

Reclaiming Sodom

EDITED BY JONATHAN GOLDBERG

Reclaiming Sodom

**Daniel Holcombe, Frederick A. de
Armas**

Reclaiming Sodom:

Reclaiming Sodom Jonathan Goldberg, 2024-12-15 Within the Judeo Christian tradition Sodom and Gomorrah represent locales in which threats to national formation are couched in sexual terms The biblical narrative insists on a particular social invisibility for those sexual activities not blessed by the bonds of matrimony Reclaiming Sodom surveys a number of institutions that have had an interest in perpetuating these views the police the state the church and the law The collection ranges through biblical scholarship an investigation of the Founding Fathers beliefs the legal mobilization towards the category of sodomy in 18th and 19th century England and the US Supreme Court s 1986 Bowers vs Hardwick decision Analysis is provided of the ways in which the Judeo Christian tradition has shaped anthropological accounts of the same sex practices of non Western people as well as essays on how colonial gestures have marked lesbian identity in the Caribbean and deformed narratives about the racial geography of AIDS Reclaiming Sodom explores alternatives to the force of the Sodomitic biblical narrative in Islamic non western and western traditions and discusses the ways in which sodomy calls into question normative definitions of sexuality and gender The collection pursues the pleasures and dangers of these alternatives and takes on Proust s refusal to imagine a social movement founded on the stigma of Sodom The collection examines the relations between sex gender identities and sexual acts in important and provocative ways and argues for the political use and usefulness of both Sodom and sodomy Reclaiming Sodom makes an important and controversial contribution to the literature on sexuality and gender as well as the nature of sex in our culture

Reclaiming Sodom Jonathan Goldberg, 1994 Reclaiming Sodom explores alternatives to the force of the Sodomitic biblical narrative in Islamic non western and western traditions and discusses the ways in which sodomy calls into question normative definitions of sexuality and gender The collection pursues the pleasures and dangers of these alternatives and takes on Proust s refusal to imagine a social movement founded on the stigma of Sodom

Sodomscapes Lowell Gallagher, 2017-06-01 Sodomscapes presents a fresh approach to the story of Lot s wife as it s been read across cultures and generations In the process it reinterprets foundational concepts of ethics representation and the body While the sudden mutation of Lot s wife in the flight from Sodom is often read to confirm our antiscopic bias a rival tradition emphasizes the counterintuitive optics required to nurture sustainable habitations for life in view of its unforeseeable contingency Whether in medieval exegesis Russian avant garde art Renaissance painting or today s Dead Sea health care tourism industry the repeated desire to reclaim Lot s wife turns the cautionary emblem of the mutating woman into a figural laboratory for testing the ethical bounds of hospitality Sodomscape the book s name for this gesture revisits touchstone moments in the history of figural thinking and places them in conversation with key thinkers of hospitality The book s cumulative perspective identifies Lot s wife as the resilient figure of vigilant dwelling whose in betweenness discloses counterintuitive ways of understanding what counts as a life amid divergent claims of being with and being for

Gay Male Pornography Christopher N. Kendall, 2004 The 2000 case of Little Sisters

Book and Art Emporium v Customs Canada provided Canada's highest court with its first opportunity to consider whether the analysis set out in *R v Butler* in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience. The Court held that it did, finding that like heterosexual pornography, same-sex pornography also violates the sex equality interests of all Canadians. Christopher Kendall supports this finding, arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation, misogyny and homophobia alike, by sexually conditioning gay men to those attitudes and practices. The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case, the notion of empowerment and the rejection of those values that daily result in all that is anti-gay have been replaced with a misguided community ethic and identity politic that encourages inequality. This is best exemplified in the gay male pornography defended in Little Sisters as liberation and central to sexual freedom. Gay Male Pornography rejects the equality claims of gay male pro-pornography advocates and argues that there is little to be gained from sexualized conformity. To date, no one has taken the position that gay male pornography violates the legal right to sex equality. This book does that and as such it will be of value to scholars of law, sociology and gender studies as well as to all who have an interest in equality and justice.

The Resurrection of the Body Armando Maggi, 2009-05-15 Italian novelist, poet and filmmaker Pier Paolo Pasolini was brutally killed in Rome in 1975, a macabre end to a career that often explored humanity's capacity for violence and cruelty. Along with the mystery of his murderer's identity, Pasolini left behind a controversial but acclaimed oeuvre as well as a final quartet of beguiling projects that signaled a radical change in his aesthetics and view of reality. *The Resurrection of the Body* is an original and compelling interpretation of these final works: the screenplay *Saint Paul*, the scenario for *Porn Theatrical Colossal*, the immense and unfinished novel *Petrolio*, and his notorious final film *Salò or the 120 Days of Sodom*, a disturbing adaptation of the writings of the Marquis de Sade. Together, these works, Armando Maggi contends, reveal Pasolini's obsession with sodomy and its role within his apocalyptic view of Western society. One of the first studies to explore the ramifications of Pasolini's homosexuality, *The Resurrection of the Body* also breaks new ground by putting his work into fruitful conversation with an array of other thinkers such as Freud, Strindberg, Swift, Henri Michaux, and Norman O. Brown.

