Reclaiming Our Health Exploding The Medical Myth And Embracing The Source Of True Healing:

Reclaiming Our Health John Robbins,1998 The author calls for a revolution in health care criticizing its hostility to alternative medicine and its bias against women **When Technology Fails** Matthew R. Stein,Matthew Stein,2008-03-27 Matthew Stein s comprehensive guide to sustainable living skills gives you the tools you need to fend for yourself and your family in times of emergency or disaster It also goes a step further giving sound instructions on how to become self reliant in seemingly stable times and for the long term by adopting a sustainable lifestyle Cover p 4 *Yoga Journal* ,1996-11 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty Managing the Myths of Health Care Henry Mintzberg,2017-05-15 Health care is not failing but succeeding expensively and we don t want to pay for it So the administrations public and private alike intervene to cut costs and herein lies the failure In this sure to be controversial book leading management thinker Henry Mintzberg turns his attention to reframing the management and organization of health care The problem is not management per se but a form of remote control management detached from the operations yet determined to control them It reorganizes relentlessly measures like mad promotes a heroic form of leadership favors competition where the need is for cooperation and pretends that the calling of health care should be managed like a business Management in health care should be about dedicated and continuous care more than interventionist and episodic cures This professional form of organizing is the source of health care s great strength as well as its debilitating weakness In its administration as in its operations it categorizes whatever it can to apply standardized practices whose results can be measured When the categories fit this works wonderfully well The physician diagnoses appendicitis and operates some administrator ticks the appropriate box and pays But what happens when the fit fails when patients fall outside the categories or across several categories or need to be treated as people beneath the categories or when the managers and professionals pass each other like ships in the night To cope with all this Mintzberg says that we need to reorganize our heads instead of our institutions He discusses how we can think differently about systems and strategies sectors and scale measurement and management leadership and organization competition and collaboration Market control of health care is crass state control is crude professional control is closed We need all three in their place The overall message of Mintzberg s masterful analysis is that care cure control and community have to work together within health care institutions and across them to deliver quantity quality and equality simultaneously

When Healing Becomes a Crime Kenny Ausubel, 2000-05-01 A powerful and substantiated expose of the medical politics that prevents promising alternative cancer therapies from being implemented in the United States Focuses on Harry Hoxsey the subject of the author's award winning documentary who claimed to cure cancer using herbal remedies Presents scientific evidence supporting Hoxsey's cancer fighting claims Published to coincide with the anticipated 2000 public release of the government sponsored report finding noteworthy cases of survival among Hoxsey patients Harry Hoxsey claimed to cure cancer using herbal remedies and thousands of patients swore that he healed them His Texas clinic became the world's largest privately owned cancer center with branches in seventeen states and the value of its therapeutic treatments was upheld by two federal courts Even his arch nemesis the AMA admitted his treatment was effective against some forms of cancer But the medical establishment refused an investigation branding Hoxsey the worst cancer quack of the century and forcing his clinic to Tijuana Mexico where it continues to claim very high success rates Modern laboratory tests have confirmed the anticancer properties of Hoxsey's herbs and a federal government sponsored

report is now calling for a major reconsideration of the Hoxsey therapy When Healing Becomes a Crime exposes the overall failure of the War on Cancer while revealing how yesterday s unorthodox treatments are emerging as tomorrow s medicine It probes other promising unconventional cancer treatments that have also been condemned without investigation delving deeply into the corrosive medical politics and powerful economic forces behind this suppression As alternative medicine finally regains its rightful place in mainstream practice this compelling book will not only forever change the way you see medicine but could also save your life **Education of Cancer Healing Vol. II - Specialists** Peter Havasi,2013-06-13

The Education of Cancer Healing is the MOST comprehensive and COMPLETE study collection on the history of cancer healing on the market today Totaling more than 2500 pages filled with invaluable information this magnum opus holds answers to your questions regarding cancer and many other diseases These books give you information which is in fact a HEALING DYNAMITE covered by thousands of scientific and medical studies independent professionals and dozens of patient and witness testimonials With this masterwork I am giving you the BEST of my own research the product of 300 000 and the result of more than 20 000 hours of exhaustive and careful research in the field of cancer My mission is to give you THE SUPER KNOWLEDGE the foundation for super powers that are within you so that you can heal yourself of cancer and any other disease and live your life to the fullest potential I will be your guide on your way to POWERFUL HEALTH **The**

Doctor Who Dared to Be Different Lois Berry,2001-06-17 This book is the story of a remarkable doctor Glenn Warner He was a pioneer in the use of immunotherapy to treat his cancer patients and the absolute conviction that wellness is achieved by treating the whole person It was a concept unacceptable to some in the medical community and they carried on a relentless campaign to deny him his license to practice medicine More and more what he believed is being accepted by both patients and doctors Eventually I believe he will be completely vindicated Hippocrates LifeForce Brian R.

Clement,2011-02-25 The Hippocrates Health Institute has been the preeminent leader in the field of natural and complementary health care and education since 1956 Their philosophy is founded on the belief that a pure enzyme rich diet complemented by positive thinking and non invasive therapies is an essential element on the path to optimum health Hippocrates Institute director Dr Brian Clement shows how the Hippocrates LifeForce Program implements the use of raw living foods to help people stimulate natural immune defenses against cancer heart disease and other chronic diseases as well as maintain a healthy weight This book is the result of many years of research in the field of human health and includes case studies describing the experiences of people who have successfully healed themselves after conventional Western medicine had given them little of no hope for recovery Go Deeper Rick Collingwood,2011 *Toward an Integrative*
