Reconciliation In The Asiapacific:

Reconciliation in the Asia-Pacific Yōichi Funabashi, 2003 History has left many scars in the Asia Pacific. Injuries inflicted generations ago are still fresh in the collective memories of the peoples of the region. Hobbled efforts to repair relationships between old adversaries. But recently the spirit of reconciliation seems to have acquired new life. From Korea to Japan to China longtime enemies are trading apologies and looking ahead. In this remarkably timely volume Yoichi Funabashi one of Japan's most influential journalists and seven authors from throughout the Asia Pacific shine the spotlight on the prospects for reconciliation in the region. Looking at instances of inter ethnic as well as international strife this book lays out the background to each case analyzes the impact of unresolved and sometimes unacknowledged grievances and weighs the prospects for overcoming the burden of history. Not all the cases inspire optimism at least in the short term for bitter memories have burrowed deep into society and are intertwined with issues of political power and ethnic identity. But in some parts of the region palpable progress toward reconciliation is being made. In his conclusion Funabashi identifies the key steps that governments and publics must take if they are to come to terms with the past. **Multiculturalism and Conflict**

Shimizu, William S Bradley, 2020-10-09 This book is open access under a CC BY license. Japan has recently promoted a number of initiatives that can be termed an opening to the world and the Asia Pacific in particular. These have origins in Japan's globalization generally and multicultural policies more specifically. The chapters in this book are grouped in three parts theories language and migration and they explicate details of multiculturalism in the Asia Pacific largely focused on Japan but including cases that extend beyond Japan as well. Alternative understandings based on analyzing conflicts and moving towards reconciliation underscore the urgency of viewing multiculturalism in Japan and the Asia Pacific from perspectives that are firmly based in the region. Themes such as immigration identity foreign language education politics and language English language policies dual citizenship foreign labor policies and movements and higher education are all addressed in the individual chapters. This book will be of interest to scholars of multiculturalism in a wide variety of fields. Reconciliation in Conflict-Affected Communities Bert Jenkins, D. B. Subedi, Kathy Jenkins, 2017-10-29 This book focuses on the formal and informal reconciliation processes during conflict and post conflict periods in various locations in the Asia Pacific and includes case studies based on primary research conducted in countries such as Cambodia Timor Leste Nepal Sri Lanka Pakistan India South Thailand Bougainville and the Solomon Islands It offers insights to further our understanding of the social and political processes of reconciliation in a region that has witnessed numerous armed conflicts many of them perpetuating over generations The book also draws lessons from the richness arising from diversity in terms of religious and cultural practices social life and forms of government and governance and through the exploration of theories and practices of reconciliation in conflict and post conflict contexts in the region It provides useful reference material for researchers academics policy makers and students working in the areas of peacebuilding conflict transformation reconciliation social cohesion development transitional justice and human rights in the Asia and Pacific region

The San Francisco System and Its Legacies Kimie Hara, 2014-11-20 In September 1951 Japan signed a peace treaty with forty eight countries in San Francisco in April 1952 the treaty came into effect The San Francisco Peace Treaty is an international agreement that in significant ways shaped the post World War II international order in the Asia Pacific With its associated security arrangements it laid the foundation for the regional structure of Cold War confrontation the San Francisco System fully reflected the strategic interests and policy priorities of the peace conference's host nation the United States The treaty fell far short of settling outstanding issues in the wake of the Pacific War or facilitating a clean start for the post war period Rather critical aspects of the settlement were left equivocal and continue to have significant and worrisome implications for regional international relations This book examines the key developments of the contentious political and security issues in the Asia Pacific that share a common foundation in the post war disposition of Japan particularly the San Francisco Peace Treaty These include both tangible and intangible issues such as disputes over territories and history problems Taking the San Francisco System as its conceptual grounding the authors examine how these issues developed and have remained contentious long after the San Francisco arrangements To provide bases for producing solutions the chapters offer comprehensive accounts that explain and deepen our understanding of these complex regional issues and the San Francisco System as a whole By closely and systematically examining the legacy and various ramifications of the San Francisco System this fascinating book adds to our understanding of current and growing tensions in the region As such it will be of great interest to students and scholars of Asian studies history international relations and politics