Reclaiming the Sacred Raymond-Jean Frontain, 2003 The second edition highlights two prevalent trends in gay and lesbian literature: a transgressive approach that challenges the authority of the Bible when used as an instrument of oppression and an appropriative technique that explores how the Bible contributes to defining gay and lesbian spirituality. This latest edition expands its coverage to include noncanonical ancient texts, popular Victorian religious texts, and contemporary theater. Cover page 4

The Jewish Decadence Jonathan Freedman, 2021-04-26 Freedman's final book is a tour de force that examines the history of Jewish involvement in the decadent art movement. While decadent art's most notorious practitioner was Oscar Wilde, as a movement it spread through western Europe and even included a few adherents.

in Russia Jewish writers and artists such as Catulle M ndes Gustav Kahn and Simeon Solomon would portray non stereotyped characters and produce highly influential works After decadent art s peak Walter Benjamin Marcel Proust and Sigmund Freud would take up the idiom of decadence and carry it with them during the cultural transition to modernism Freedman expertly and elegantly takes readers through this transition and beyond showing the lineage of Jewish decadence all the way through to the end of the twentieth century *Sexual Disorientations* Kent L. Brintnall, Joseph A. Marchal, Stephen D. Moore, 2017-11-07 *Sexual Disorientations* brings some of the most recent and significant works of queer theory into conversation with the overlapping fields of biblical theological and religious studies to explore the deep theological resonances of questions about the social and cultural construction of time memory and futurity Apocalyptic eschatological and apophatic languages frameworks and orientations pervade both queer theorizing and theologizing about time affect history and desire The volume fosters a more explicit engagement between theories of queer temporality and affectivity and religious texts and discourses *Reclaiming the Sacred* Raymond J Frontain, 2013-04-03 The second edition of *Reclaiming the Sacred* The Bible in Gay and Lesbian Culture continues the groundbreaking work of the original exploring the territory between gay lesbian studies literary criticism and religious studies This much anticipated follow up examines the appropriation and or subversion of the authority of the Judeo Christian Bible by gay and lesbian writers The book highlights two prevalent trends in gay and lesbian literature a transgressive approach that challenges the authority of the Bible when used as an instrument of oppression and an appropriative technique that explores how the Bible contributes to defining gay and lesbian spirituality Reviewers of the first edition of *Reclaiming the Sacred* hailed the book s enterprise in exploring the area between literary criticism and religious studies Whereas contemporary literary critical theory has been slow to integrate religion and religious history into queer theory this pioneering journal has addressed the issue from the start with a collection of thoughtful and though provoking articles This latest edition expands coverage to include noncanonical ancient texts popular Victorian religious texts and contemporary theater Academics and lay readers interested in literary criticism cultural studies and religious studies will gain new insights from topics such as religious mystery and homosexual identity in Terrence McNally s *Corpus Christi* same sex biblical couples in Victorian literature homoerotic texts in the Apocrypha sodomite rhetoric in a seventeenth century Italian text Radclyffe Hall s lesbian messiah in her 1928 novel *The Well of Loneliness* homosexual temptation in John Milton s *Paradise Regained* *Reclaiming the Sacred* counteracts the manipulative and oppressive uses to which modern writers and thinkers put the Bible and the morality it is presumed to inscribe An important tool for understanding the role of the Bible in gay and lesbian culture this remarkable book makes a powerful contribution to the advancement of studies on queer sanctity **Sodomy** Michael Carden, 2014-12-18 The biblical narrative of Sodom and Gomorrah has served as an archetypal story of divine antipathy towards same sex love and desire Sodomy offers a study of the reception of this story in Christian and Jewish traditions from antiquity to the Reformation The book

argues that the homophobic interpretation of Sodom and Gomorrah is a Christian invention which emerged in the first few centuries of the Christian era The Jewish tradition in which Sodom and Gomorrah are associated primarily with inhospitality xenophobia and abuse of the poor presents a very different picture The book will be of interest to students and scholars seeking a fresh perspective on biblical approaches to sexuality

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Sappho Jonathan Goldberg, 2018 In *Sappho* Jonathan Goldberg takes as his model the fragmentary state in which this sublime poet's writing survives a set of compositional and theoretical resources for living and thinking in more fully erotic ways in the present and the future This book thus offers fragmentary commentary on disparate Sapphic works such as the comics of Alison Bechdel the paintings and cartoons of Leonardo da Vinci Robert Reid Pharr's *Living as a Lesbian* Madeleine de Scudry's *Histoire de Sapho* John Donne's *Sapho to Philaenis* Todd Haynes and Patricia Highsmith's *Carol* Virginia Woolf's *Orlando* writings by Willa Cather and the paintings and writings of Simeon Solomon among other works Goldberg challenges readers to imagine and experience what Sarah Orne Jewett named the country of our friendship a love both exceedingly strange and compellingly familiar Just as Sappho's coinage bitter sweet describes eros as inextricably contradictory two things at once one thing after another each interrupting complicating each other the juxtapositions in this book mean to continually call into question categories of identity and identification in the wake of a quintessential woman writer from Lesbos Over and over again Goldberg's *Sappho* fragments inquires into how race sexuality and gender cross each other The theoretical genius of Eve Kosofsky Sedgwick presides over this set of meditations and mediations on likeness and desire Rather than homogenizing its many subjects it invites the reader to explore and inhabit new transits within and through what Audre Lorde called the very house of difference With an Afterword *After Party Sappho Meets Freud* written by L O Aranye Fradenburg Joy

