Reconstructed Lives Women And Irans Islamic Revolution:

Reconstructed Lives Haleh Esfandiari, 1997-07 Iranian women tell in their own words what the revolution attempted and how they responded The Islamic revolution of 1979 transformed all areas of Iranian life For women the consequences were extensive and profound as the state set out to reverse legal and social rights women had won and to dictate many aspects of women s lives including what they could study and how they must dress and relate to men *Reconstructed Lives* presents Iranian women telling in their own words what the revolution attempted and how they responded Through a series of interviews with professional and working women in Iran doctors lawyers writers professors secretaries businesswomen Haleh Esfandiari gathers dramatic accounts of what has happened to their lives as women in an Islamic society She and her informants describe the strategies by which women try to and sometimes succeed in subverting the state s agenda Esfandiari also provides historical background on the women s movement in Iran She finds evidence in Iran s experience that even women from traditional and working classes do not easily surrender rights or access they have gained to education career opportunities and a public role

Iran Reframed Narges Bajoghli, 2023-05-25 A Middle East scholar shares an inside look at what it means to be pro regime in Iran and the debates around the future of the Islamic Republic More than half of Iran s citizens were not alive at the time of the 1979 Revolution Now entering its fifth decade in power the Iranian regime faces the paradox of any successful revolution how to transmit the commitments of its political project to the next generation New media ventures supported by the Islamic Republic attempt to win the hearts and minds of younger Iranians Yet members of this new generation whether dissidents or fundamentalists are increasingly skeptical of these efforts *Iran Reframed* offers unprecedented access to those who wield power in Iran as they debate and define the future of the Republic Over ten years Narges Bajoghli met with men in Iran s Revolutionary Guard Ansar Hezbollah and Basij paramilitary organizations to investigate how their media producers developed strategies to court Iranian youth Readers come to know these men what the regime means to them and their anxieties about the future of their revolutionary project This book offers a multilayered story about what it means to be pro regime in the Islamic Republic challenging everything we think we know about Iran and revolution

Nomads in Postrevolutionary Iran Lois Beck, 2014-09-19 Examining the rapid transition in Iran from a modernizing westernizing secularizing monarchy 1941 79 to a hard line conservative clergy run Islamic republic 1979 this book focuses on the ways this process has impacted the Qashqa i a rural nomadic tribally organized Turkish speaking ethnic minority of a million and a half people who are dispersed across the southern Zagros Mountains Analysing the relationship between the tribal polity and each of the two regimes the book goes on to explain the resilience of the people s tribal organizations kinship networks and politicized ethnolinguistic identities to demonstrate how these structures and ideologies offered the Qashqa i a way to confront the pressures emanating from the two central governments Existing scholarly works on politics in Iran rarely consider Iranian society outside the capital of Tehran and beyond the reach of the details of national

politics Local level studies on Iran accounts of the ways people actually lived are now rare especially after the revolution Based on long term anthropological research Nomads in Postrevolutionary Iran provides a unique insight into how national level issues relate to the local level and will be of interest to scholars and researchers in Anthropology Iranian Studies and Middle Eastern Studies Eyelin Zahra Hankir,2023-11-14 A New York Times Book Review Editors Choice Pick Cosmetic tool of rebellion status signifier Eyeliner has been all these and more Moving through millennia and across civilizations Hankir gives the makeup its eye opening due The New York Times Book Review An impressive rigorously researched winding path through centuries and over continents NPR.org I loved Eyeliner Hankir approaches her subject with dedicated curiosity humility and humor blending anthropology travel writing memoir and history A treat Kassia St Clair author of The Secret Lives of Color From the acclaimed editor of Our Women on the Ground comes a dazzling exploration of the intersections of beauty and power around the globe told through the lens of an iconic cosmetic From the distant past to the present with fingers and felt tipped pens metallic powders and gel pots humans have been drawn to lining their eyes The aesthetic trademark of figures ranging from Nefertiti to Amy Winehouse eyeliner is one of our most enduring cosmetic tools ancient royals and Gen Z beauty influencers alike would attest to its uniquely transformative power It is undeniably fun yet it is also far from frivolous Seen through Zahra Hankir's kohl lined eyes this ubiquitous but seldom examined product becomes a portal to history proof both of the stunning variety among cultures across time and space and of our shared humanity Through intimate reporting and conversations with nomads in Chad geishas in Japan dancers in India drag queens in New York and more Eyeliner embraces the rich history and significance of its namesake especially among communities of color What emerges is an unexpectedly moving portrait of a tool that in various corners of the globe can signal religious devotion attract potential partners ward off evil forces shield eyes from the sun transform faces into fantasies and communicate volumes without saying a word Delightful surprising and utterly absorbing Eyeliner is a fascinating tour through streets stages and bedrooms around the world and a thought provoking reclamation of a key piece of our collective history