Elayah, Laurent A. Lambert, 2023-03-12 This book explores the challenges of the governance and public policy in the midst and after conflicts revolutions and civil wars in the Middle East and Africa As anywhere else the task of rebuilding peace and institutionalizing stability in countries experiencing a conflict or just emerging from it is daunting uncertain and context specific Yet focusing on the Middle East and Africa is of particular relevance as these two regions feature the highest numbers of inter and intra state conflicts on the one hand and

the central states are more often contested than in the rest of world regions The first half of the book proposes different cases addressing the fundamental challenge of inclusion and cohesion as well as the recurring issue of exclusion in conflict affected situations with four different cultural and institutional settings The second half of the book offers more theoretical insights and proposed pathways to develop more inclusive and peaceful governance settings in Africa the Middle East and beyond This edited book has been designed to be a helpful contribution to the analysis of conflict and post conflict governance and peacebuilding To do so it deploys different lenses of social sciences especially public policy and international relations but also benefits from social psychology political anthropology and other disciplines that enable a more comprehensive understanding of the multifaceted complex and dynamic issues at play

Coexistence in the Aftermath of Mass Violence Eve Zucker, Laura McGrew, 2020-12-07 Coexistence in the Aftermath of Mass Violence demonstrates how imagination empathy and resilience contribute to the processes of social repair after ethnic and political violence Adding to the literature on transitional justice peacebuilding and the anthropology of violence and social repair the authors show how these conceptual pathways imagination empathy and resilience enhance recovery coexistence and sustainable peace Coexistence or reconciliation is the underlying goal or condition desired after mass violence enabling survivors to move forward with their lives Imagination allows these survivors victims perpetrators bystanders to draw guidance and inspiration from their social and cultural imaginaries to develop empathy and to envision a future of peace and coexistence Resilience emerges through periods of violence and its aftermaths through acts of survival compassion modes of rebuilding social worlds and the establishment of a peaceful society Focusing on society at the grass roots level the authors discuss the myriad and little understood processes of social repair that allow ruptured societies and communities to move toward a peaceful and stable future The volume also illustrates some of the ways in which imagination empathy and resilience may contribute to the prevention of future violence and the authors conclude with a number of practical and policy recommendations The cases include Cambodia Rwanda Sierra Leone Somaliland Columbia the Southern Cone Iraq and Bosnia

Children and Global Conflict Kim Huynh, Bina D'Costa, Katrina Lee-Koo, 2015-04-09 Over one billion people under the age of eighteen live in territories affected by armed conflict Despite this scholars and practitioners often lack a comprehensive knowledge of how children both struggle within and shape conflict zones Children and Global Conflict provides this understanding with a view to enhancing the prospects of conflict resolution and peacebuilding This book presents key ideas and issues relating to children's experiences of war international relations and international law The authors explore the political conceptual and moral debates around children in these contexts and offer examples and solutions based on case studies of child soldiers from Vietnam child forced migrants in Australia young peace builders in post conflict zones youth in the international justice system and child advocates across South Asia and the Middle East

Japanese War Crimes Peter Li, 2017-07-12 The question of national responsibility for crimes against humanity became an urgent topic due to the charge of ethnic cleansing

