If you re lucky enough to fall in love and smart enough to stay in love a happily ever after is almost guaranteed Although the almost might take a little work But a billionaire with jungle instincts usually gets what he wants And a Princess of the Universe who babysat five siblings can pretty much herd cats So when it comes to the work part it s a match made in heaven Even when life sucks Better yet when life s good Best of all when the happily ever after becomes honest to God real      **A Christmas Wedding for the Cowboy** Mary Leo,2015-12-01 HAVE WEDDING NEED BRIDE Wedding planner Zoe Smart is getting a reputation for being a jinx The worst part is the rumors may be true Zoe s last two brides bailed on their grooms so she really needs cowboy Carson Grant s wedding to go off without a hitch aside from the one in her heart every time they meet Though Carson knows he has to tell Zoe the wedding s canceled he doesn t want to give the town s wagging tongues more fodder Besides Carson is having way more fun planning a nonexistent wedding with Zoe than he ever did planning his real one But time is running out to tell the truth Will Carson s ruse charm Zoe s romantic spirit or will their love be jinxed from the start      **Little Light** J.A. Waymire,2025-01-08 In the fae realms power is everything It determines who you are how high you rise and how far you fall For centuries the Light Fae have ruled the Crescent Kingdom their golden Queen standing as a beacon of strength and unity But Ciara is no ordinary queen Born with the promise of power that never came Ciara has spent her life surrounded by whispers Whispers that she s unworthy that she s a fraud For decades her council has kept her from asking questions masking their control as protection while stifling her every attempt to lead Her crown may gleam but it s nothing more than a cage When a shadow creeps across the border of her realm threatening her people with war Ciara knows she must act But an alliance with the Dark Fae creatures of shadow and chaos is unthinkable to her council To them the Dark Fae are the enemy To Ciara they may be her salvation Caught between two realms Ciara finds herself drawn to the enigmatic Dark Fae and their cunning and unpredictable ways They offer her freedom power and a chance to reclaim her destiny But in a world of shifting loyalties and dangerous bargains nothing comes without a price As secrets unravel and tensions mount Ciara must navigate a treacherous path where every choice could mean betrayal Her council has made their position clear they will do anything to keep her under their control even if it means stripping her of her title or her life With a gauntlet to determine her fate looming in the Dark Realm and her own people conspiring against her Ciara must decide whether she truly is the powerless queen her enemies believe her to be or the force of light and shadow the fae realms never saw coming In a world where magic is survival and trust is a weapon one thing is sure nothing will ever be the same      **Shrewed** Elizabeth Renzetti,2018-03-03 Why are there so few women in politics Why is public space whether it s the street or social media still so inhospitable to women What does Carrie Fisher have to do with Mary Wollstonecraft And why is a wedding ceremony

Finding the Narrow Path Lin Wilder, 2016-08-30 Synopsis: Deciding to walk away from God did not come easily or quickly for Lin Wilder. Nor did the decision to return. As she explains, "Exactly how much of my personal life should be included in this book has been a tough decision to make. This is after all the story of a conversion, not an autobiography. Many of my choices, judgments, and their consequences remain painful, even humiliating, to revisit, writing them down even more so. Initially, I questioned the relevance of describing elements of my career, education, and relationships with men in short my pre-Catholic world in detail. Since I did not convert until midlife, there are a lot of territories to cover. But I realize that my use of the term 'lost years' makes no sense unless I place them squarely in the context of the person I was then. Without the details of my early life, unpleasant as they are to recall, much less write, this sense of drifting and of aimlessness are merely words which lack substance. They are unidimensional. In talks to church groups about life with and without my faith, I frequently used ground while I stomped the floor. I stood on forcefully as I worked to convey what is gained and lost with and without faith. Faith and all which accompanies religion, like regular church attendance and a belief that there is something greater here, someone present, informs our decisions and choices, even our goals. Just so its absence widens all boundaries. More and more is acceptable. This, at times brutally honest story of the reasons for Wilder's walk away from God, then years later return, cannot fail to provoke and challenge. Her decision to reveal intimate and painful details of the life lived during the years she refers to as 'lost' will cause even the most devoutly faithful reader to take a peek at the shadows of the self we hide from the world and from ourselves. Critique: An exceptionally candid account that is impressively well written, organized, and presented. Finding the Narrow Path: Patterns, Faith, and Searching is an inherently fascinating and consistently compelling account that is as informative and thoughtful as it is insightful and ultimately inspiring. While very highly recommended for Christian Studies reading lists, it should be noted that Finding the Narrow Path is also available in a Kindle format. 6/99