Women and Politics in the Islamic Republic of Iran Sanam Vakil,2011-04-21 Women and Politics in the Islamic Republic of Iran looks at the rise and role of female activism in Iran since the 1979 Revolution Since 1979 women have played a decisive role in elections and assumed political posts This study assesses this role as well as the impact of domestic and international policies on women's activism highlighting the contradictions between politics and religion within the Islamic Republic It also seeks to evaluate political and economic developments and the transformations in civil society including the development of a gender conscious society Women and Politics in the Islamic Republic of Iran features original research by Sanam Vakil an Iranian American scholar who conducted interviews with women activists politicians journalists clerics and students in Iran Europe and the U S and used primary sources to specifically link women's activism to the domestic political changes in Iran The book will be an essential resource for anyone studying Iranian politics and seeking to

understand better the internal political and social dynamics in Iran and the critical role that women play **Iran**

Encountering Globalization Ali Mohammidi, 2013-02-01 With new material and up to date information this book examines the current state of Iran exploring a wide range of areas including the economy finance politics the media and the position of women and migration Iran Encountering Globalization discusses the uneasy balance between the theocratic conservatism modernization and globalization This is a key tension in Iran one which has arisen following the revolution of 1979 since the regime has worked to Islamicize the country while at the same time international globalization forces have been pulling in a different direction Concluding that forces for change in Iran are currently building up this is an extremely topical book that makes an important contribution to current debates surrounding democracy in Iran Modernity, Sexuality, and Ideology in Iran Kamran Talattof, 2011-06-01 In Iran since the mid nineteenth century one issue has been a common concern how should Iran become modern More than a century of struggle for or against modernity has constituted much of the social political and cultural history of the country In the decades since the 1979 Revolution the question has become even more critical In *Modernity Sexuality and Ideology in Iran* Talattof finds that the process of modernity never truly unfolded due in large part to Iran's reluctance to embrace the seminal subjects of gender and sexuality Talattof's approach reflects a unique look at modernity as advancement not only in industry and economy but also toward an open intellectual discourse on sexuality Exploring the life and times of Shahrzad a dancer actress filmmaker and poet Talattof illuminates the country's struggle with modernity and the ideological traditional and religious resistance against it Born in 1946 she performed in several theater productions became an acclaimed film star in the 1970s and pursued a career as a journalist and poet Following the revolution she was imprisoned and eventually became homeless on the streets of Tehran Her success and eventual decline as a female artist and entertainer illustrate the conflict between modernity and tradition and Iran's failure to embrace an overt expression of sexuality Talattof also profiles several other female artists of the 1970s analyzing their lives and work as windows through which to examine what Iranian culture allowed and what it repudiated A pioneering and timely work *Modernity Sexuality and Ideology in Iran* explores the integral role of popular culture and female artists in the shaping of modern Iran constructing a new framework for understanding such crucial concepts as ideology and modernity *Sectarian Politics in the Persian Gulf* Lawrence G. Potter, 2014-06-01 Long a taboo topic as well as one that has alarmed outside powers sectarian conflict in the Middle East is on the rise The contributors to this book examine sectarian politics in the Persian Gulf including the GCC states Yemen Iran and Iraq and consider the origins and consequences of sectarianism broadly construed as it affects ethnic tribal and religious groups They also present a theoretical and comparative framework for understanding sectarianism as well as country specific chapters based on recent research in the area Key issues that are scrutinised include the nature of sectarianism how identity moves from a passive to an active state and the mechanisms that trigger conflict The strategies of governments such as rentier economies and the invention of partisan national histories that encourage or

