## **Reconnection With The Power Of Love Cocreation W:**

*Reconnection with the Power of Love* Richard Schemmerer, 2004-07-01 The Power of Love is a journey back to our origin a place in us that leaves the limitations of the mind behind and reconnects us with the source of all that is With The Power of Love we are presented with an inspirational book that guides us to the heart of the matter It dives with sincerity into the often misunderstood subject of love to lift the veil of confusion It does not deal with the romantic notion of love like many other books instead it recognizes love as the most potent energy field that prevails in the Universe This Love force is the primordial source of creation Without it we are leaves in the wind of our desires and emotions Without the connection to this love we feel like enemies towards each other The Power of Love is attempting to teach you how to be in constant contact with this love and to live from the center of your heart to prevent us from indulging into self destructive behaviors that harm us and others and to awaken us to the wonder that is unfolding around us Reconnection to the Power of Love uses easy to understand terminology to explain the interaction between the inner world and our outer experiences Our scientific knowledge of the inter connectedness between thought and the manifestation of the material world is growing rapidly but our thinking and loving processes haven't properly adjusted as of yet Love is of universal interest and every person on the planet relates to this subject through personal experience There is a need to revise our preconceived notion about love The world has changed so rapidly that we have been swept away not by love but by stress and other competitive elements It is time to have a closer look at those dated concepts to evaluate if they are still valuable in the 21st century Love can only be experienced in the now of the moment and the now can only be truly experienced in a moment of unconditional love The Power to Love Edwin W. Hirsch, 2013-10 This is a new release of the original 1935 edition *The Power of Love* Beth Fortman-Brand, 2004-02-10 The Power of Love Living From Our Hearts is the first in a series of books designed to elevate an individual into a state of awareness It is a transformational process of our choosing to use our conscious awareness in each moment to come from love instead of fear The purpose of this book is to assist in remembering the truth of our magnificence This process occurs by becoming self realized The self realization that we create our reality through our thoughts words and actions When our mental emotional and physical bodies align with unlimited love there is no lack or self imposed limitations Everything is possible The function of this book is to provide spiritual information with effective practical tools The information demonstrates how to integrate a spiritual life style within a successful current reality It bridges the gap between religious and non religious individuals This book contains seven Universal Truths and several practical tools successfully applied by many clients family members and other professionals along with my personal journey of self discovery Tremendous wisdom is gained learning from many of life's challenges such as morbid obesity weighing at one point 428 lbs financial bankruptcy childrearing as a result of sibling death and divorce The Power of Love Paul Ferrini, 2004 The Power of Love presents 10 spiritual Practices that can transform your life Performed over a 10 week period these experiential

exercises will help you to integrate into daily life the concepts presented in The Laws of Love The Prospering Power of Love Catherine Ponder, 2006 Catherine Ponder has adapted her Spiritual Prosperity philosophy to help individuals solve common relationship problems **Reconnect to Love** Yong Kang Chan, 2020-06-08 Do you feel lonely even when you are with people When we are alone and isolated many of us think we will feel better once we surround ourselves with friends family or a romantic partner We are constantly looking for someone else to complete us accompany us and give us love and attention But instead of feeling less lonely we often end up feeling empty and disappointed Something always seems to be missing from our relationships We want a deep meaningful connection with others However our relationships usually don't live up to our expectations People don't seem to get us or we don't seem to fit in with others Even those of us who are married or in a love relationship we still feel separate and emotionally disconnected from our partners from time to time Why is this so Download Reconnect to Love A Journey From Loneliness to Deep Connection The truth is loneliness is not due to a lack of external connection It's a result of internal disconnection When we feel lonely we have lost our alignment with the love and abundance within Instead we are focusing on what's missing and lacking in our relationships This book is not about getting rid of loneliness or building better relationships with others The purpose of this book is about reconnecting to the love that is always available to us from within whenever we feel lonely By clearing the psychological obstacles that prevent us from feeling connected to others in the first place we naturally become more spiritually connected with the world and others Scroll to the top of the page and get a copy of Reconnect to Love now The Ways and Power of Love Pitirim Aleksandrovič Sorokin (Soziologe), 1954