against the previous Yugoslav government But that was not the first such urging of legal and moral responsibility for war crimes While the Nazi German regime has been prototypical the actions of the Japanese military regime have been receiving increasing prominence and attention Indeed Peter Li's volume examines the phenomenon of denial as well as the deeds of destruction Certainly one of the most troublesome unresolved problems facing many Asian and Western countries after the Asia Pacific war 1931-1945 is the question of the atrocities committed by the Japanese Imperial Army throughout Asia and the Japanese government's repeated attempts to whitewash their wartime responsibilities The psychological and physical wounds suffered by victims their families and relations remain unhealed after more than half a century and the issue is now pressing This collection undertakes the critical task of addressing some of the multifaceted and complex issues of Japanese war crimes and redress This collection is divided into five themes In *It's Never Too Late to Seek Justice* the issues of reconciliation accountability and Emperor Hirohito's responsibility for war crimes are explored *The American POW Experience Remembered* includes a moving account of the Bataan Death March by an American ex soldier *Psychological Responses* discusses the socio psychological affects of the Nanjing Massacre and Japanese vivisection on Chinese subjects The way in which Japanese war atrocities have been dealt with in the theater and cinema is the focus of *Artistic Responses* And central to *History Must not Forget* are the questions of memory trauma biological warfare and redress Included in this volume are samples of the many presentations given at the International Citizens Forum on War Crimes and Redress held in Tokyo in Decem

Alternative Approaches in Conflict Resolution Christine Schliesser, Martin Leiner, 2025-02-24 In its second edition this extended and revised volume brings together alternative and innovative approaches in conflict resolution With traditional military intervention repeatedly contributing to instability and violence the study of alternative approaches has become imperative Can forgiveness help heal relationships in post apartheid South Africa How can art assist dealing with unrememberable events such as the genocide in Rwanda What transformational resources do women offer in contexts of massive human rights violations The aim of this edited volume is twofold to provide and encourage critical reflection of the approaches presented here and to explore concrete improvements in conflict resolution strategies In its interdisciplinary and international outlook this work combines the tried and tested approaches from conflict resolution experts in academia NGOs and civil society making it an invaluable tool for academics and practitioners alike

East Asia's Haunted Present
Tsuyoshi Hasegawa, Kazuhiko Togo, 2008-06-30 This collection of essays by leading scholars from Japan China South Korea and the United States examines how and why bitter historical memories have resurfaced in recent years as freshly virulent and contentious issues between Japan and its neighbors especially China and South Korea Moreover it seeks to identify what set of conditions and what sequence of measures will enable these modern nations to manage palliate and exorcise the wrongs of the past in a spirit of reconciliation so that the dangerous growth of nationalist resentments and revanchism can be checked Comfort women the Yasukuni Shrine the history textbook controversies The single sorest issue confronting East

Asia today is the growing animosity and conflict between Japan and its neighbors especially China and South Korea over their respective and collective memories of Japan's pre 1945 militaristic aggression oppression and atrocities Even as East Asia has established itself as one of the most vibrant economic regions of the world the strident nationalisms that have emerged here in the post Cold War period have exacerbated historical grievances and heightened the international tensions that separate Japan from China and South Korea blocking the development of an international system based on comity and cooperation

Making Globalization Happen Vijayashri Sripati, 2024-03-10 In *Making Globalization Happen The Untold Story of Power Profits Privilege* Sripati explains how when through which entities and for what purposes economic globalization was catalyzed and its effects on the Global South in general and South Asia in particular Based on an innovative international constitutional political economy framework Sripati examines how the Western classical liberal constitution has shaped international law developments in this post colonial era given its salience and comprehensive scope Presenting a comprehensive narrative of economic globalization *Making Globalization Happen* accurately and comprehensively links constitutional globalization to the following UN family created agendas peacebuilding conflict prevention human security protection of civilians sustainable development global war on terrorism women peace and security poverty reduction or market oriented development ending conflict related sexual violence and justice climate criminal and transitional Sripati simultaneously provides the missing constitutional foundation for globalization and the fields that it has spawned global studies and law and political economy With these ground breaking insights *Making Globalization Happen The Untold Story of Power Profits Privilege* clearly illustrates who drove constitutional globalization and for whose benefit the UN family and transnational capitalists Thus it rips away the facade of UN family driven peace justice human rights democracy and development to expose it as a narrative of power profit and privilege for transnational capitalists and debt death and despair for the Global South