manage sectarian differences are also highlighted as is the role of outside powers in fostering sectarian strife The volume also seeks to clarify whether movements such as the Islamic revival or the Arab Spring obscure the continued salience of religious and ethnic cleavages Forced Into Faith Innaiah Narisetti, 2010-10-28 In 1989 the United Nations General Assembly adopted the Convention on the Rights of the Child proclaiming elementary rights for children worldwide Among other provisions the Convention safeguards children's religious freedom and their freedom of thought But because child rearing is recognized as the primary responsibility of parents the question of what children are raised to believe is left up to their mothers and fathers In this controversial critique of the UN Convention humanist Innaiah Narisetti forcefully argues that children's rights should include complete freedom from religious belief Narisetti proposes that the choice of religious belief or nonbelief should be deferred till adulthood Just as most societies recognize that marriage and civic responsibilities such as voting are adult prerogatives that children should not be allowed to exercise so should the choice of a belief system wait till an individual is competent to exercise mature judgment Narisetti cites numerous examples of the ways in which early religious indoctrination leads to later negative attitudes such as intolerance suspicion and outright hostility directed toward those who believe differently He also notes that religion provides a cloak for such obvious evils as sexual abuse genital mutilation and corporal punishment of children While most societies are quick to condemn such abuses Narisetti suggests that they should be willing to take the next logical step and look to the role of religion in such problems Including the complete text of the Convention on the Rights of the Child this candid unflinching critique of childhood religious education will provoke much thoughtful discussion Postcolonizing the Commonwealth Rowland Smith, 2006-01-01 Women and resistance in Iran cowboy songs fetal alcohol syndrome the conquest of Everest women settlers in Natal What do these topics have in common The study of what used to be called Commonwealth literature or the new literatures has by now come to be known as postcolonial study This collection of essays investigates the status of postcolonial studies today The contributors come from three generations the pioneers who introduced study of the new literatures into university English departments the next generation who refined and developed many of the theoretical positions embodied in postcolonial study and the next much younger generation who use the established practices of the discipline to investigate the application of this theory in a wide range of cultural contexts Although the authors write from such different starting points a surprisingly similar set of images phrases and topics of concern emerge in their essays They return constantly to issues of difference and similarity the re-examination of categories that often appear to be too rigidly defined in current postcolonial practices and to concepts of sharing experience ideas of home and even the use of land Postcolonizing the Commonwealth Studies in Literature and Culture offers an intriguing analysis of the state of postcolonial criticism today and of the application of postcolonial methods to a variety of texts and historical events It is an invaluable contribution to the current debate in both literary and cultural studies The News Sorority Sheila Weller, 2015-11-10 A provocative critique of three influential women in television

broadcast news draws on exclusive interviews with colleagues and confidantes to reveal how their ambition intellect and talent rendered them cultural icons

Persian Mirrors Elaine Sciolino, 2000-10-03 No American reporter has more experience covering Iran or more access to the private corners of Iranian society than Elaine Sciolino As a correspondent for Newsweek and The New York Times she has reported on the key events of the past two decades She was aboard the airplane that brought Ayatollah Ruhollah Khomeini to Tehran in 1979 she was there for the Iranian revolution the hostage crisis the Iran Iraq war the rise of President Mohammad Khatami and the riots of the summer of 1999 In *Persian Mirrors* Sciolino takes us into the public and private spaces of Iran the bazaars beauty salons aerobics studios courtrooms universities mosques and the presidential palace to capture the vitality of a society so often misunderstood by Americans She demystifies a country of endless complexity where on the streets women swathe themselves in black and behind high walls they adorn themselves with makeup and jewelry where the laws of Islam are the law of the land and yet the government advertises as tourist attractions the ruins of the pre Islamic imperial capital at Persepolis and the synagogue where Queen Esther is said to be buried and where even the most austere clerics recite sensual romantic poetry insisting that it refers to divine and not earthly love Iran is also a place with a dark side where unpredictable repression is carried out officially and unofficially by forces intent on maintaining power and influence Sciolino deftly uses her travels throughout Iran and her encounters with its people to portray the country as an exciting daring laboratory where experiments with two highly volatile chemicals Islam and democracy are being conducted Like the mirror mosaics found in Iran s royal palaces and religious shrines there is more to the whole of the country than the fragments revealed to outsiders *Persian Mirrors* captures this elusive Iran Sciolino paints in astonishing detail and rich color the surprising inner life of this country where a great battle is raging not for control over territory but for the soul of the nation

Gender, Sexuality, and Diaspora Fataneh Farahani, 2017-09-27 To what extent do women accept adjust and challenge the intersecting and shifting relations of cultural political and religious discourses that organize their sexual lives Seeking to expand the focus on changing gender roles and construction of diasporic femininities and sexualities in migration studies Farahani presents an original analysis of first generation Iranian immigrant women in Sweden Certainly highlighting the hybrid experiences of Swedish Iranians Farahani explores the tensions that develop between the process of self disciplining women s bodies and the coping tactics that women employ Subsequently *Gender Sexuality and Diaspora* demonstrates how migratory experiences impact sexuality and conversely how sexuality is constitutive of migratory processes A timely book rich with empirical and theoretical insights on the subject of gender diaspora and sexuality it will appeal to scholars and undergraduate and postgraduate students of gender studies anthropology sociology sexuality studies diaspora postcolonial and Middle Eastern studies