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich

heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Prostitution, Power and Freedom Julia

O'Connell Davidson,2013-06-21 Prostitution is still the subject of intense controversy among feminists but theoretical and political analyses are often only loosely grounded in empirical research This book offers new perspectives on prostitution

based on wide ranging research in nine countries and extensive work with prostitute users

Sex and Death in Eighteenth-Century Literature Jolene Zigarovich, 2013-05-02 This book discusses sex and death in the eighteenth century an era that among other forms produced the Gothic novel commencing the prolific examination of the century's shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined By bringing together various viewpoints and historical relations the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality It not only provides part of the needed discussion of the relationship between sex death history and eighteenth century culture but is a forum in which the ideas of several well respected critics converge producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen As the contributors demonstrate eighteenth century anxieties over mortality the body the soul and the corpse inspired many writers of the time to both implicitly and explicitly embed mortality and sexuality within their works By depicting the necrophilic tendencies of libertines and rapacious villains the fetishizing of death and mourning by virtuous heroines or the fantasy of preserving the body these authors demonstrate not only the tragic results of sexual play but the persistent fantasy of necro erotica This book shows that within the eighteenth century culture of profound modern change underworkings of death and mourning are often eroticized that sex is often equated with death as punishment or loss of the self and that the sex death dialectic lies at the discursive center of normative conceptions of gender desire and social power

The Triumphant Juan Rana Peter E. Thompson, 2006-01-01 In The Triumphant Juan Rana Peter E Thompson examines the actor's sexuality both on and off the stage and demonstrates that his homosexuality was tolerated even understood and applauded by the public

Bodies beyond Labels Daniel Holcombe, Frederick A. de Armas, 2024-06-03 Bodies beyond Labels explores moments of joy and joyful expressions of self identity intimacy sexuality affect friendship social relationships and religiosity in imperial Spanish cultures a period when embodiments of such joy were shadowed by comparatively more constrictive social conventions Viewed in this manner joy frames historic references to gender sexuality and present day concepts of queerness through homoeroticism non labelled bodies gender fluidity and performativity This collection reveals diverse glimmers of joy through a variety of genres including plays poems novels autobiographies biblical narratives and civil law texts among others The book is divided into five categories theatrical works that use mythology to enjoy themes of homoeroticism narrative prose and visual arts that reveal public and private homoerotic expressions scopophilia within garden and museum spaces that make possible joyous observations of non labelled and non corporeal bodies biblical narratives and epistolary works that signal religious transgressions of gender and friendship and sexual geographies explored in historic and legal documents As new generations develop more nuanced senses of gender and sexual identities Bodies beyond Labels strives to provide new academic optics as framed by non labelled bodies queer theorizations joy in unexpected places and the light that has historically re emerged from the shadows

Queer City Peter Ackroyd, 2022-03-31 A history of the development of London as a European epicenter of queer life In *Queer City* the acclaimed Peter Ackroyd looks at London in a whole new way through the complete history and experiences of its gay and lesbian population In Roman Londinium the city was dotted with lupanaria wolf dens or public pleasure houses fornicators brothels and thermiae hot baths Then came the Emperor Constantine with his bishops monks and missionaries And so began an endless loop of alternating permissiveness and censure Ackroyd takes us right into the hidden history of the city from the notorious Normans to the frenzy of executions for sodomy in the early nineteenth century He journeys through the coffee bars of sixties Soho to Gay Liberation disco music and the horror of AIDS Ackroyd reveals the hidden story of London with its diversity thrills and energy as well as its terrors dangers and risks and in doing so explains the origins of all English speaking gay culture Praise for *Queer City* Spanning centuries the book is a fantastically researched project that is obviously close to the author's heart An exciting look at London's queer history and a tribute to the various human worlds maintained in the city's diversity despite persecution condemnation and affliction Kirkus Reviews Ackroyd's work is highly anecdotal and near encyclopedic the book is fascinating in its careful exposition of the singularities and commonalities of gay life both male and female Ultimately it is as he concludes a celebration as well as a history Booklist A witty history cum tribute to gay London from the Roman wolf dens through Oscar Wilde and Gay Pride marches to the present day ShelfAwareness

The Top Books of the Year Reclaiming Sodom The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
