Stephens. His diary kept when a prisoner at Fort Warren, Boston Harbour, 1865 ... and some letters and reminiscences. Edited with a biographical study by Myrta Lockett Avery Alexander Hamilton STEPHENS, Myrta Lockett Avery, 1910 **Recollections of Alexander H. Stephens** Alexander Hamilton Stephens, 1910 **Life of Alexander H. Stephens** Richard Malcolm Johnston, William Hand Browne, 1878 *The Life of Alexander H. Stephens* Frank Henry Norton, 1883 **There's Lots to See in Georgia** Jennifer W. Dickey, 2025-06-15 There's Lots to See in Georgia provides a history of the Peach State's state historic sites including a brief history of each site the process by which the sites were preserved or restored and became part of the state historic site system and information to guide visitors as they tour each site The sixteen sites featured in this book capture more than fifteen hundred years of history of the place we now call Georgia from the Woodland era through the mid twentieth century Included are Native American sites from the Woodland Mississippian and Cherokee periods colonial era sites frontier settlement sites antebellum plantations Civil War sites and a presidential retreat No other book offers such comprehensive coverage of all the historic sites owned and operated by the state of Georgia **Annual Report of the American Historical Association** American Historical Association, 1913 **Slavery and the American West** Michael A. Morrison, 2000-11-15 Tracing the sectionalization of American politics in the 1840s and 1850s Michael Morrison offers a comprehensive study of how slavery and territorial expansion intersected as causes of the Civil War Specifically he argues that the common heritage of the American Revolution bound Americans together until disputes over the extension of slavery into the territories led northerners and southerners to increasingly divergent understandings of the Revolution's legacy Manifest Destiny promised the literal enlargement of freedom through the extension of American institutions all the way to the Pacific At each step from John Tyler's attempt to annex Texas in 1844 to the Kansas Nebraska Act to the opening shots of the Civil War the issue of slavery had to be confronted Morrison shows that the Revolution was the common prism through which northerners and southerners viewed these events and that the factor that ultimately made consensus impossible was slavery itself By 1861 no nationally accepted solution to the dilemma of slavery in the territories had emerged no political party existed as a national entity and politicians from both North and South had come to believe that those on the other side had subverted the American political tradition **Treason on Trial** Robert Icenhauer-Ramirez, 2019-06-05 In the immediate aftermath of the Civil War federal officials captured imprisoned and indicted Jefferson Davis for treason If found guilty the former Confederate president faced execution for his role in levying war against the United States Although the federal

government pursued the charges for over four years the case never went to trial In this comprehensive analysis of the saga *Treason on Trial* Robert Icenhauer Ramirez suggests that while national politics played a role in the trial s direction the actions of lesser known individuals ultimately resulted in the failure to convict Davis Early on two primary factions argued against trying the case Influential northerners dreaded the prospect of a public trial fearing it would reopen the wounds of the war and make a martyr of Davis Conversely white southerners pointed to the treatment and prosecution of Davis as vindictive on the part of the federal government Moreover they maintained the right to secede from the Union remained within the bounds of the law effectively linking the treason charge against Davis with the constitutionality of secession While Icenhauer Ramirez agrees that politics played a role in the case he suggests that focusing exclusively on that aspect obscures the importance of the participants In *the United States of America v Jefferson Davis* preeminent lawyers represented both parties According to Icenhauer Ramirez Lucius H Chandler the local prosecuting attorney lacked the skill and temperament necessary to put the case on a footing that would lead to trial In addition Supreme Court Chief Justice Salmon P Chase had little desire to preside over the divisive case and intentionally stymied the prosecution s efforts The deft analysis in *Treason on Trial* illustrates how complications caused by Chandler and Chase led to a three year delay and eventually to the dismissal of the case in 1868 when President Andrew Johnson granted blanket amnesty to those who participated in the armed rebellion

Thank you totally much for downloading **Recollections Of Alexander H Stephens**. Maybe you have knowledge that, people have look numerous times for their favorite books next this Recollections Of Alexander H Stephens, but stop occurring in harmful downloads.

Rather than enjoying a fine book when a cup of coffee in the afternoon, then again they juggled as soon as some harmful virus inside their computer. **Recollections Of Alexander H Stephens** is available in our digital library an online entrance to it is set as public thus you can download it instantly.
